## CHAPMAN PARTY VERY GRATEFUL

Says They Are Boosting For Convention and Praises Hospitality

Following is a copy in part of a letter received in Lakeview from Mr. Chapman, secretary of the Portland Commercial Club, the tenor of which shows him to be of very grateful nature. By this letter it is plain to see the interest that is being aroused among Oregon's people over Lakeview's Meeting, and a large percentage of these results have been accomplished by the hard work of just

such men as C. C. Chapman: Portland, Oregon, July 29, 1912. "Dr. E. D. Everett, Secretary Commercial Club, Lakeview Oregon.

Dear Sir: "Through you I desire to extend to the Lakeview Commercial Club and the people of Lakeview, the thanks of our organizations for the many courtesies shown our Pathfinder party on its recent trip to your city.

"The interest manifested by your active spirits was very much appreciated. Those who were fortunate enough to be entertained at the home of Mr. Guy Rice are especially grateful, and thanks are also due to Mr. W. Lair Thompson and others who took their cars or accompanied the reception delegation which met us in the Warner Valley on the way to Lakeview

also to Mr. V. L. Shelling who took his car with us all the way to Klamath Falls. Without his sacrifice of time and expense, we could not have reached our destination in time. Mr. Guy Rice should be thanked for having accompanied him and Mr. Shelling for having accompanied Mr. Beck in the Portland Auto Club Pathfinder's car. We have not yet learned whether Mr. Snelling has ever returned to Lakeview. From the spirit he has shown, it would appear as though he could be counted upon at any time and all the time to make whatever personal sacrifice is necessary towards the success of the Lakeview Convention and to assist in the development of Central Oregon.

"We can not advise you as yet as to the number who will go from Portland but the interest we found all through Central Oregon is very keen, and is having its effect on our Portland people. The Lakeview Convention bids fair to be a memorable success. Its value to Lakeview is inestimable. We are advising the Convention in the City of Lakeview, and Goose Lake Valley, and your hospitality in a way that would make your citizens blush with pride.

"We will keep in touch with Mrs. Kinehart and other members of your entertainment committee, and also with your newspapers.  
 "Cordially yours,  
 "C. C. Chapman."

## BOY MEETS WITH SERIOUS ACCIDENT

Jimmy Noble Injured By Mowing Machine and Arm is Amputated

Last Tuesday the entire community was shocked to hear that little Jimmy Noble, five years old, son of John and Julia Noble of the West Side, had fallen in front of a mowing machine and had his left arm so badly mangled that it was later amputated. The accident happened while the team was being hitched. The boy was standing near the team when the horses turned knocking him down and under the tongue upon the sickle bar, and though moving out a few steps, cut the arm in several places above the elbow. It happened in the XL meadow and W. R. Bernard

## THE PATHFINDERS ARE ENTHUSIASTIC

Special From Portland Says Rose City Will Send Large Delegation

Portland, Aug. 5.—Pathfinders who went over the route to be followed from Portland to Lakeview for the convention of the Central Oregon Development League August 20, 21, and 22, returned full of enthusiasm for the country they found in Interior Oregon. C. C. Chapman, Secretary of the Oregon Development League, says that portion of the state is developing rapidly and that the settlers are prospering.

Secretary Chapman says Central Oregon will welcome the Portland excursionists with open arms when they come to Lakeview in August and each town is preparing a warm welcome.

He says the journey down through the interior will be one long to be remembered and that all Portland people who can, to learn more of their state, should participate. From indications, there will be a large party go from the Rose City.

## Rates Will Be Granted

Dr. E. D. Everett, secretary of the Lakeview Commercial Club, has been advised by E. L. Lomax of the Western Pacific, that his line would give round trip rates on all points west of Doyle for the benefit of the Development League Meet. Round trip fares from San Francisco will be \$24.40; Stockton, \$23.15; Sacramento, \$21.15.

A letter from J. M. Fulton, of the Southern Pacific also states that he has taken up the matter with H. V. McNamara, of the N. C. O. in an effort to conjunct with that line in making round trip rates through to Lakeview, but if this could not be arranged a liberal reduction would be made on their road to and from Reno.

hurried to town and sent Dr. Smith out. The Doctor brought the parents and the boy to town in his auto, upon examination it was found impossible to save the arm. Dr. Everett assisted in the amputation. The boy and parents have the sympathy of all.

