## AVOID SEDATIVE COUGH MEDICINES

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough cold. An expectorant like Chamberlain's Cough Remedy is what is needed. That cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.

Philippine Who Can Climb Trees in Monkey Fashion.

Photo by American Press Association.

Young students who are interested in the history of our country are aware that when the United States assumed jurisdiction over the Philippine Islands many strange tribes of people came under the rule of Uncle Sam. Some were civilized and law abiding, but many could have been classed under the head of "undesirable citizens." Indeed, some of the tribes were little better than savages. Under Spanish rule these people were given no opportunity to improve their condition, but since Uncle Sam took charge schools have been established, and even the wildest tribes are learning the arts of civilization. Among these are the Igorrotes, a tribe of Luzon, who were among the wildest of them all. Recently a tribe of sixty of these queer people were on exhibition in London. Among their accomplishments is that of being remarkable toe dancers, metal workers and experts at tattooing. Both men and women are expert spear throwers, and the picture shows that they can climb trees with as much ease as monkeys.

## MAY PROVE FATAL

When Will Lakeview People Learn The Importance Of It?

Backache is only a simple thing at first; But when you know 'tis from the kidneys;

That serious kidney troubles follow: That dropsy, Bright's disease may be the fatal end.

You will gladly profit by the following experience.

'Tis the honest statement of a sufferer who was cured.

F. W. Gray, 507 Palm St., Medford, Ore., says:

"A few years ago my kidneys began to bother me and the trouble was aggravated by my occupation which requires me to be on my feet the greater part of the day. When I began work in the morning I felt right, but after I had been on my feet for a couple of hours my back began to pain me and at night I would be scarcely able to straighten. In some way I heard of Doan's Kidney Pills and began using them. They cured me in a short time, and in return, I am pleased to recommend them.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

## LAKEVIEW DRUGGISTS DESERVE PRAISE

Hall & Reynolds, druggists, deserve much praise from Lakeview people for introducing here the simple buckthorn bark and glycerine mixture known as Adler-Lka. This simple German remedy first became famous by curing appendicitis and it has now been discovered that A SINGLE DOSE relieves sour stomach and constipation INSTANTLY. It is the only remedy which never fails.
