

# Lake County Examiner

VOL. XXXI

LAKEVIEW, LAKE COUNTY, OREGON, NOVEMBER 3, 1910.

NO. 43

The Circulation of The Lake County Examiner is Guaranteed to Exceed 3,300 Copies Weekly

## BERNARD KUHL FOUND GUILTY

### Jury Recommends Him to Mercy of Court

## LOUIS VEYSSADE ON TRIAL

### Attorneys Line Up and Hard Fight Will Be Put Up By Him

Only criminal business has been considered in the circuit court during the past week, and but two cases have been disposed of. Pat England and Jack Murphy were found not guilty on a charge of malicious injury to stock.

The trial of Bernard Kuhl for horse stealing reached a conclusion Monday evening, when the jury returned a verdict of guilty and recommended him to the mercy of the court.

Kuhl is a young man, who, in company with Al DeMoss, stole a number of horses near Silver Lake. They were overtaken near Dairy, when DeMoss was killed and Kuhl gave himself up to the officers.

Judge Noland pronounced sentence upon Kuhl this morning, the penalty imposed being an indeterminate sentence at the State Penitentiary.

The trial of Louis Veyssade for killing Jack Barry was called Tuesday. W. Lair Thompson and L. F. Conn appear for the defense, while District Attorney Kaykendall and his deputy, J. D. Venator, are assisted by Judge Benson in the prosecution.

The questions propounded in the examination of jurors lead to the inference that Veyssade will claim self-defense in the killing of Barry. Who special verdicts have been issued, and it is expected the jury will be completed today.

## FARMERS' SHORT COURSE AT O. A. C.

### Will Commence January, and Continue Six Weeks

The winter short course at the Oregon Agricultural College will commence January 3 continuing for a period of six weeks and will be followed immediately by a special course commencing February 13 and extending over a period of one week which will be known as farmers' week. This announcement has just been made by the chairman of the course committee.

The work will cover a six weeks course in agronomy, animal husbandry, poultry husbandry, horticulture, horticulture, dairying, domestic science and art, mechanic arts and forestry. Under these various heads the most practical work that can possibly be prepared will be offered to the short course students. The work is designed to meet the requirements of men and women, old and young.

The college has added greatly to the equipment and building space which will be available for this work. The new agricultural building has been completed and is splendidly equipped with laboratories and recitation rooms. The new green houses are also completed and are available for the work in floriculture. New laboratories are also being equipped in the old agricultural building and by the time the short course commences everything will be in splendid condition. A number of new instructors have also been added to the staff and give special attention to this work.

The courses which will be offered have been carefully prepared so as to meet the immediate requirements of the men and women who are actually carrying on the agricultural work through the state. The men will be taught the advantages of the latest scientific discoveries in the field of agronomy, dairying, poultry husbandry, fruit growing and stock raising. The women will be taught many valuable lessons in sewing,

cooking and home sanitation. The work is such that will be of great value to young men and women and the mature farmer and housewife.

Last year the students who were in attendance at this course varied in age from 16 to 65, and among those who expressed themselves as having derived the greatest benefit from the work, were the older and more experienced farmers.

The committee now in charge of the work is arranging for the accommodation of these men and women and will probably secure special rates from the railroad companies. A complete circular describing the work and the expenses and accommodations will be issued about the first of December.

No entrance examinations or other educational tests will be required and the only expenses will be those for board and room and a small registration fee. There will be no fee for the special Farmer's Week Course.

### Go to California

Mrs. Geo. Small and daughter, Miss Lora, left Tuesday morning for Los Angeles where they will probably make their future home, says the Silver Lake Leader. Mr. Small intends also leaving in about a month to join the ladies. Mr. and Mrs. Small came to this country in an early day and endured the hardships which falls to the lot of pioneers, and now in their declining years are entitled to take life more easy.

Geo. Ranney, the Paisley liveryman, was in town this week.

## HANSON FINISHES N.-C.-O. CONTRACT

### Cedarville Station May be Terminus During Approaching Winter

Tuesday afternoon J. F. Hanson put the final touch on his contract for building the grade for the extension of the N. C. O. With the exception of a little rock work the job was completed several weeks since and work trains have been in operation over the line for some time past. Dan Malloy, who came up from Alturas the first of the week, states that lumber is on the ground at Cedarville station, apparently to be used in the construction of a warehouse.

