Lakeview, Oregon, Thursday, August 30, 1911

Paisley Pick-ups

The road viewers are out surveying the new county road which is to run from Paisley to the Harney County line. Al Farrow and J. N. Taylor are assisting Surveyor Roters in the work. When last heard of, they were in the neighborhood of Twin Buttes.

Mr. and Mrs. L. P. Klippel and young son, of Summer Lake, were guests at the Hotel Chewaucan on Wednesday. They started for Lakeview Thursday morning.

D. J. Jones, lately of Kenos, Ore., arrived in Paisley last week and has leased the blacksmith shop owned by L. J. Henderson. Mr. Jones is a thorough mechanic and is sure to do well here.

V. O. Morgan's new barn is almost finished. The roof is being painted red and the wall will receive a coat of white. The barn is a credit to the town.

Mrs. Anna Pierce and her two daughters, Misses Leta and Marie, who have been visiting at the Frank Des Combes ranch, left for Watonga, Okla., Tuesday, where the young ladies will attend school. Miss Leta will be graduated from high school at the end of the coming term.

Guy Foster, of Summer Lake intends to erect a bungalow on his ranch shortly. Who is the lady, Guy?

Mr. and Mrs. G. D. Harrow, of Lakeview, are visiting at the ZX ranch as the guests of Mr. and Mrs. F. A. Fitzpatrick.

Several people who have seen it say that C. C. Harris has the finest residence on any ranch between Lakeview and Bend.

P. C. Coon went to Davis Creek Saturday and distributed literature concerning Chewaucan and Summer Lake valleys to the visitors there on railroad day.

A. Hartlerode and Jas. R. Harner went to Alturas Friday in the Reo car. They returned Monday, accompanied by Miss Gladys Stevenson, who has been away for a couple of weeks.

Valley Falls Items

The well which is being bored at this place is now down 280 feet and can not be pumped out. Artesian possibilities according to Mr. Edes are the best.

S. S. Simson after an absence of a year has returned and will trap during the coming winter.

The Jennings-Meyer Realty Co., last week located Mark Hutchinson on a homestead in this valley.

Mrs. Geo. Ede and daughter left for Lakeview Saturday where Miss Ede will attend school.

We are heartily in accord with the Chewaucan Press in its stand for a road from Paisley to this place via the north route from the Narrows south, this is the only practical route possible and will undoubtedly be secured.

Heading on the Chandlers' ranches is in progress and the yield promises well.

Having on the Hotchkiss ranch was finished last week.

H. A. Utley returned from Lakeview Friday.

E. L. H. Meyer, C. S. Stone, Mark Hutchinson and Geo. Ede were Lakeview visitors last week.

Silver Lake Items

Fossilized remains of a three-toed horse, bones of a mastodon and of a plumed serpent were some of the finds made by Professor Taylor, who has just returned from a trip to Fossil Lake. Also an Indian cup bone necklace, believed to be more than two centuries old was another relic brought back by Mr. Taylor. He will return to the lake to search for relics of the paleozoic age.

On the evening of August 15, Miss Verna Witham became the wife of A. L. Minifie, the Rev. F. L. Young officiating. Following the ceremony a crowd of young people serenaded the newlyweds. Mrs. Clarence Woodward gave a shower on Sunday for the happy bride and groom. Many were present to enjoy the good dinner, and useful presents were showered upon the young couple.

The ZX roundup boys camped at the Carlson place this week. Friday they hunted over Sunshine Cove to Table Mountain; Saturday, south along the

big hill to Juniper Lake and west to Christmas Lake and the Long place, where they camped for the night.

Additional Briefs

The Misses Hall and Vernon, teachers in the local schools, have returned from their vacation, after an absence of over a month. Both report an excellent time during their stay, but like everyone else who leaves Lakeview—were glad to get back once more.

Harry Angstead, book-keeper in the Bailey & Massingill store, last week returned from a several days visit to his homestead in the Chewaucan. While there he did much in the way of improving the place, and expects to have a humdinger of a ranch in a short time now.

