Prize For a Name

The N.-C.-O. railway is offering \$500 for a name for their new townsite near New Pine Creek. The prize is a lot valued at \$500 in the new town. The Reno Journal of May 10 contained a half page ad of the offer, together with a coupon attached for sending in the name. Conditions of the offer require that but one name is to be submitted by any one person. The name must be in one word and the prize will be awarded to the one selecting the most appropriate name that best applies to the description and surroundings of the townsite.

The new site will be located on the line of the N.-C.-O. railway in the state of California and within a mile of the Oregon-California line. In the advertisement it is apparently taken for granted that the name of Goose Lake has been changed to Sunset Lake, as all mention of the lake is made in that name. It gives reason for this change because of the marvelous sky paintings at sundown and of the tranquility of the waters.

Persons who desire to enter the contest should address the Publicity Agent of the Nevada-California railway, 415-416 Clay Peters Bldg., Reno, Nevada.

Taft's Expenses Heavy

More money was spent in behalf of President Taft in the Oregon primary election than was expended for all other presidential candidates, including both parties. C. H. Williams, Taft's publicity manager filed the statement covering the amount of \$4339.32 as the Oregon expense, while Roosevelt's expenses were given as \$1524.65 and La Follette's as \$1,298.72. Democratic campaign expenses were as follows: Wilson, \$506.91; Clark, \$384; Harmon, \$163.78. According to these figures the expenditures for Taft amounted to \$461.20 more than the amount expended for all other candidates.

Tribute to Cartoonist

Harry Murphy cartoonist, of Portland, has paid the following tribute to Homer Davenport, the world renowned cartoonist:
"The death of Homer Davenport, the cartoonist, leaves a place that cannot be easily filled. His work had the characteristics which made his personality so attractive—the same large kindness and sympathy. For nearly twenty years Mr. Davenport's name has been, and rightly, first among American cartoonists."

ALTURAS PLANS SUGAR FACTORY

Strong Company Is Incorporated to Promote the Work

The Alturas Plaindealer says that articles of incorporation of the United Sugar Company of California were placed on file with the county clerk in Alturas last week. The incorporators of the company are Frank McArthur, E. Van Loan, C. A. Estes, G. F. Bigley and A. W. Torsen.

The purpose of the company is to acquire and cultivate lands and farms adapted to the production of sugar beets, and to operate factories and refineries of the manufacture of sugar and its by-products, and to carry on all business incidental thereto. The place of principal business and the home office is Alturas, California. The capital stock for the corporation is three million dollars divided into thirty thousand shares of a par value of one hundred dollars each.

Immediately upon perfection of organization a beet sugar factory of sufficient capacity to care for the product of the company's 20,000 acres of land will be erected at an estimated cost of from \$750,000 to \$1,000,000.

Enlarging Bank

That the First National Bank is to be no laggard when it comes to Progressive Lakeview is evidenced by the fact that yesterday work was commenced on clearing the lot in the rear of the bank building preparatory to erecting a two-story annex. The building will have a frontage on Center street of 48 feet six inches, with a depth of 42 feet, thus permitting of two good store-rooms. The upper floor will be used for office purposes. There will be a full basement, and the work will be in charge of I. A. Underwood, who is also superintending the construction of the Heryford building.

Today H. H. Riddels commenced excavating the basement, and the work will be prosecuted as rapidly as possible.

John Flook is in from Rock Creek and this morning reported the sale of his wool to Frank A. Rickey, buyer for Eiseman.

Commercial Club Doing

The Commercial Club met in its regular monthly meeting Monday night and after the transaction of routine business passed a motion that the Club heartily endorse the application of Postmaster Ahlstrom for additional clerical help in the postoffice, and directing the secretary to draft resolutions to that effect. A letter from the Alturas Chamber of Commerce was read, saying that the people of Shasta County, California, and that section of the state, are making an attempt to influence the California Highway Commission to construct the trunk line of the proposed state highway system from Redding up Pitt River, through the eastern part of Shasta County, Lassen and Modoc counties to the Oregon line, instead of following the Sacramento river by way of Dunsmuir and Yreka. Such an arrangement would be of great benefit to Lake County, as well as the country to be traversed, and while it would be useless and perhaps improper for Lake County to try to influence the California authorities in favor of this plan, it would certainly be gratifying to see it adopted.

