Lakeview, Oregon, Thursday, September 28, 1911

J. W. Furgerson, secretary of the Democratic Central Committee and a public accountant of Portland, has been appointed state insurance commissioner to succeed Samuel Koser. Koser recently resigned the office of state insurance commissioner to accept that of deputy secretary of state, for which he will receive \$3000 a year, the same salary as that received by the insurance commissioner.

The Rev. Father Thomas E. Sherman, son of General Wm. Tecumseh Sherman, who led the march from Atlanta to the sea during the Civil War, was committed today to the state hospital for the insane at Arnet, following an attempt at suicide at the Jesuit Novitiate at Los Gatos. The Rev. Father Sherman, accounted one of the most brilliant orators in the Jesuit order, came from Chicago a few months ago in an endeavor to regain his health, his nervous system having suffered a severe breakdown. Lately he has been residing at Los Gatos, but his condition has been growing worse.

President Taft made the first speech of his Western trip on the tariff and his veto of the wool, cotton and farmer's free list bills at Grand Rapids, Mich., last Thursday. The President attacked the Democrats and insurgent Republicans in the Senate and House who out those bills through Congress at the special session; defended his own course in vetoing them and declared that he was unalterably opposed to the revision of the tariff board. He defended clearly his own position with regard to tariff revision and made it plain that even if political defeat stared him in the face he would not alter his policy. The President predicted that revising the tariff with "blacksmiths' tools" such as he said the coalition of Democrats and insurgents used, will lead inevitably to a revision of feeling and a recurrence of the higher rates and the "old system of high tariff."

James Rolph, Jr., was chosen Mayor of San Francisco at the primary election held Tuesday by an overwhelming vote, having received majority of both parties. The election was the first under a charter amendment any Mayor candidate receiving a majority at the polls thereby being elected, and is also the first election in which a Mayor is chosen for a four-year term. Mayor P. H. McCarthy was running for reelection after serving two years. The election officially is non-partisan, but party organizations of the county named their preferences, the Union Labor party endorsing Mayor McCarthy, and the Republican and Democratic organizations proclaiming for Rolph. William McDevitt and Fred Sibert have the endorsement of the Socialist and Socialist Labor parties respectively for the Mayorality. The registration was the highest in the history of the city. Both men favor organized labor.

Equinoctial Storm

The regular equinoctial storm struck this valley the forepart of the week and for several days intermittent showers have occurred. A very heavy rain occurred Monday afternoon, although sufficient moisture to benefit the ranges has perhaps not fallen. The rain put a stop to threshing operations although no serious damage is reported thus far. The only damage resulting from Monday's storm, aside from blowing down a few shade trees, was the wrenching loose of the skylight over J. S. Lane & Co.'s saloon. This was probably caused by the wind whirling over the First National Bank building and eddying about the skylight.

Some "Bar" Fight

Captain Dewitt, farmer of Doyle and W. C. Clark had an exciting experience with three grizzly bears Saturday, ten miles from that place when they unexpectedly came upon the bears while crawling through the brush. The largest bear, mouth open, advanced erect upon the men and the other animal followed likewise. Dewitt aimed at the foremost animal, towering some eight feet upright but only wounded it. The men ran, with the animals after them. The thick brush hampered the animals and both men fired simultaneously seventy feet away. The shot brought two of the beasts to a stand, one dead and the other wounded. A battle followed near the top of a crevice, where one bear fell to the bottom, some 200 feet, and the last was dispatched with a knife in the hands of Clark.

CANADA KNOCKS RECIPROCITY OUT

Overwhelming Defeat for President Taft's Pet Measure

Montreal, Sept. 21.—The Laurier government and reciprocity suffered an overwhelming defeat in the Canadian elections today.

By a political landslide, the Liberal majority of 43 was swept away. The Conservative party secured one of the heaviest majorities, upwards of 50, that any Canadian party ever had.

Seven cabinet ministers who had served with Premier Laurier are among the defeated candidates. Liberals lost ground practically in every province of the dominion. Where they won their majorities were small. Where Conservatives won their majorities were tremendous. Ontario, the leading province of Canada, declared almost unanimously against the administration and reciprocity.

Of the thirteen members of the Laurier cabinet who sought re-election seven were defeated. Robert Borden, the leader of the Conservative party, who was elected by a majority of 200 in Halifax City, will shortly become the Prime Minister of Canada. He will be supported in Parliament by a working majority of members far more than ample for his purpose.

The government's defeat means that the Fielding-Knox reciprocity agreement ratified by the American Congress at the extra session will not be introduced when the Twelfth Parliament assembles next month, and that the revised basis made with the United States looking to closer commercial relations will not be possible in the immediate future. The Conservatives are committed to a policy of trade expansion within the empire and a closed door against the United States.

Although re-elected in two constituencies in Quebec, the defeat of the Liberal party also means the retirement from public life of Sir Wilfrid Laurier, who for nearly two decades directed the destinies of the dominion.