The improvements to the John Arzner residence on Slash street are now nearing completion, and the residence is beginning to assume a very home-like appearance. Several new rooms have been added to the first floor, and a second story addition has also been made.

Word has been received by the local Forest Office to the effect that examinations for the position of Assistant Forest Ranger will be held at the local Forest Office October 23d and 24th. It is expected that several applicants will take the 'exam,' which is surely worthy of a trial.

The Empire Stock Company, whose engagement at the Opera House ended Saturday evening, left Sunday morning for Klamath Falls, where they expect to remain for several days. The Company won much favor during their stay here, and it is hoped that they will return at an early date.

The pieces of brick, etc., resulting from construction work on the Odd-fellow's new structure, have been cleared away from that building during the past week, and the entire affair now presents a very fine appearance. Interior work is now going on, and will be completed within a short time.

In one of our last week's locals we stated that Mr. and Mrs. Guy Causey had been made happy by the birth of a baby boy, who arrived on the preceding Monday. The infant was a girl, and instead of another electrician in the family it is more than likely that the youngster will be one of our central operators at some future date.

McCleary and associates have struck the vein in the Mountain Sheep in a cross-cut tunnel run below the old shaft. A streak of oxidized quartz good for two ounces in gold to the ton has been exposed. The ore is in place and is a handsome free milling product.—Bidwell Nugget. Mac deserves to find gold the way he has stuck to the Sheep.

Mrs. Bertrand, of Cedarville, last week arrived here to take over the management of the Bath House, which she has leased from Mons Currey. Mrs. Bertrand has for several years past managed the hotel at Cedarville, and there is no doubt but what she will be successful in her new venture. We are glad to welcome her to our midst, and hope she remains.

Enh Miller, deputy sheriff of Lake County, and his wife and Mrs. Geo. M. Jones, wife of a prominent ranchman, S. P. Moss, the owner of a big horse ranch, W. Z. Moss his manager, and wife—all of the Paisley country—came over in autos yesterday and remained until this morning, their destination being the Rogue River Valley, for a visit. Klamath Chronicle.

During the week much has been done in town in the way of cleaning up our streets, so that they now present a very much more attractive appearance. Along the edge of the various walks high grass and wild plants which were growing profusely have all been cut down, piled up and carted away. The work has been in charge of Messrs. McCulley and Jones, superintended by City Marshall Brown.

The Morgan Abstract Co., has completed the indexing of every piece of property that is recorded in Lake Co., and will be able to make a complete abstract from the same at a moments notice. The work of Mr. Morgan and his son have been very painstaking and there is no doubt as to the value of their abstracts when buying property. The man that gets land without an abstract is taking chances that a few dollars would eliminate.

J. H. Carey, of the West Side has some fine Duro-Jersey hogs that are

a delight to the eye. Mr. Carey has a brood sow that is hard to excel and her litter that weigh upwards of one hundred pounds each are the finest stock of the kind seen here in a long time. He expects to get some breeding stock shortly and will handle nothing but the full-blooded stock mentioned on account of their productiveness and easy keeping qualities, combined with their value as pork. What opportunities this section of the country has to offer the hog raiser.

The adjourned session of the May term of court was called Wednesday by Judge Henry L. Benson, of Klamath Falls and after the usual routine business, decrees were granted in the divorce cases of Shirk vs Shirk and Frame vs Frame and each of these happy couples is free once more.

MRS. JONAS NORIN

In the list of the Evening Herald's Auto-Popularity Contest is included the name of one of Lakeview's most popular and public spirited women, who is representing our city with all the vim and vigor that time and energy will allow.

Mrs. Norin has many times taken the responsibility of public spirited affairs for others, but this is the first time that this popular candidate is making a bid for the good wishes of the people of her home city, and the Examiner extends to her its good wishes for a crowning success in the Battle for Ballots. Vote for her.

A well known Des Moines woman after suffering miserably for two days from bowel complaint, was cured by one dose of Chamberlain's Colic, Cholera and Diarrhea cure. For sale by all good dealers.
