Lakeview, Oregon, Thursday, February 13, 1913

to make the Governor the whole thing custom of sending on this date letters bere in Oregon whenever it suits his containing confessions of love and sweet will may in time come to affection. prove a boomerang. To give the Governor the power to suspend an officer from his duties for even a few days is setting a dangerous precedent, for we are set in our opinion that the officers. of Lake county, for instance, are more qualified to judge as to the proper duties to be performed in our local Government than is the Governor, who would necessarily have to act on second band information. If any officers and Odd Fellows lodges and for the inshould be derelict in the performance of his duty it is an easy matter to comschool. pel him to make good. The great trouble is that we as individuals do not care to assume any responsibility in such cases, but prefer to sit back

and howl about such and such an officer not performing the duties imposed upon him by law.

The Oregon Legislature may have no sensionial holdup but how about the State Printer? Nearly every Legislative Assembly during the past quarter of 40 days two years ago. The record of object of interest to many tourists, as a century has attempted in some way to regulate the requisites of that snything in the line of propo ed legis- inasmuch as the rings appear brighter office, but up to the present time no lation in the history of the state. progress has been made. A few years ago a great bue and cry was raised because of the exorbitant fees paid for the State printing, and the present if some of the clas-ifications the State Printer owes his success to that sort of a campaign. He is now fighting to continue the same fees that have awlays been paid, evidently believing that he can be elected for a third term to fifty pounds is suggested in the two years hence. Thus far he has been able "to catch 'em a coming and a going," with prospects favorable for another victory over the present Legislature.

Hon. B. St. George Bishop, of Klamath, who was the Democratic candidate for Representative in this district two years ago, is now an applicant for the position of United States Marshal for Oregon. "Bish," as his personal friends call him, is a prince of good fellows, and his apprintment would meet with the hearty approval of a stage have arrived and will be put in very large majority of the pepople of place just as soon as the work can be this scetion of the State. Of course, done, he has a number of political enemies, but it is a case of "no love lost," for the school took advantage of it in part people know where he stands, and as a afternoon as a play spell. natural consequence he is always treadone's feet as it

The bill now before the Legislature gut to couple, hence perhaps arose the

house bill granting 10 1-2 acres of the the Peabody Museum at Harvard. old Fort Bidwell military reservation, including the cemeteries where lie terment of soldiers and Indians. The reservation is now used for an Indian

With sojournment last Thursday, the last day for introducing bills in still more interest to the story of D. either house of the Legislature without Hallock is the fact that there is among the consent of three-fourths of the the Klamath Indians a legend to the members, 325 bills had been introduced effect that the Ark landed on the east in the Senate and an even 600 in the side of Upper Klamath Lake. The House, or a total of 925 bills for the session. This is just 200 more tills rocks, just below the alleged landing than were introduced during the entire place. The panted rings have been an the present Legislature is way ahead of well as people living in that vicinity,

After a month's trial the suggestion comes from the Postoffice Department that the parcel post should be improved. rates are higher than need be, and better to serve the purpose for which the parcel post was created the eleven pound limit should be raised, possibly Post Master General's report.

High School Notes

Archaeologist Says Cain Was Early Neighbor of Ours

Will Dr. Charles Hallock, a noted archaeologist of Boston, go down in history alongside with Peary and Amundsen, or will he te classed with Dr. Cook? The gentleman has just learned that Cain the son of Adam, established the first city in America. near Klamath, Or., and that it was to this city, called Enoch, that the people of Asia fled in part to escape the flood,

is the assertion of Charles Hallock, The U. S. senate has approved the Ph. D., an archaeologist, in a report to

The region about Enoch was known throughout tradition as the Land of buried the victims of the Modoc Indian | Peach. It was a communal settlement. war, to the Fort Bidwell People's; Great personal fortunes were divided Church Association, to be used as a among the laborers. Just before the cemetery, and to be held in trust for deluge, Dr. Hallock says the discovthe town of Fort Bidwell, the Masonic erles show many routes extended out from the city, and gold probably was brought up from California. Bones of many extinct animals, from

the mastadon to the twotoed horse, have been found throughout this whole section of the State, and what adds spot was marked by painted rings on at certain times than at others, owing perhaps to atmospheric conditions, Aside from the legend the Indians profess entire ignorance of the rings, inasmuch as they have "always been there." The location of the right is on a point of rocks about a mile and a half or two miles along the lake shore before the wagon road leaves the shore and goes across to Williamson River. Or at least such was the case lake.

The writer has known of the legend concerning the landing of the Ark for a number of years, but never attached any significance to it. However, the dicsovery of Dr. Hallock lends additional interest to the question, and perhaps still further research will establish the fact that the Land of Cain
