### PROSPERITY ASSURED

Now with the reasonable assurance of a good grain crop in the Northwest, including Lake County, which will sel l at remunerative prices in the world's markets, we can safely smile at croakers and can be comparatively indifferent to tariff-makers. With a crop of tered into, it is a foregone conclusion the three principal cereals only slightly less in quantity than that of last year, and worth an aggregate of \$57,vear.

A WORTHY MOVEMENT

According to a news item elsew here in this issue the Bankers Association proposes a defeat of incoming homeseekers against inflated land values. It has launched a movement to prevent newcomers from falling victims to boom prices. At the Corvallis meeting the association provided for an accurproperties, which appraisal shall be available to intending purchasers.
