N.-C.-O. RY. WILL AID CEDARVILLE

Road Will Establish Auto Truck Line Over Cedarville Pass

Cedarville Record: We received a letter last week from H. V. McNamara, traffic manager of the N.-C.-O. railroad, in which he states that the N.-C.-O. expects to operate auto freight trucks between Surprise Station on the N.-C.-O. and Cedarville, commencing about April 15th if the roads will permit. They expect to make low rates on farm products, such as grain, hay and wool, from Surprise Valley points to Cedarville at cost, in order to create tonnage. The teaming Station will be reduced, and daily service will be installed with headquarters at Cedarville, which will permit the truck to leave Cedarville in the morning and meet freight trains at points on the line and returning to Cedarville in the afternoon which will make the delivering of freight in practically the same time as made at the railroad points.

This will place Cedarville, in a way as being practically on the railroad and will make transportation of freight much quicker than heretofore.

SHEEPMEN COOPERATE

Continued from first page
ed each member to maintain the expenses of the association. The regular meetings will be held on the first of March each year, which will be an opportune time for the growers to discuss conditions that naturally arise prior to the lambing and shearing seasons. good many of the sheepmen of the county were unable to attend the meeting and thus far only about thirty members have joined, but it is expected that this number will be increased to at least 100 before the next annual meeting.

Stock Shipments

One of the last big shipments of cattle, sheep and horses from Lorella ranches this season went forward lately when Mr. Louis Gerber loaded and started five carloads of steers and mutton to Sacramento. The cattle were loaded at Midland Mr. George Manning sent two carloads, forty-five head, of fine geldings to Stewart & Co., horse dealers of San Francisco, at the same time.

Messrs. Gerber and Manning will make their final shipment of the season within two weeks.

Messrs. Swanson, Gerber, Bloomingcamp, Barrows and Manning have purchased more than 5,000 tons of hay in the Merrill country within the past few months.

Good Painting Job

That which proves a splendid advertisement for the Lake County Decorating Company, of which Alfred Boorse is manager, is the character of work done in the new Herystord building. All the painting, graining and staining in the building was done by and under the supervision of Mr. Boorse and the work speaks for itself. The class of decorations especially in the Elk's club rooms as well as throughout the entire structure has been a source of much commendation by admirers. No portion of the work shows any sign of being slighted and the job will doubtless prove a good advertisement for Mr. Boorse's work.—Adv.

Haystack Fire

A hay stack on the T. B. Vernon ranch a few miles south of town caught fire Monday evening and was completely destroyed. The fire started from a trash pile that was burning near the stack, and it being near the barn and other out buildings, was considered fortunate that the loss was no greater. There were about thirty tons of hay in the stack. Passengers on the train that evening saw the blaze and for a time it was thought that it was caused by the burning of a building.

SENATORS READY TO FILL OREGON JOBS

Lane and Chamberlain Have Long Lists of Recommendations

Senators Chamberlain and Lane have agreed on practically every Oregon appointment except a few postmasters, which will be considered later, and have forwarded their recommendations to the president. They say that they would consider it discourteous to the president to make public the names they approved, but declares that they sought to recommend the best men available, regardless of weight or endorsement or even of their personal friendship.

Chamberlain has sent to the attorney general all applications, letters of endorsement and petitions received by him in behalf of the following named candidates for positions in Oregon under the jurisdiction of the department of justice. For United States District Attorney—Albert Abraham, Roseburg; Bert E. Haney, Portland; J. M. Hart, Portland; Gilbert E. Hodges, Oregon City; Claude McCulloch, Baker; Turner Oliver, LaGrande; Clarence L. Reames, Medford; J. D. Slater, LaGrande; Isaac Swett, Portland; Oglesby Young, Portland.

For United States Marshal—R. B. Beattie, Oregon City; N. Berkeley, Pendleton; B. St. George Bishop, Klamath county; H. L. Brown, Eugene; W. H. Canon, Medford; C. M. Collier, Grant county; J. E. Cronan, Ione; H. Y. Dean, Grants Pass; H. L. Fenton, Dallas; L. L. Gribble, Aurora; J. A. Grussi, Portland; Mark Holmers, Rickreall; D. L. Houston, Portland; G. W. Lawhorn, Portland; Hugh McLain, Marsfield; Edward Rand, Baker; J. N. Rice, Clatskanie; D. T. Matson, Portland.

He also sent to the secretary of the interior applications of the following candidates for surveyor general of Oregon: Sleh Catlin, George Garritt, R. W. Hagood, E. G. Worth, John A. McQuinn, all of Portland; D. V. S. Reid, Lebanon; P. L. Young, Bend.