While nothing has as yet been made public regarding a new terminus yet it is quite probable that freight for Lakeview as well as Surprise valley will be delivered at Cedarville station during the coming winter. The new station is located this side of Chalk grade, and would lessen the wagon haul considerably to points north of Alturas.

It is understood that the company will now deliver goods in car lots at shippers risk at the new station, making a nominal charge of \$1 for hauling the car from Alturas to that point.

### New Reservoir Site

Application and map for the location of a reservoir site to be situated in section 17, township 41 south, range 18 east Willamette Meridian, just north of the California line, has been filed in the local land office by James L. Wheeler, Jr. The capacity of the reservoir will be 2880 acre feet of water, to be held by a 20 foot dam. The source of the water supply will be Dry Creek. The site is to be used for irrigating many ranches in that vicinity.

### Thankful to Friends

Andy Sutphen, who some few weeks ago had an eye removed, has about recovered and is feeling quite jubilant over the success attending it. The sight of his remaining eye has greatly improved, and he now feels as if he had a new lease on life. Andy is very thankful to the numerous friends who so kindly assisted him during his sufferings, and especially to the Misses Flynn and Dr. Smith who waited on him with the tenderest care.

Henry Lehman has purchased from Robt. McCullay 118 acres of land adjoining the Colvin ranch in the New Pine Creek section. The sale was made through the agency of W. F. Payne.

## COUNTY EXPENDITURES

### Semi-Annual Statement of the Financial Affairs of Lake County

## OVER \$34,000 ACTUAL CASH NOW ON HAND

### Road Fund In Mighty Fine Condition, and if Amount Had Been Economically Expended Highways Would Be In Much Better Shape

### SEMI-ANNUAL STATEMENT

Of the County Treasurer of Lake County, Oregon, for the six months ending Sept. 30, 1910, of the money received and paid out, from what source received and what account paid out:

Dated this 1st day of October, 1910.

ALBERT DENT, Sheriff.

(Continued on page 8)

### Valley Falls Items

Shorly Lovelace and family were down Sunday after ducks.

Mr. Rehart passed through Sunday with an ark on his way to the desert.

Mr. Hickman has his house about completed. This is a substantial addition to the valley.

J. O. Hotchkiss and boy brought

a bunch of about 150 cattle to their Chewaucan Ranch recently.

F. N. Curtis and wife of Omak, Wash., arrived here to locate. Mr. Curtis has accepted a position with the Valley Falls Mero, Co.

Mr. Waite of the Indian School at Ft. Bidwell stopped over Saturday. He had in charge seven Indian boys from Burn, on their way to school.

### Double Weds.

On Saturday evening Oct. 29, O'clock Ray F. Kirkpatrick, and E. Chandler, and Elmer P. Harris and Bertha M. Hende, son were united in marriage at the Methodist parsonage by Rev. Melville T. Wire. The wedding was a quiet affair being witnessed only by Mrs. L. Kirkpatrick and her daughter, Ethel. The couple are well known and popular residents of Willow Ranch and have a wide circle of friends in Modoc county. On their way home Sunday night a large company came to the Kirkpatrick home to wish the future health and happiness. All stayed to a late hour enjoying the festivity and partaking of refreshments. Before going home a flash light picture was taken of the party. Both couples will make their future home at Willow Ranch.

### Prospective Foresters

Das Brennan, Tom Grigsby, Charley Wayburn, Earl Austin, Chas. Reid and W. A. La Sater were those who took the examination for assistant forest ranger at the local Forest office last week. The written examination included all sorts of questions from naming trees to running saw mills while the field examination included packing a horse, compass work running lines, etc. It will probably be several months before those taking the examination will be informed as to their standing. Those passing will probably be appointed to a position at once, as there are 400 positions to be filled during the coming season. The salary is \$1100 per annum.

## FILES MAP OF RIGHT-OF-WAY

### Oregon Trunk Will Pass Through Northeast Corner of County

The Oregon Trunk Railway Company, known as the Hill line, has filed its right of way map for the line through the Lakeview Land district. The line is that running through the State east and west, and the survey runs for about 10 miles through the extreme northeast corner of Lake County, passing to the north of Glass Buttes. From the Buttes the line runs northwesterly toward Bend.

