

Lake County Examiner

HAS THE CIRCULATION—PRINTS THE NEWS—REACHES THE PEOPLE

THE EXAMINER IS THE OFFICIAL PAPER OF LAKE COUNTY

VOL. XXXII

LAKEVIEW, LAKE COUNTY, OREGON, OCTOBER 12, 1911.

NO. 41

BURNS BOOSTERS ROYALLY RECEIVED

Glad Hand Extended to Them By People of Harney County

Stragglers from the Bend-Burns celebrations have been reaching home during the past week. V. L. Snelling being the last to arrive. However, he only preceded Chas. M. Faulkner and party a few hours. W. Lair Thompson, F. P. Light, M. B. Rice and E. L. Britten reached home Sunday evening, while Mr. and Mrs. W. H. Shirk and Mr. and Mrs. J. N. Watson got in Friday evening. J. C. Dodson, G. W. Rice, Jack Batchelder and T. A. Rinehart made the run home in one day in Mr. Dodson's machine.

All were highly pleased with the trip and are firmly of the opinion that much good will result from the meeting of the League, which will be held in Lakeview next year.

Every member of the party from Lakeview was extended every courtesy possible by the people of Burns, and were it not clearly impossible for the residents of that section to be purchased one would be under the impression that the Lakeview bunch was rather lavish in distributing tips. For instance V. L. Snelling is termed "a diamond in the rough" by the Times-Herald, while the News penetrated the following:

"The Lakeview boys carried off the coveted prize of the next meeting of the Development League. No wonder. With their bright light shining into the countenances of all, with luck bringing Rice to envelope everybody, who could Shirk the duty of falling in to their Lair."

It is said that about that time someone hit Editor Davey over the head with a stuffed club and he fell into the cellar. Both papers issued daily editions during the meeting and are certainly entitled to much credit for their enterprise.

That the Burns people are royal entertainers and the "real stuff" when it comes to extending the glad hand is the opinion of J. N. Watson, W. H. Shirk, Col. Light and every other one of our delegation, and it will be Lakeview's duty to reciprocate on the occasion of the next meeting.

Proposed Y. M. C. A.

The Young Men's Club of Lakeview, met at extra session Saturday night and considered plans for the organization of a Y. M. C. A. in Lakeview. There was an excellent attendance of young men, with a few older men to help in the work. A permanent committee for Y. M. C. A. work, consisting of Rev. M. T. Wire, J. F. Burgess, Edgar Clark and Jas. Burgess, was appointed. In all probability in a few months we will boast of a Y. M. C. A. in Lakeview. The Young Men's Club expects to go on with their work, meeting every two weeks and enjoying good times.

HIGH SCHOOL IS SECOND TO NONE

Additional Bonds to Be Issued For Modern Equipment

That the citizens of Lakeview are fully alert of the times on educational matters was fully attested at a meeting called at the Court House last evening when it was unanimously decided to issue bonds in the amount of \$15,000 for the completion and equipment of the High School building. Not one dissenting voice was heard, but on the other hand there was an expression that if the School Board had the least doubt that \$15,000 would be sufficient a larger amount would be granted.

Chairman Bailey explained the call for the meeting, stating that \$40,000 had thus far been expended upon the building, and that the Board estimated that \$10,000 additional would be necessary to complete the structure, grade the grounds, lay walks, etc., while it would require \$5,000 for equipment.

Dr. B. Dalv, a member of the School Board explained that \$3200 had been expended for the grounds for the High School and that the bonds had been

sold in installments as the money was used, thus saving the district interest. "The building will be sufficient for a city of 10,000 population, and hence it is proper that it should be equipped with modern furniture throughout," said the doctor. He suggested that bonds be issued for twenty years redeemable in ten years at the option of the district.

On motion of V. L. Snelling, it was unanimously voted that such was the sense of the meeting, and W. Lair Thompson, V. L. Snelling and M. B. Rice were appointed a committee to prepare a petition to the Board to call a special election for that purpose.

Willits Gets Plum

Prof. J. Q. Willits has been appointed by the County Court superintendent of Lake county's schools, vice R. B. Jackson resigned. Mr. Willits' application for the position was backed up by a petition signed by 253 voters of Lake County. He is now busy at work in his office, having obtained a short leave of absence from his school at Adel.

COMMERCIAL CLUB DOING GOOD WORK

Gets Busy in New Quarters and Levies Assessment On Its Members

A well attended meeting of the Lakeview Commercial Club was held Monday night at their new location, above the Hall & Reynolds Drug store. A great many letters have been received by the Secretary from strangers who have heard about Lake County, and all of them were reported as being attended to in the way of supplying the information desired. The members of the club are making an endeavor to secure furniture and other necessities for the rooms they are now located in, and with that end in view an October assessment of \$1.00 has been called for from each member.

From Indiana

Elmer Howell, a brother of Edgar Howell, who some time ago was killed on his homestead near New Pine Creek by a boulder falling on him, arrived this week from Shelbyville, Ind. to make final proof upon his brother's claim and to settle his estate. Mr. Howell is quite taken with the West and greatly enjoyed his long trip out.

