VOL. XXXII

LAKEVIEW, LAKE COUNTY, OREGON, JUNE 22, 1911.

NO. 25

THE EXAMINER IS THE OFFICIAL PAPER OF LAKE COUNTY

ARRIVAL OF BEND AUTOS

TWENTY-TWO VISITORS FROM CROOK HERE SATURDAY

BOOSTERS SPEAK HIGHLY OF LAKE COUNTY

Were Shown the Beauties of Goose Lake Valley As Far South As New Pine Creek

Word was received here last Saturday morning that the crowd of Bend Booster's would be in Lakeview Saturday afternoon from Klamath Falls and that they would stay over night. At once preparations were commenced for holding a smoker at the Court House for the visitors. The first load of Boosters arrived here at 6 o'clock and it is said that the others would soon be in. They certainly would if they had not had the misfortune to break one of their machines. When it was found that some would be late if they had to foot it in, Morris Southstone went out to rescue them with his machine and gave them the ride of their lives, covering eight miles in twelve minutes. On their arrival they met Judge Daly and the first words were, "Judge, how did you do it?" and the Judge looking somewhat surprised asked what they meant and their answer was, "How do you manage to have such good roads?" The Judge laughed and said that we had the material here and plenty of money and none but road builders of experience were in charge of the work.

After supper everybody went to the Court House, where W. Lair Thompson delivered the address of welcome and told of the resources of our town and the pride that the people of Lakeview took with Judge Daly in the matter of good roads.

Judge H. C. Ellis, of Prineville, followed and he said that his party had left Bend in company with the Southern Pacific officials and others of Portland with the purpose of visiting Klamath Falls and getting in touch with the business men as it would not be long before there would be railroad connection with the two places. The ride from Bend to Klamath Falls was a long dusty ride even by automobile as it was a long way between drinks as water was not very plentiful on that road as it took more or less water for their machines to keep the cylinders cool. When they left Klamath Falls he said the roads were good as the county was working large forces of men all along the line but when they

got over the mountain at Newell's station they pulled right out as the roads were magnificent and traveling at the rate of 50 miles an hour was a pleasure. Mr. Ellis spoke very highly of the little inland town and was certainly surprised as were the balance of the party. Our resources were of the best he stated and it was to be hoped that the people of his county and those of Lake would get better acquainted, as that was the object of the visit of the Bend Commercial Club. Several of the party made a few remarks as did several business men of the city. The meeting did not break up until about 11 o'clock as all were getting acquainted with each other.

The whole trend of the meeting was one that showed a good spirit and to work for one common good—the building up of this part of the state as that would insure the building of railroads—while the matter of good roads was prominent in all their talk. The visitors were loud in their praise of the treatment they received at the hands of the Lakeview citizens and they also spoke very highly of the band boys and of their music, which was rendered in front of the Hotel and also at the Court House. Sunday morning the visitors were loaded in several of the automobiles belonging to Lakeview business men and were taken through the Goose Lake Valley as far as New Pine Creek on the State line. The visitors returned about 12 o'clock in time for dinner and all were very much impressed with the valley.

About 4 o'clock the party left for home intending to remain over night at Paisley as the business men of that place insisted upon their remaining with them at least a few hours. Those in the party were A. O. Hunter, E. M. Lara, W. A. Williams, C. W. Eckerman, Marcelus Larn, M. S. Lathoe, Dr. F. J. Bailey, O. C. Henkle, John Striddle, J. T. Hardy, Judge H. C. Ellis, C. M. Davis, Henry Linster, John Taggart, Jas. J. Sayer, Ward H. Coble, H. K. Lounsterry, W. D. Barnes, J. E. Sawhill, Morris Steele, C. S. Hobson and J. W. Howard.

Aid Society Meet

On Wednesday afternoon last a very pleasant meeting of the Methodist Ladies' Aid was held at the home of Mrs. H. W. Morgan, on West Street. Twenty-three members were entertained during the afternoon and three new candidates, Mrs. J. Arzner, Mrs. W. Moss and Mrs. W. G. Fuller were admitted into full membership. Refreshments were served after the necessary business matters had been attended to, and the ladies before departing all agreed that Mrs. Morgan certainly understands the delicate art of entertaining.