He also sent to the secretary of the treasury in connection with collector of customs at Astoria the application, indorsement, petition of Charles V. Brown, W. C. Logan, J. P. McCrea, C. J. Trenchard.

LAKEVIEW ENTERTAINED

Continued from first page
Among those in the party were: Frank P. Light, known to his fellow townsmen as "Old Silver Tip," L. F. Conn, V. L. Snelling, O. T. McKendree, E. H. Smith, L. Senger, J. F. Hanson and chauffeur F. K. Hayes of Reno.

Before departure, three cheers were given on C street for Virginia City and a "bunch of good fellows." Each and everyone of the visitors went away a booster for the Comstock, declaring their surprise and wonder at the fine work being carried on here and the excellent prospects existing and noted in the deep levels.

Tourist Circle

The Tourist Chautauqua Circle will meet Monday, April 13th, at 3:15, at the residence of Mrs. Chas. Reynolds. Program: Roll Call, current events; "Francis Joseph the Emperor King of Austria-Hungary," The Chautauquan, "European Rulers VII," Mrs. Thos. S. Farrell. Introduction, Sigwick's "Home Life in Germany," Miss Pearl Hall.

Chautauqua Circle

The Lakeview Chautauqua Circle will meet at the home of Miss Mabel Snelling Monday evening, April 14. Program as follows:

Subject—Sigwick's "Home Life in Germany," chapter II, "Children," Mrs. L. Vanderpool; chapter III, "Schools," Miss Gertrude Vernon; chapter IV, "The Education of the Poor," Mrs. J. D. Venator.

Sweet Pea Carnival

Everybody is interested in making the city beautiful. The Ladies' Aid of the Methodist Church has planned for a Sweet Pea Carnival to be given when the flowers will be at their best. Let everybody plant Sweet Peas for the contest. Premiums will be given for the best exhibit. Who will get them? You try.

Direct Election

Washington, April 8.—Direct election of United States senators became one of the provisions of the constitution today by Connecticut's ratification of the amendment to that effect.

Thirty-six states, the requisite three-fourths, have approved the change. It remains only for governors of all states which have acted favorably to formally notify Secretary Bryan and for him to issue a proclamation announcing the change.

The amendment to the constitution is the second within the last few months.

J. E. Harper came down from Paisley Saturday on a brief business visit.

SECOND ASPIRANT FOR LAND OFFICE

Present Incumbent, Register Orton, Applies for Reappointment

Who is to be the next Register of the United States Land Office at Lakeview is a question that is becoming quiet interesting, now that the present register Hon. A. W. Orton, has made application for reappointment. The position pays \$3000 annually, and hence considered a very desirable political plum. So far as known there are but two applicants for the position, Prof. J. F. Burgess and Mr. Orton, the former having been reported as being endorsed by the regular democratic organization. It was understood that Allen Sloan, of Klamath Falls, was also an aspirant for the position, but nothing has been heard recently relative to his candidacy, and as he has not yet forwarded his application to the Oregon Congressional delegation it is presumed that he has withdrawn from the race.

Mr. Orton was appointed to his present position from Portland on the recommendation of Senator Bourne, the date of his commission being May 29, 1909, and hence his term expires next month. It is understood that Mr. Orton's standing with the Department is excellent, and inasmuch as he was a member of the Oregon Legislature at the time Senator Chamberlain was elected, and a staunch supporter of Statement No. 1, it is not at all improbable that he will be reappointed. However, now that he has made application for reappointment, it is quite likely that the Democratic supporters of Prof. Burgess will get busy and move "Heaven and Earth," as it were, to land him in the coveted position.

There are rumors abroad, however, that there is at least one other candidate willing to shy his hat into the ring, and in three-cornered fight it would be hard to guess the winner.

ELKS INVADRE RENO

Continued from first page
B. P. O. Elks and candidates were entertained, feasted and feted by Reno lodge in their beautiful home on the banks of the Truckee. After the installation of officers, initiation of the twelve candidates for Klamath Falls lodge and regular work completed all repaired to the banquet room where several hours were spent eating, listening to witty toasts and enjoying the revelry in general. To say that the visitors appreciated the courtesies and kindnesses that were accorded them by the Reno lodge is putting it very mildly. Their hospitality and good fellowship will never be forgotten.

And by no means were the Elks alone in extending the hand of welcome, for this was met on every corner. The visitors left with a warm spot in their hearts for the treatment received from their neighbors; a good word for Reno, and a longing hope for a return trip in the near future.

