### SUFFRAGETTS HOLD INITIAL MEETING

Audience Addressed By  
Hon. Henry L. Benson  
and Hon. B. Daly

Lakeview had its initial experience with Woman Suffrage movement here Tuesday evening when the first public meeting was held to espouse the cause. The meeting was held in the court house and the spacious court room was taxed to its utmost capacity. The audience was addressed by Judge B. Daly, of this city and Hon. H. L. Benson, of Klamath Falls.

Both speakers made eloquent arguments on the topic, and the large audience present witnessed a most active rally for the liberation of woman's bondage at the Oregon polls.

Register A. W. Orton, of the land office presided over the meeting, and while he professes to be a reasonably young man, emphatically stated that he had been a staunch admirer of woman suffrage, and especially woman, for so many years that he almost lost all the admiration of the fair sex that it has taken him so many years to gain.

Your wife will be too greatly interested in woman suffrage on election day to prepare your dinner. The M. E. Ladies' Aid have overcome that obstacle by arranging for a public dinner to be given in the L. C. I. C. room, Center street.

### REBELLION LEADER IN MEXICO PRISON

Capture of Felix Diaz Is Thought Will Relieve the Situation

Felix Diaz, leader of an abortive rebellion against the Madero government of Mexico, together with 2,000 followers was captured last week at Vera Cruz. It was first announced that Diaz, his staff and one out of every ten men of his command would be shot. That meant about 200 executions. However, later information states that President Madero will spare the life of Diaz, decreeing that he be imprisoned and not shot. It has not been announced how long he will be imprisoned.

It is believed that the defeat of the forces of Felix Diaz and capture of that latest of Mexican revolutionists and his staff brings the prospect of peace in Mexico nearer than it has been for many a day. President Taft has been seriously considering the calling of a special session of Congress to determine as to whether the time was ripe for intervention of the United States. It is quite likely that news of the Diaz capture will prevent this step, at least for a while.

Alturas Plaindealer: We are informed that Bert Spicer has sold his ranch on Rattlesnake, a few miles east of Alturas. The purchaser is H. H. The sale includes 250 head of cattle, with farm machinery, horses, etc. The land was sold at a bargain, as the ranch is one of the best and most desirable in the county, and consists of 12,000 acres of farming and meadow land.

were called upon by the toastmaster, to deliver short talks, were: Attorneys Reutnic, O'Neill and John Irwin, of Klamath Falls, and John Bayne, of Salem.

The subject of remarks from the attorneys, as the program suggests, varied widely but each was full of interest and many were inspiring. The speeches sparkled with brilliancy and afforded a glow of interest for the guests. The social benefit for the legal fraternity was apparent. In all it proved a very successful as well as joyful banquet, and all departed with the sincere hope that it would not be twelve years before the third occasional banquet of the Circuit Riders.

promise. In time the uncle extended young Snider's responsibilities to a partial interest in the trading post at Camp Harney, then in Grant County, and hither the nephew went in May, 1870 to assume the management of the new business. This store being sold out in 1871 and another one started at Fort Vancouver, Charles U. assumed the management of the latter in July, 1871, and in 1872 became manager of his uncle's store at Willow Ranch, Cal., six miles south of the Oregon State line. He was frugal and industrious, and in 1874 became part owner in the business, and in April, 1876, the firm of A. & C. U. Snider established a ranch store in Lakeview. In 1883 the firm dissolved partnership and discontinued the store at Willow Ranch, Mr. Snider at that time engaging in the mercantile business for himself in Lakeview. In 1885 he disposed of a half interest in his business to G. P. Lovegrove, and until 1890 the firm of Snider & Lovegrove conducted one of the most prosperous mercantile establishments in this County. Mr. Lovegrove then became sole owner of the business, Mr. Snider turning his attention to his position as receiver of the United States Land Office at Lakeview to which he was appointed by President Harrison. His term of service expiring in 1894, he again returned to merchandising. October 12, 1903, he was again appointed receiver of the United States Land Office, after which he closed out his merchandize business, and subsequently built the popular opera house known by his name and which was destroyed by fire early last Spring. Shortly afterwards he erected another opera house, and has always been foremost in the advancement and upbuilding of Lakeview. He was also possessed of one of the finest homes in Lakeview, as well as other business
