### A GOOD POSITION

Can be had by ambitious young men and ladies in the field of "Wireless" or Railroad telegraphy. Since the 8-hour law became effective, and since the Wireless companies are establishing stations through out the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute of Portland, Ore., operates six official institutes in America, under the supervision of R. R. and Wireless officials and places all graduates into positions. It will pay you to write them for full details.

Many persons had themselves affected with a persistent cough after an attack of influenza. As a result this cough can be quickly cured by the use of Chamberlain's Cough Remedy. It should not be allowed to run on until it becomes troublesome. Sold by all good dealers.
