CHIEF ENGINEER OF N.-C.-O. IN TOWN

June 1st Date Fixed For First Tarin Into Goose Lake Valley

Geo. S. Oliver, chief engineer of the N.-C.-O. Ry., was in Lakeview yesterday, and to an Examiner representative made the statement that regular train service into Goose Lake Valley would be established June 1. The station will be at the end of the canyon about six miles from Davis Creek, but it is expected that the terminus will be at the latter place early in August.

That the N.-C.-O. will be built along the east side of the lake is a foregone conclusion, the right of way to the state line with a very few exceptions having been secured. Mr. Oliver anticipates no trouble in securing a right of way through to Lakeview, although at a meeting of the Board of Trade yesterday afternoon he intimated that Lakeview would be expected to secure the same from the Funk place up to and through the city limits, as well as furnishing suitable depot grounds.

It is likely that the Board of Trade will take the matter up in the immediate future and ascertain just what is expected of Lakeview in the matter, so that it will have a definite proposition to work on.

A New Bird Man

Alturas Plaindealer: Our old friend Tom Godfrey has another bee in his bonnet. He aspires to be a bird man, build himself an aeroplane and fly away. We understand that Tom, in a laudable effort to raise the necessary iron man to build his air boat, is figuring on giving a balloon ascension and parachute jump here in Alturas, some time in May. Should Tom decide to risk his neck in this manner he should have no trouble in gathering a crowd, and money is what Tom is after. Go to it Tom; we would fly ourselves, but our wife won't let us.

Archie W. Evans came over from Bly Tuesday on land business.

JOHN PARTIN IS CALLED SUDDENLY

Overdose of Morphine Causes Death of Well Known Young Man

John Partin, aged about 30 years, passed away Tuesday evening from the effects of an overdose of morphine accidentally administered. Coroner Wallace was summoned, but he decided no inquest was necessary. The young man was a son of Thomas Partin, of Summer Lake, and a brother of J. N. Partin, of Alturas, and leaves a number of other relatives throughout this section of the state. He was quite well known, having been born and raised in Lake county, although during the past several years he has spent much of his time in Alberta and Idaho. J. H. and M. C. Partin, the former

a brother and the latter a nephew of the deceased, arrived last evening from Alturas, and this morning were making arrangements for the funeral.

Good Time Dance

A very enjoyable dance was given Friday, Mar. 31, 1911, by the Good Times Club, in the Civic Improvement Club hall. The excellent music furnished by Gott's orchestra was highly appreciated as was also the buffet lunch served under the management of Mrs. Lulu McKendree. The next Good Times dance will be held Friday evening, April 14, to which all those holding membership tickets are urged to come. The Keemo Club will give their fortnightly dance Friday evening April 7, and those members who are not present will surely miss a good dance and pleasant evening.

W. F. Paine returned from his Los Angeles trip, and is looking hale and hearty. He is now prepared for a strenuous season's work.

Fine Display of Fruits, Grains and Vegetables Make Great Northern Exhibit Effective Advertisement

The possibilities of Oregon both as an agricultural and fruit state are being played up strongly by the Great Northern Railway at their Exhibit in Columbus, Ohio, and the following extract of article taken from the Columbus Journal gives some idea of the beauty of and interest created by this Exhibit.

Great Northern Agricultural Exhibit at Night, 47 North High Street, Columbus, Ohio.

"Go west, young man, and grow up with the country," said Greeley. The seer gave good advice, but he stopped there.

"Go west, young man, women, boys and girls, and grow up with the great new west," said L. W. Hill. Then Mr. Hill, who is President of the Great Northern Railway, and son of James J. Hill, backed up his advice by making it possible for everybody to go west.

That the people of Columbus and vicinity may become better acquainted with the wonderful western country, a free exhibition of the grains and fruits of Montana, Oregon and Washington has been opened at 47 North High street by the Great Northern Railway.

The exhibition is well worth the visit. Great sheaves of golden wheat, oats and other grains adorn the walls in artistic array. Big crystal jars display the fruits of the far west. Literature descriptive of the wonderful opportunities awaiting the homeseeker are distributed.

and all inquiries made by visitors are cheerfully answered by those in charge. "The Great Northern Railway has not a foot of land to sell," said L. O. Stout, who is in charge of the display. "President Hill wants the men and women of your city to realize the great possibilities of the big, new west."

Mr. Stout has many large photographs of orchard scenes along the railroad and in the adjacent territory which tell in forcible language the story of the fertile west. As a proof that the apple industry is a great source of revenue in the western country, the fruit growers have sent gorgeous glowing fruits to the exhibition. Piles and crates of apples, such as one seldom sees, grace the tables and counters at the exhibition. Vegetables, too, of great size, are displayed. Beautiful flowers from Oregon, cunningly preserved, add to the beauty of the display.

If you have thought of the west as a possible home, go and see this exposition. If you have not given it a thought, then go and see the wonderful things which the trees and vines yield the toilers who tempt fate and win fortunes in a virgin country.—Journal, Columbus

Wood's & Davis Bros. are busy getting ready to go to farming. They expect to set their tracts recently purchased of the Davis Creek Orchard Co. into apple trees.

C. R. Seager spent several days in Davis Creek last week.

Davis Creek Items

S. J. Dutton and Berle Guillems are attending court in Alturas this week, being called as jurors.

Mrs. Winnie Taylor, of Colusa, Cal., was visiting friends and relatives at Davis Creek the past week.

The N.-C.-O. survey party moved to Joseph Creek Monday to do some work in the canyon.

A. J. Sheffield, of St. Louis, Mo., has made arrangements and expects to start a nursery on the Davis Creek Orchards Co.'s land. He is now waiting for his stock to arrive.

Bernard Sitz and wife were down from Willow Ranch this week and bought a team of horses while here.

The roads are getting dry and dusty with the exceptions of a few places.

S. J. Dutton is having some land cleared to set out some apple trees.

Mrs. J. E. Kerns, who has been at Hotel Davis Creek for the past seven months, was called to her home at Bakersfield, Cal., on account of the illness of her mother, Mrs. Kerns. She expects to return as soon as possible. Mrs. Joseph Garriott is assisting Mrs. Dutton during the absence of Mrs. Kerns.