Prizes for Work

The Ladies Civic Improvement Club will give prizes this coming summer for home and city beautifying, as follows: The best kept lawn, \$5.00; the best new lawn, \$2.50; best flower garden, \$5.00; the best sweet peas, \$2.50. The prizes will be awarded by judges who will make their decisions as to the winners when the lawns and gardens are at their best. For the lawns this will probably be in July while the winner of the sweet peas contest will likely be decided in August.

This is a very commendable step on the part of the Ladies' enterprising club and should be an incentive for the people to enter the contest with a spirit and thus labor for individual benefit as well as public pride.

Modoc Pioneer Dies

Alturas Plaindealer: Monday, March 31st, another of Modoc's pioneer mothers passed over the Great Divide, Mrs. Jesse Newport, after a brief illness of a few weeks at the age of 67 years. Apoplexy is given as the cause of death.

The deceased came to Modoc County with her husband in 1873, and settled on Pit River where she has resided ever since. She was a good woman, in all that the name implies, and ever retained the love and esteem of friends and neighbors. She leaves besides her husband one son and three daughters, besides many friends, to mourn her death. To the family the Plaindealer extends sincere sympathy.

Card of Thanks

To all the friends whose sympathy and services were so kindly tendered in our time of bereavement, during the illness and death of our father, Byron F. Cooper, we desire to extend our sincere thanks.

Mr. and Mrs. J. C. Dodson, Mr. and Mrs. John Walker, Mr. and Mrs. T. B. Wakefield.

LAKEVIEW AGAIN LOSES TO ALTURAS

Local Boys Fail to Recover Laurels in Season's End Game

The L.A.C. Basket Ball boys are back again from Alturas, after having had the bad taste to lose two games, one to the town team of the Modoc metropolis, and another to the Modoc County High School team. The score for both games were so close, that even to one unversed in the why and wherefores of basket ball it is evident enough that had Lakeview been favored as the Alturas teams were by the fleckle goddess of chance the results would have been different.

The first game was with the town team and was undoubtedly the fastest game ever played in Alturas. At the end of the first half, the score showed Lakeview ten, Alturas fourteen. In the second half the L.A.C. boys jumped in with blood in their eyes, and for awhile it looked as though they would win in spite of the odds. But right there was where the aforementioned fleckle goddess showed her hand, the score at the end of the game being Alturas 22, L.A.C. 20. For Lakeview, Franklin Cloud held down right forward during the first half and registered two points on a neat field basket. In the second half he was relieved by Carl Fetsch, who negotiated a pair of field goals, adding four more points. Again, just to illustrate how much luck figured in the game, Clarence Orem, who is easily the best basket thrower on the team made a number of tries for goal but though the ball would seem about to drop in it would always manage in its final wobble to fall outside. The "Flying Dutchman," Ernest Fetsch—secured a field basket early in the first half. His position as right guard was taken by "Check" Dykeman towards the last of the first half. "Check" played a strong guard game, holding his own with Clyde Ashby, L. A. C.'s diminutive guard, who for his sticktoitiveness must nearly resemble a human sand bur. Captain Monson was most fortunate in securing baskets, having six to his credit. Jim Burgess as referee proved himself an efficient official.

The game with the High School was notable chiefly by the way Lakeview came back in the second half and tied the score after a disastrous first half ending 9 to 2 in favor of Alturas, Cloud making L.A.C.'s only basket. In the second half, Orem made three field goals, Carl Fetsch one, Captain Monson one field goal and one foul and Ernest Fetsch on field goal. The final score was Alturas 16, L.A.C. 15. The Lakeview boys were shown the best kind of a time by the Alturas people and were especially pleased with the delightful banquet which was tendered them on Saturday evening at which Prof. Rose of the High School presided as toastmaster.—Continued.

Emaline Pankhurst, leader of suffragettes in England has been sentenced to serve three years in prison on a charge of inciting criminal acts of followers.

HIGH SCHOOL PLAY WAS BIG SUCCESS

Local Talent Gives Good Rendition of Clever Comedy Drama

The school play, "The Perplexities of Mrs. Briggs" which was presented at the School Auditorium last Tuesday evening was greeted by a full house. When the curtain rose the Lakeview Band was seated on the stage playing one of their excellent selections and the Band together with the first appearance of the stage was greeted with cheers from the audience. After two musical selections the stage was rearranged and "Widow Briggs" with her various perplexities held the audience for an hour and a half.

The play was well prepared and well received.

The characters in the play were well sustained and for their first appearance deserve great credit.

Lakeview is to be congratulated that they have a school building which may become the center of educational and social attraction and that they have teachers who are so interested in the work that they are bringing out the best in the boys and girls of the school.

We are informed that there are to be more entertainments this spring and the announcement that they will be by the school is a guarantee that they will be first class. The receipts of the evening were about \$75 which will be used toward paying for the new stage fittings and furniture.
