## LAKE COUNTY ABSTRACT COMPANY

#### A Complete Record

We have made an entire transcript of all Records in Lake County which in any way, affect Real Property in the county. We have a complete Record of every Mortgage and transfer ever made in Lake County, and ever Deed given.

#### Errors Found in Titles

In transcribing the records we have found numerous mort-gages recorded in the Deed record and indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and most difficult to trace up from the records.

#### We have notations of all these Errors.

Others annot find them. We have put hundreds of dollars hunting up these errors, and we can fully gusrantee our work.
