Attention is Called

The Mother's Club of Lakeview desire to call the attention of the public to the following laws of the state of Oregon with reference to minors. (Condensed from Lord's Oregon Laws.)

Section 2142. It is unlawful to give or sell intoxicating liquors to a minor, to allow a minor to loiter or remain in a place where intoxicating liquors are sold, or to permit a minor to engage in any game of cards, dice throwing, or other game of chance, billiards, bagatelle or other game in such place.

This repeats the law allowing the parents to give consent.

Section 2144. A penalty is assigned for any minor who misrepresents his age in order to obtain liquor.

Section 2145. It is unlawful to permit a minor to engage in a game of cards, billiards, pool, bagatelle, dice throwing, or other game of chance in any cigar store, saloon, public billiard or pool room, soft drink establishment, or other public place of amusement.

Section 2146. A penalty is assigned

for any minor who misrepresents his age in order to be allowed to play any of the above games in such places.

Section 2148. It is unlawful to sell or give tobacco in any form to a minor under the age of eighteen years without the written consent of the parent or guardian of such minor.

Section 2149. It is unlawful for a minor under the age of eighteen years to use tobacco in any form in public.

Parents cannot give consent for the violation of any of these laws.

The Mother's Club solicits the aid of all citizens in enforcing these laws.

Card of Thanks

We take this method of thanking the many friends of the family who responded so cordially during the illness and death of our son, Chester Wendt. To the Christian Sunday school especially we are grateful for their work and to everyone who assisted us we wish to graciously thank.

Mr. and Mrs. Henry Wenot.

Notice to Contributors

The general committee appointed to take charge of the Central Oregon Development League Convention desire all contributors to the fund, subscribed to defray expenses of the meeting, and especially all chairmen of sub-committees to be present at a meeting in the court house next Wednesday night, September 18.

W. LAIR THOMPSON, Chairman
General Committee.

Prior to her departure for Chicago, the Ladies Aid Society of the M. E. church tendered a farewell reception to Mrs. Walter Dyer at her residence. Refreshments were served and a pleasant time enjoyed by all. Mrs. Dyer was presented with a silver berry spoon and ladle. Those present were Mesdames Dykeman, Combs, Foster, Leonard, Angstead, J. E. Bernard, T. E. Bernard, W. R. Bernard, Miller, Arthur, Pratt, Glazier, McKenree, Harris, Cronemiller, Russell, Warren and Woodcock.

Forest Service Telephone

Considerable work is now being done by the Forest Service towards the construction of a telephone line from Thomas Creek through the Chewaucan country, and which will eventually be extended north to Silver Lake. A crew of men is on the ground working north from the Grasshopper Ranger Station. Number 9 wire is being used with split tree insulators, this material having proven the most satisfactory for a rough country such as is traversed by the line in question. The work is in charge of Supervisor Brown, of the local Forestry office, and Jason S. Elder, Forest Ranger, whose headquarters are at Paisley.

Stage Robbed

Word was received here the first of the week that the stage between New Pine Creek and Ft. Bidwell was robbed near High Grade and the loot secured about \$125 in money. It is said that Sheriff Smith of Modoc county is close on the landlits trail.
