

EVERY DAY

Something Is Lost or Found

ONE is not always to blame for the loss of things. But nevertheless the article is gone and there is just one thing to do, and that is to recover it if you can. To lose a watch, a ring, or anything else valuable leaves a sore spot for days but sorrow is replaced by joy when the lost article is returned to its owner. Entertaining an idea that the lost article can not be recovered will not put you in touch with the finder, but a Lake County Examiner "Lost Ad" will, because 10,000 people read the Examiner every week. Just try one.