Miss Bieber Honored

The San Jose, Cal., Mercury and Herald, of April 21, contains the announcement of Miss Dorothy Bieber, daughter of Mr. and Mrs. A. Bieber of this city, who is attending the King Conservatory of music having been chosen to render a piano selection at a social in that city. Miss Bieber played "Norwegian Sketches" which is a classical and considered to be a difficult piece to play. The program was very short and the fact that Miss Bieber was chosen upon this occasion, demonstrates the efficiency of her ability as well as the talent she has attained by the diligent pursuit of her studies in music.

Mothers' Day Services

The second Sunday in May is usually observed by the churches as Mothers' Day, but the Presbyterians postponed their service because of Mr. Grigsby's presence with them. This service will be held next Sunday morning, and will include special music by the choir, exercises by little girls of the S. S. and an appropriate sermon. Mother is a sacred name to all. Let us then remember this day as a tribute to her, whether she is still with us or has passed beyond, and wear for her a white carnation or other flower. Service also at 8 P. M. All are cordially invited.

FUNERAL OF MRS. EMELINE LINVILLE

Sorrowing Crowd Followed Body To Last Resting Place

The remains of Mrs. Emiline M. Linville, an account of whose death occurred in last week's issue of the Examiner, arrived in this city last Thursday evening and were tenderly laid to rest in the I. O. O. F. cemetery Friday afternoon. The body was met at the train by a host of mourning relatives and friends and the sad obsequies were performed over the body of the highly honored lady by earnest friends who were eager to add some touch or make some heartfelt demonstration in memorial to the fond remembrance of one they loved. The funeral services were conducted from the Methodist church, of which denomination she was a sincere member. Rev. Melville T. Wire rendered a very impressive sermon over the body before its departure for the cemetery, where it was followed by a throng of people.

Mrs. Linville's life was a splendid example to our coming generation, and we who knew her and appreciated her pure qualities, can but bow our heads in humble submission to the inevitable which has deprived us of one of our most cherished citizens.

The following taken from the Morning Register, published at Eugene, Oregon, contains a correct account of the life and relatives of Mrs. Linville: "Died, Monday, May 6, 1912, at 4:30 A. M., at the home of her brother, Isaac E. Stevens, at 474 1/2 Pearl street, of heart disease, Mrs. Emiline E. Linville, aged 71 years, 1 month and 21 days.

"Deceased was born in Polk county, Missouri, March, 1841. In 1847 she came with her parents, Mr. and Mrs. William M. Stevens, across the plains to Oregon by an ox team and has spent her life in Oregon. Her early life was spent in Lane county and she was married to L. G. Linville in 1857. They moved to Lake county in the 70's and she has lived there ever since. She leaves her husband and eight children who live in Oregon and California, besides one brother, I. E. Stevens, and two sisters, Mrs. Sarah J. Armitage of Eugene, and Mrs. Mary E. Thompson, of Laquintos, Cal., who was here

at the time. These sisters, who had not seen each other for 40 years, planned this visit to Eugene for some time and they were all enjoying it to the extreme and were making daily trips to visit their acquaintances in this part of the country.

"They had planned visiting Mrs. Stevens near Springfield on Monday. Early in the morning Mrs. Linville, who was sleeping with Mrs. Thompson, waked up and complained of being sick, saying she could not breathe well. Mrs. Thompson got up and tried to do something for her. Mrs. I. E. Stevens bearing them up and moving about up

stairs, arose and went up and said she would go and get some medical care for her, but Mrs. Linville insisted she would go down stairs with her. They all went down together and when they got to the first of the stairs, Mrs. Linville dropped into a chair and expired. Mr. Stevens quickly called a doctor but when he came it was too late to do anything for her.

"Her nephew, Frank Armitage, started with the remains via California for her home at Lakeview. Mrs. Thompson will remain for a week or two yet. The shock to her friends is very great."

TALK TO YOUR HORSE

about harness. Ask him what kind of a saddle or bridle he prefers. In his own way he will tell you that our saddles, bridles, etc., are the most comfortable to be had. They are as good for you as for him, too. You'll know the minute you jump into one and grasp the other. Want us to prove it?