Alumni Incorporates

Incorporation of the Alumni Association of the Oregon Agricultural College was planned at the annual meeting of the organization last week, and the executive committee was empowered to take immediate steps toward it. The chartering and affiliation of the numerous branch associations of the O. A. C. graduates throughout the state will further strengthen the main association. The officers for the coming year were elected as follows: President, E. B. Aldrich, Pendleton; Vice-President, A. G. B. Boquet, the college; Secretary-treasurer, Harry Holgate, Corvallis.

INVITATIONS ARE VERY ATTRACTIVE

Elks Sending Out Unique "Bids" to Lodges of the Order

Decidedly unique are the invitations sent out by the members who will compose the Klamath Falls Lodge of Elks to their friends in Elksdom and various Elk lodges. These invitations are after the style of a warranty deed, complete, even to a legal looking cover. The outside cover is printed with wording similar to that on a deed, and on the inside, printed in the royal purple of the lodge, of which the following is a copy sent to one of Lakeview's Elks:

WARRANTY DEED.

Know All Men by These Presents, That the Elks of Klamath Falls, County of Klamath, State of Oregon, in consideration of brotherly love and good fellowship, to them shown by Creid McKendree and Brother Elks at Lakeview have bargained and sold, and by these presents do grant, bargain, sell and convey unto the said grantees, their mothers, wives and daughters, all the following described real property, situated in the County of Klamath and the States of Oregon, to-wit:

The entire city of Klamath Falls, Oregon, and each and every part thereof, including such special joys as may therein be prepared on a certain date hereinafter mentioned.

Together with all the tenements, hereditaments and appurtenances therein belonging or in anywise appertaining.

Provided, However, and this conveyance is upon this express condition, that the said grantees shall take possession of the said granted premises on Monday June 26, 1911, that being the day when the said grantors will institute and launch the new lodge, Klamath Falls No. 1247, B. P. O. E.

To have and to hold the above granted premises unto the said grantees, their mothers, wives and daughters for their own use, benefit and amusement on that day.

And the grantors do covenant to and with the said grantees that they are lawfully seized in the above premises, that they have the mayor's permission to convey the same, and that the premises will be free and clear of incumbrances, and that they will, and their friends shall warrant that every guest who carries in the said city on that day, will carry away most pleasant memories.

In Witness Whereof, the said grantors have hereunto set their hands and seals this 12th day of June, A. D., 1911.

Signed, sealed and delivered in the presence of us as witnesses:

Edmund M. Chilcote,
E. H. Hall.

W. H. Dolbeer, (S),
Chairman.

Howard L. Shepherd, (S),
Secretary.

Damage Suit Dismissed

The demurrer entered by the Nevada California Oregon Railroad Co., in the suit brought against them by Joseph and Frances Burrus for \$40,000 was sustained by Judge French in the district court and the complaint of Frances Burrus was dismissed while Joseph Burrus was given ten days in which to plead.

The action was brought by Joseph Burrus and Frances Burrus for mental anguish occasioned by the alleged delay of the railroad company in bringing their son, Archie Burrus from Doyle. The young man had been frozen and was in a critical condition from exposure.

The demurrer which was argued by Dodge and Berry for the defendant, was upon the grounds of a misjoinder of the causes of action and that the complaint was uncertain and ambiguous and that it did not state a cause of action. Attorneys Heer and Mack of the firm of Mack, Green, Brown and Herr, represented the plaintiff in the action.

The action asked for \$40,000 for mental anguish suffered on the part of the plaintiffs on account of the delay in bringing Archie Burrus to Reno, and is not, as has been currently reported, a case against the railroad company for criminal act in delaying the providing a car.

KLAMATH PEOPLE INVEST IN WARNER

Walter Dent Sells Ranch to Finley and Dews of Bly

Tuesday the sale of the Walter Dent ranch of 240 acres in Warner Valley was consummated in which Thor. G. Dews and his sister, Mrs. W. W. Finley of Bly became the owners. The price paid to Mr. Dent was \$10,000.

This is claimed to be one of the best ranches in Lake county and the place is well watered. Mr. Dews states that there is one of the finest gardens growing he has ever seen and plenty of bearing fruit trees, berries of all kinds and also 100 acres of fine alfalfa which is thought will go five tons to the acres in two cuttings.