YOUNG MAN PASSES WORTHLESS CHECK

Alex Henderson of Bly, Thereby Secures \$100 --Held in Jail

Alex Anderson, a young man quite well known in this vicinity but whose home is at Bly, was arrested last week charged with passing a forged check of \$100 on Post & King. The check was made payable to himself and signed by W. L. Anderson, having been drawn on the First National Bank. After cashing the check Anderson left for Bly where he was arrested and returned to Lakeview.

His preliminary hearing took place before Recorder Wallace, who held him in \$500 bonds to appear before the Grand Jury. He was unable to furnish bonds and was committed to jail.

Pleased With The Hoag

Surprise Valley Record: Mr. Cutler, one of the reliable men of the Hoag mining district, was here several days during the past week. He informed us that much activity was evident in the camp, and that the Consolidated mill was producing gold bricks, and that good strikes had been made in several claims recently. He showed us a sample of ore that was simply "peppered" with gold. It came from a rich ledge in the Sunrise mine. Mr. Cutler is preparing to develop his property on which good assays have been obtained, and will sink a shaft several hundred feet on the ledge to find out what he has got and if indications warrant activity on a larger scale will be conducted there next year.

DEPOT SITE UNSETTLED

General Manager Dunaway Expects To Settle The Question Soon

Foot of Center Street Again Under Consideration, and If Chosen, Part of Grade Will Be Abandoned, Road Coming in Further West

T. F. Dunaway, General Superintendent of the N.-C.-O. Ry., or a representative having power to act for him will be in Lakeview in a day or so to definitely decide upon the location of the depot grounds. A few weeks ago the Examiner stated that a site at the foot of Center and Pine Streets had been tentatively agreed upon, and the word tentatively was used advisedly. Many objections were met with in connection with the proposed site, and now it is likely that the original location at the foot of Center street, next the fair grounds, is to again receive consideration.

It is well known that Chief Engineer Oliver favors the Pine Street location, and just what the result will be is a matter of much speculation. H. W. Drenkel has withdrawn his offer of a free right of way and depot grounds in his addition, and other complications have arisen which make it seem probable that it will be necessary for the railroad people to abandon some of the grade already constructed and come in to Lakeview further west.

The entire grade from Davis Creek to Lakeview is now practically completed and the steel gane Tuesday commenced laying rails around Sugar Hill. The railroad officials are anxious to commence work on the Lakeview depot at once, and it is likely that next week will see ground broken for the erection of the building.

To whom it may concern: Owing to the lack of appreciation, my free offer of ten acres for the depot site for the N.-C.-O. Railway, made some months ago, is hereby withdrawn. H. W. DRENKEL.

CATHOLIC LADIES TO GIVE DANCE

Box Supper Will Be Pleasant Feature of the Occasion

At a meeting of the Catholic Church committee, held Monday evening, it was decided to run an all-night dance at the Opera House on Wednesday, October 18. The money obtained will be used towards the completion of the new Catholic Church. The price of admission will be \$1.00 for gentlemen, and the tickets may be procured from members of the committee or may be obtained at the Opera House on the night of the dance.

A special feature is to be added in the form of a box supper. Each lady who comes, and all are invited, will be obliged to bring a box or basket containing lunch for two. Inside of this box she should place a slip bearing her name and at midnight the boxes will be auctioned off to the gentlemen present. The lady will then be given a chance to eat supper with the man buying her lunch.

A five-piece orchestra will be present and render music for the occasion, and as the committee members are all hustlers it is expected that a very large attendance will be present.

ADJOURNED TERM OF CIRCUIT COURT

Grand Jury Is Called and Several Indictments Are Soon Due

Judge H. L. Benson Monday convened an adjourned term of Circuit Court for Lake County in order to clear the docket so far as possible for the regular October term which convenes next Monday. The Grand Jury was called and has been investigating several criminal cases, and it is understood that two indictments will be returned tomorrow.

Silver Lake school district No. 14 has been having trouble over accountings with Nos. 24 and 25, which have recently been cut off from the former, and the result is that the former has been awarded \$1000 and the latter will arbitrate the matter.

There are a large number of witnesses in attendance and the October term will probably be the most expensive held in Lake County for some years.

ful work in and about Paisley as a physician, is about to retire. Last week he made tentative arrangements with Dr. Sheldon S. Thaver, formerly of Brownville, to take over his practice. Dr. Thaver is a graduate of the Medical Department of the University of Oregon and also of the Kentucky School of Medicine. He expects to be here very shortly to commence practice. Dr. Witham has reached the time of life when he feels that he has earned a rest and he now desires to devote his whole time to the care of his beautiful home on Summer Lake, the Whitehill ranch. Paisley owes much to Dr. Witham than whom she has never had a more public spirited citizen. We wish him many years of the peace and enjoyment that is certainly due him.

Enjoyable Dance

The Wizards gave their first dance of the season last Saturday night and were favored with an attendance of about thirty couples. The music was very good and all report an enjoyable time. The Club expects to continue these dances throughout the winter.