At the proper time it is confidently expected that the announcement will be made of the building of the main line to California down through Goose Lake Valley.

### Anti-Saloon Campaign

G. J. Weitzell left here Tuesday to stump the county for the Anti Saloon League. He spoke at Paisley that evening and at Silver Lake last evening. Tonight he is at Fort Rock and will return to Silver Lake tomorrow evening. Saturday evening he will be at Paisley, Sunday at 2 he will be at the West Side school house and in the evening at the Baptist church at New Pine Creek. He will close campaigning with a big rally at the Court House next Monday at 7:30 P.M.

### Elder-Taylor Nuptials

A pretty wedding was solemnized at the residence of Mr. and Mrs. J. N. Taylor at Paisley on Tuesday afternoon, October 18 when their daughter Evelyn, was united in the holy bonds of matrimony to John Elder, Rev. Young officiating. The bride was beautifully dressed in white satin folor, white silver trimmings and orange blossom. The groom was attired in the conventional black. The wedding march was played by Miss Anna Jones, and at 3:20. Rev. Young pronounced the words which bound the happy couple together for life. The room was tastefully decorated in natural orange blossoms and mistletoe sent by the brides grandparents from California for the occasion. After the ceremony all repaired to the dining room where a two course luncheon was served. Only a few friends of the contracting parties were present. The young couple have a host of friends who wish them bon voyage on the matrimonial sea.

Mr. and Mrs. Elder started Friday morning on their wedding tour and will be at home to their friends after January 1st.—"Paisleyite" in Silver Lake Leader.

## CITY ELECTION IS VERY HARMONIOUS

### No Opposition to Harry Bailey For Mayor

## W. F. GROB IS RECORDER

### But Little Interest Was Taken In Election, Although Large Vote is Polled

Mayor—Harry Bailey  
Councilmen—V. L. Sa litag, E. H. Smith, E. E. Minehart and E. F. Obesay.  
Recorder—W. F. Grob.  
Treasurer—A. Gieser.

The city election occurred Tuesday with the a ove result. While there were two tickets in the field but little interest was shown until during the afternoon when some activity was manifest. However, no particular fight was put up, and everything passed off pleasantly. The defeated candidates were J. S. Lane and J. B. Auten for councilmen and Frank Hitchins for recorder, all of whom are congratulating themselves upon having escaped a duty that is not at all pleasant.

There were 193 votes cast, which was somewhat of a surprise, as it was expected that the vote would fall far short of that number. Next Monday evening the present council will meet and clear up the pending business, after which the newly elected officers will be sworn in.

Mrs. Ada G. Gentry has purchased from J. N. Watson the residence property at the corner of Center and Bernard streets just west of Gordon Garrett's.

## CLAUDE SEAGER "SHOWS" RENO

### Goose Lake Valley Apples Attract Much Attention There

Reno Journal: O. R. Seager of Lakeview is in Reno promoting the Davis Creek country. He has brought with him a number of boxes of apples which took prizes in the recent apple show at Watsonville and states that a great triumph was scored by the fruit growers in that section who took two first prizes and two second prizes in the competition. Mr. Seager stated that the Goose Lake valley and Modoc valley are rapidly becoming sought for agricultural and fruit raising purposes. The last six miles of the N. C. O. railroad extension contract have been let and the completion of the road will mean much to the rancher. In a few days Mr. Seager intends to arrange an exhibit of the prize winning apples in the window of the Golden Hotel.

### A Big Deal

George R. Parman, of Eagleville, Cal, has purchased from McCullay Brothers of this place 10,000 sheep and 1800 acres of land. The price has not been made public. The new owner has already taken possession and will remove his family here in a short time. This is the biggest deal that has been put through for some time past.

### Chautauqua Circle

The Chautauqua Circle will meet Monday evening next at the home of Miss Sara Hora. Program—Roll Call; Current Events—Subject "The Extension of Government Control"—(Cheney), chapter IX; topics assigned: Miss M. Johnson, 65-67-68; Miss Rice, 69-70-71; Miss Ruddlell, 72-73; Mrs. Kirkpatrick, 74-75-76; "The Child and the State," The Chautauquan, "Democratic England," Miss Vernon.

Born—Near Cedarville, Cal., Oct. 18, 1910, to the wife of Bert Douseuth, a daughter.
