GOOSE LAKE VALLEY IS LAND OF OPPORTUNITY

YIELD OF GRAIN, HAY, FRUIT AND VEGETABLES ON WEST SIDE PROVE WORTH, WHETHER IRRIGATED OR NOT

Smart Work

Quick and easy work last Thursday afternoon at the smart work of grading rock at Shovel Rock, near Lakeview, filled the large team of Professor Geo. E. Hearn, four engines and two cranes, for a day's work. The big train is headed by the famous Plumber, followed by the railway engine and the two cranes. The work was done in a day and a half, and the result was very satisfactory.

SHOW EASTERNERS WHAT YOU KNOW

How the Opportunity Time to prepare Exhibits of County Products

Now, during the time of the year when the local and state agricultural shows are held, there is an opportunity for you to show the world what you can produce. If you have any agricultural products, such as grain, vegetables, or livestock, you can enter them in the show.

Cut Down the Weeds

The unseasonably late with their usual growth of weeds that were allowed to spread, weeds are now in full bloom. It is the time to begin their eradication. Weeds are a nuisance to the farmer, and they can easily spread to other farms.

ARTESIAN WELLS BECOME POPULAR

Many Ranchers in Valley Desire Experience

If Lakeview does not take the offer of George J. Ince, the arid rancher, who is willing to demonstrate the culture of a 50-acre plot of land in one day, he will have to be satisfied with the growth of the other ranchers in the valley.

The project, which is being carried out by the Lakeview Irrigation District, is expected to be completed by the end of the year. The rancher is willing to demonstrate the successful use of irrigation in the valley.
