For you. If you are at all interested in Automobiles, write for our literature. No matter what machine you may have a preference for, it will pay you to investigate the "BUICK."

We don't claim it's the only good car--there are others--but we do claim that there are more "BUICKS" in Southern Oregon, and that they have given better satisfaction than any other--both as private machines and on regular stage runs.

We extend a cordial invitation to visit our new Garage, one block from the Post Office on the Main Street, Klamath Falls, where our cars are on ex-hibition.