Mr. Dews has leased the interest of his sister, Mrs. Finley, for seven years and will have full charge of the place. He has some fine horses and cattle at his place near Bly and these he will bring over and will raise blooded stock. He will also purchase a number of fine milk cows and go into the dairy business.

Goals to Play Ball

Jim Higgins, who has made many friends since coming to Lakeview last summer, Tuesday morning left for Portland en route to Camas, Washington. Jim is scheduled to pitch for the Camas nine, an independent team, during the coming season, for which he is to receive \$112 per month. In last summer's games, Mr. Higgins showed that he thoroughly understands manipulating the various curves, and there is not the slightest doubt but what he will make good in his new position. His many friends wish him the best of success, and hope to see him in Lakeview at some future time.

Returns From Long Trip

Mr. and Mrs. V. L. Snelling Monday returned from a seven hundred mile auto trip which included visits to Burns and Ontario, Oregon and Palmer, Idaho. The trip was made in Mr. Snelling's new E. M. F. auto, and was made entirely without any accident worth mentioning. A small blowout on one of the tires, when within a few miles of Lakeview, was the main cause of trouble, all of which goes to prove that the E. M. F. auto can make good on long distance trips as well as shorter ones about town.

Here for the Summer

Mrs. Jay Beach and daughter, Miss Dorothy, of Sanger, Cal., arrived in Lakeview Saturday and will visit this summer with Mr. and Mrs. F. P. Cronemiller. Mrs. Beach is a sister of Mr. Cronemiller and is well known in Lake and Klamath counties. Mrs. Beach's husband during the early 80's owned the famous Altamont ranch two miles east of Klamath Falls, where some of the well known Altamont trotting horses were raised and are yet known over Southern Oregon.

CORNER STONE LAYING

UNDER IDEAL WEATHER CONDITIONS BEFORE CROWDS

JUDGE B. DALY'S ADDRESS GIVEN IN FULL

Very Impressive Ceremony Conducted by Rev. Father O'Malley, S. J., Assisted by Frank Schmidt

On Sunday afternoon last the ceremony of laying the corner stone to the new Catholic church was performed by Father O'Malley, the present pastor in the presence of a large number of interested spectators. The services were all conducted in Latin, responses being made by Frank Schmidt, assisted by Messrs. O'Shea, Hutchins and Pangree.

After the corner stone had been placed in position Honorable B. Daly who needs no introduction here acted as speech maker of the day, and delivered the following remarks:

Rev. Father O'Malley, Ladies and Gentlemen:

This corner stone which will form part of the foundation of a magnificent and beautiful Catholic Church, will mark an important epoch, not only in the religious and spiritual life of this community, but also in the material progress and development of Lake County, for the reason that members of the Catholic faith seldom become residents and home builders of a county where there is no Church of their own creed in which to worship.

The manner in which the money has been secured to build this church is very complimentary to the people of Lakeview, because many of those who have subscribed liberally are not members of the Church and some of them are active members of other churches of the county. This generous spirit demonstrates the fact that the people of this community are possessed with that broad, liberal spirit of tolerance, and believe in the right of every person to worship God according to the dictates of his own conscience. This great principle is guaranteed by the Constitution of the United States, which provides—"That no religious test shall ever be required as a qualification to any office or public trust under the United States."

In this age of commercialism where it seems that the predominant aim of most people is to accumulate wealth and large property interests, it is exceedingly refreshing to know that the

Catholic people of this county are engaged in building a beautiful church to be dedicated to the glory of God, and to the perpetuation of the divine teachings of the lowly Nazarene, who nearly nineteen centuries ago, on the shores of Galilee, preached the divine doctrine of love—"Peace to earth and good will to men."

A few weeks ago there was held in Baltimore one of the most noted gatherings that probably ever assembled in this country. Among those that were present on that occasion were President Taft, Vice-President Sherman, Speaker Clark of the United States Senate, Ex-President Roosevelt, and many other distinguished statesmen of this and other countries. These men met to celebrate the fifteenth anniversary of the entry of Cardinal Gibbins to the priesthood, and the twenty-fifth anniversary of his selection as a Cardinal.