## RENO EXCURSION SEPT. 1 PROPOSED

Will Give Citizens Opportunity to Witness an Unusual Attraction

The Big Barnum-Bailey Circus will be in Reno, Nevada September 2 and in order to give people of this section an opportunity to see this grand and unusual attraction Agent Class of the N. C. O. informs us that they are contemplating running an excursion train from Lakeview to Reno Sunday, September 1st, with a round trip enroute of \$10. The time limit for return has not been fixed but ten days will probably be allowed.

This arrangement is, however, tentative owing to the fact that at this reduction in rates is so material that it will take a fair sized crowd to make the venture justifiable. It would be conferring a favor to the management of the road if those who consider taking the trip would notify Mr. Class in order that all preparations could be made for the excursion.

## Taft Formally Notified

President Taft was formally notified August 1, of his nomination by the National Republican convention at Chicago.

Surrounded by his family and friends in the historic east room of the White House, the President received from Senator Elihu Root, of New York, chairman of the committee of notification, his first official information of the convention's action.

"Your title to the nomination is as clear and unimpeachable as the title of any candidate since political conventions began," said Root at the notification.

"I accept the nomination which you tender," replied President Taft, beginning his speech of acceptance. "I accept it as an expression of confidence that in a second administration I will serve the public well.

Moving picture films were taken while Senator Root and the president were talking, it being the first time a moving picture has ever been taken in the White House.

## WEST SIDE'S FUTURE

Cognized from first page  
 and many expressions of gratitude. After accumulating this knowledge, he personally sought out and made a study of various conditions and began farming on a large scale, according to his own ideas. And he made it pay.

Since his first venture in Goose Lake real estate he has amassed the neat sum of over 700 acres of land, that practically all lays in a body on either side of the Oregon-California line. When purchasing this land the majority of it was in its virgin state and covered with sage brush, and as an example of his progressiveness this year has in something over 600 acres of grain. And some of this land he has owned less than one year. A crew is now busy with a self-binder harvesting 150 acres of Fall sown rye that gives all indications of a bountiful harvest.

He has 150 acres of oats that were sown in May. This stands thick on the ground, is strong of stem and leaf, and a practical farmer has conservatively estimated it to go better than 50 bushels to the acre. One hundred and thirty-five acres of winter wheat on this productive ranch is awaiting the harvester, that will yield at least calculations 20 bushels to the acre. Mr. Hanson sowed 50 acres of alfalfa last Spring and this too has developed into a good stand, and is growing prolifically. His waving barley held of 140 acres looms up with all the air well betting prosperity and this crop alone will reap a nice sum that means several dollars in the pocket of its producer.

And during the short time of all these attainments Mr. Hanson has not been too busy to provide means of luxury which make life pleasurable. On the beach of the beautiful waters of the lake within a stone's throw of the dooryard, a bathing resort has been fitted up where one can prattle in the limpid waters or take advantage of boating in a gasoline launch that ever lies in waiting for this pastime. The shore here is ideal for bathing and swimming purposes as the dry sand reaches up to the waters edge and the bottom gradually stretches out to any depth you may desire.

At this home, which is a veritable wonder, where reigns Mr. Hanson and his estimable wife, a warm welcome awaits alike the traveler, wayfarer or neighbor, and the host and charming hostess have made it one of credit to the valley.

On the return a brief stop was made at the J. C. Oliver place and again the visitors eyes were greeted with a pleasant surprise at the success that is being made in carving a comfortable home out of a former wilderness and converting sagebrush land into waving grain fields, productive gardens and a promising orchard. Mr. Oliver is another who has met with success and will meet the turning tide of life possessed with a permanent income and a home of which anyone would be proud.

Along the road the grain fields of L. A. Carriger, Mose Hart, Wm. Carter, G. D. Arthur, Jas. McDermott and others and the homes these people have builded, affords ample proof of what may be done with the thousands of acres of idle land that is sorrowfully awaiting the hand of the farmer.

## New Party Convention

The national progressive party, of which Theodore Roosevelt is sponsor, is now in session at Chicago. The first two days, August 5 and 6 were practically taken up in perfecting a temporary organization and yesterday permanent work was to begin when Mr. Roosevelt was to be made a candidate for president of the United States for his own party. Senator Beveridge was made temporary chairman. It is quite likely that Governor Hiram Johnson of California will be chosen for his running mate.
