RAILROAD MEN TO SEE NEW REGION

TO TRIP OVER O. T. PLANNED

BY OFFICIALS

JOURNEY TO TAKE A WEEK

Through Crook and Lake counties to Klamath then to Medford

Central Oregon will be visited this week by a party of Northern Pacific officials, who will be there in a special train over the trunk line which parallels the Northern Pacific across the state.

Manager Eaton of the Northern Pacific, who will be with the party, said the trip was to be made in order to become better acquainted with the northern end of the line of the road and the region which it serves. The trip will take the men on a tour through the Klamath Valley as far as Roseburg and through the construction of the Oregon Northern. The Northern Pacific, as a result of the trip, will have a better idea of just what is being done in the Clackamas Valley and the future of the road in that part of the state.