Cardinal Gibbins is respected and honored by all creeds and classes of men, because he is not only a devout follower of Jesus Christ, but he is also a thorough American, and teaches his people to be patriotic and to love the stars and stripes because they float over the greatest and grandest Nation that has ever existed in all the history of the world; a Nation that in its organic law proclaims the principal—"That all men are created equal: that they are endowed by their creator with certain unalienable rights; that among these are life, liberty, and the pursuit of happiness." I am satisfied that the influence of this church will be directed along the lines laid down by the great Cardinal, so that the inscription on this corner stone—"Ad Misjorem Dei Gloriam Et Sancti Patritii," more glory to the great glory of God and Saint Patrick, shall prove a medium for much good, not only in the spiritual and civic righteousness of this community, but in a greater patriotism, justice, love and liberty.

The ceremony of blessing and laying the corner stone is the first of three. The second will be the dedication of the new church when completed, by the Bishop, while the third will be the consecration also by the Bishop when the entire debt will have been paid off.

NEBRASKA MAN TO LOCATE IN LAKE CO

Has Returned to His Eastern Home to Dispose of Holdings

F. B. Whittaker, a first class Nebraska farmer has been here for the past two weeks looking over Lake county. He is greatly impressed with this section and left Monday for his home in the east to dispose of his stock farming implements, etc., and will return sometime in August with his family and will start farming and also that of raising fancy stock.

Mr. H. A. Utley has been corresponding with Mr. Whittaker for some time, and through some articles Mr. Utley has been writing for the Hunters Trappers, and Traders magazine, has received nearly a thousand letters from prospective homesteaders and from people who want to buy land, it is expected that a great many new comers will visit Lake county this summer.

Attention Workmen

Regular meeting of Lakeside Lodge 111 A. O. U. W., will meet tonight, Thursday. Business of importance to all members. Be sure and come out.
X. Arzner, W. M.
A. Bieber, Recorder.

ENGINEER CORPS AT FORT KLAMATH

Will Make a Survey of the Proposed Maneuvering Grounds

Several members of Company M of the Engineer Corps Battalion at Vancouver Barracks are now at old Fort Klamath to make a survey of the territory in the vicinity of the old fort, with a view to laying out a maneuvering ground for the use of the regular army and the National Guard.

The grounds if laid out at the old post, will supplant those at American lake near Tacoma, Wash., which have been abandoned by the government. The grounds in Washington belonged to private individuals, who exacted a high rental while the grounds around old Fort Klamath are on the Indian reservation and are government property.

Club Hall Dance

The Keemo and Good Time Clubs will unite for a social dance, Friday night, June 23, at the Ladies Civic Improvement Club's hall. Refreshment lunch will be served by the Ladies of the Civic Improvement Society. The best of music has been secured. All those holding tickets are requested to attend.

WILL BEGIN SUIT TO RECOVER LAND

State to Commence Proceedings to Recover 10,000 Acres

Suit to take from the hands of settlers practically 11,000 acres of land in Lake county will be instituted by Attorney-General Crawford at the request of Governor West, who sent in his request to that effect Thursday of last week. Included in the land are 7200 acres of the Lake County Land & Livestock Company.

This is a sequel to the now famous Warner Valley Land company controversy which is before the United States Supreme Court, and the lands involved are part of lands granted several years ago on swamp land certificates to "Swamp Angel" Owen.

The lands are also involved in a fight before the last legislature when the State Land Board fathered a bill for a compromise with the Warner Valley Land company, which was withdrawn at the request of Governor West. Another bill was fathered by Representative Thompson, of Lake county, to quiet title to the lands held by settlers. This bill passed and was vetoed by Governor West. The lands which were subject to suit to be brought at the

ANOTHER TRAIN SERVICE ORDERED

Twenty-seven Miles of Track North of Klamath Falls Ready

July 2 will witness the operation of the first train over 27 miles of the new extension of the Southern Pacific Company's line now being built from Klamath Falls to Eugene, Or., according to information made public from the general offices of the company in San Francisco.

The eastern branch of the line now is 113 miles long. The service to be inaugurated will be bi-weekly until there is a demand for a more frequent service. The stations on the line north of Klamath Falls are: Ewanna, Wocus, Melbase, Ouxy, Averill, Lelu, Lobert and Chiloquin.

instance of the Governor.

The difficulty over the lands arose following an old law which allowed the sale of swamp lands upon the filing of a list of such lands, accompanied by a payment of 20 cents an acre, the land to be sold by the state for \$1 an acre. Certificates were issued for the 20 cents and the land could be held until the state received its patent from the