43 VOTES CAST AT PAISLEY ELECTION

Incorporation Carries By 36 Majority and 41 For Mayor

Paisley's election was held Tuesday of this week and the proposition of incorporating carried by a vote of 39 to 3. There were 42 votes cast and the number would have been much larger had it not been for the fact that many of the legal voters were here in Lakeview, having been summoned to appear before the Grand Jury. The officers chosen are as follows: Mayor—Chas. Campbell, who received 42 votes. Councilmen—V. Conn, M. C. Currier, Frank Cannon, R. B. Jackson, V. O. Morgan and P. J. Brattain. Treasurer—G. S. Park. Recorder—Al Farrow. Marshal—A. G. Clarkson.

Card of Thanks

We desire to tender our sincere thanks to the many kind friends and neighbors who lent their aid and assistance last week in endeavoring to find J. J. Watson who was reported lost on the headwaters of Camp Creek. Mr. and Mrs. H. H. HAHN, Mr. and Mrs. J. J. WATSON.

NORTHERN LAKE TO HOLD AN ELECTION

November Seventh Liquor Question Will Be Voted Upon

A special election to be held Tuesday, November 7, 1911, has been called in Silver Lake, Summer Lake, Paisley, Lake and Fort Rock precincts to determine whether the sale of intoxicating liquors shall be prohibited therein. At first it was thought that the special election held at Paisley Tuesday of this week would invalidate the election on the liquor question, but in considering the question later on it was ascertained that Paisley will not be an incorporated town until after the result of the November election is known.

It seems that after passing upon the election at Paisley by the County Court the matter has to be passed upon by the Attorney General before it becomes a full-fledged town, and therefore it was decided to grant the petition for the election to vote on the liquor question. As both the Silver Lake Leader and Chewaucan Post favor a license system over existing conditions, and they probably represent the wishes of a majority of the people in their respective sections, it is likely that the wets will again be in the majority. However, it is absolutely certain that they will know that they are having a scrap before the election is held.

Manuel Sanders and Warren Duncan were out on the desert last week and found range conditions excellent. The Green grass is coming on and the outlook is favorable for good feed during the coming Fall and Winter.

DR. R. E. LEE STINER SUCCEEDS HIMSELF

Reappointed Superintendent of Insane Asylum at Salem

Salem, Oct. 4.—R. E. Lee Stiner, superintendent of the Oregon State Insane Asylum, was re-elected to that position for another four years by the board of asylum trustees today, his present term expiring January 1, 1912, and his second four-year-term starting at that date.

Mr. Stiner was appointed when Governor Chamberlain, Secretary of State Benson and State Treasurer Steel formed the board. It was understood that Mr. Stiner was the personal choice of Secretary Benson, as they were close friends.

During troubles which arose during the last legislature, in which Dr. Stiner was attacked, the members of the State Board, including Governor West, State Treasurer Kay and Secretary Benson, warmly espoused the cause of Stiner, and were not backward in declaring that Stiner was being attacked purely through political motives.

This appreciation, which was shown Dr. Stiner by the members of the board, made it a foregone conclusion that he would be retained as superintendent of the largest institution controlled by the state. He will, in addition to his duties as superintendent of the central asylum, have much to say in the development of the Eastern Oregon Branch Insane Hospital. A superintendent probably will not be named for that institution inside of a year at least, and Dr. Stiner will have the principal dictation as to the apparatus and furnishings of the buildings.

Rinehart-Stone

A very pretty wedding occurred when Miss Myrtle Stone, of Valley Falls, became the bride of Clarence Rinehart, of this city. The ceremony was performed at the Methodist Church by Rev. M. T. Wire in the presence of a few immediate relatives and friends of the young couple last Sunday.

Both Mr. and Mrs. Rinehart are well known here, and their many friends join with the Examiner in wishing them a life of continued happiness and prosperity. They left Sunday by auto on a honeymoon trip to Alturas, Cedarville and other points.

Appreciates Favors

Mrs. Jonas Norin, through the Examiner, desires to thank her many friends who so kindly lent their assistance in her efforts to secure the auto in the Klamath Herald contest. While success did not crown her efforts yet nevertheless she greatly appreciates the efforts made in her behalf by the people of Lake County and sincerely thanks them for not only their words of encouragement during the contest but their acts as well.

HARRY MAPES OF ALTURAS IS DEAD

Lost On Mt. Shasta While Hunting With Comrade

Harry, son of Mr. and Mrs. C. W. Mapes, of Alturas, whose disappearance as mentioned in the Examiner a short time ago, has been found. The particulars being as follows: Word comes to town just as we go to press, says the Sisson Headlight of several days ago, that the bodies of Harry Mapes and Herbert Barr were found at the head of Mud Creek at 11 o'clock this morning, both dead. It is believed they perished the first night they were out, September 25th.

Matt Kohn telephoned the news to town and a rig has just left to bring the bodies to Sisson. Matt and Will Kohn and Bee Wilson found the dead boys lying together in Mud Creek canyon about a mile and a half from the head of the creek. They appeared to have been frozen to death, and the bodies were in good condition. The searching party is bringing the bodies out by way of Elk Creek road and should arrive here late tonight.
