The Examiner last week neglected to mention the birth of a girl to Mr. and Mrs. Harry Angstead, which occurred July 6th at their home in this city.

John Z. Lull, a hotel man of Chicago, and family are visiting with the Hansons at their Point Ranch on the West Side. They came from Portland by auto and will remain here about a month.

H. P. Enquist, formerly Lake County sheepman but now a resident of Santa Rosa, Calif., arrived last week and will spend several days in this section looking after some interests that he retains here.

J. N. Fitzgerald and wife, who have been living at Lake City, Calif. the past few years, will soon leave for Newport, Oregon, where they expect to locate permanently. Mr. Fitzgerald will sell his Lake City ranch.

E. L. Britten, of the Britten & Erickson haberdashery, and wife Tuesday morning departed for Luverne, Minn., where he goes to take charge of a hotel. The store will be conducted in the future by Mr. Erickson.

Thos. E. Watson, a local painter, has developed into a farmer and in order to convince an Examiner man of this fact left a single head of lettuce at the office that weighed three and one-half pounds. It was grown on his property in South Lakeview.

J. E. Farley, of San Jose, Calif., arrived here Tuesday evening to make arrangements for the burial of W. S. Sanborn, who was a brother-in-law of Mr. Farley. He is a conductor on the Southern Pacific Overland limited train running south of San Francisco.

Frank Saleido, a printer who was at one time employed on the Examiner by C. O. Metzker, last week met with an accident which resulted in a broken leg. He was working at a road camp near the Klamath Agency, he having recently returned to Klamath County after several years absence.

The Grand Lodge of Elks in its 49th reunion just closed in Rochester, New York accepted the \$200,000 bid of a Salt Lake City contractor, and will build a new national home. Where the home will be located has not been decided, but will most likely occupy the site of the present home at Bedford, Va.

Mrs. Harry Drew, of Reno, daughter of Mr. and Mrs. M. R. Hart of this place, is adding great attraction to the nightly programs at the Smith Picture House this week in musical entertainment. Mrs. Drew has rare talent both in piano and vocal selections, and is received by appreciative audiences. She is well known in Lakeview where she formerly taught vocal and instrumental music.

Fort Rock Times: People down here are much pleased over the report from Lakeview that Chas. Kelley has been allowed his desert claim. There are quite a number of such claims in the neighborhood, the owners being amongst our most energetic and enterprising settlers who have only waited the verdict on the Kelly case to commence strenuous work towards putting water on their claims.

See Curtis & Utley for good Lakeview residences. A snap.

The next meeting of the L.C.I.C. will be held next Tuesday afternoon in the court house.

Chas. E. Rice and Eva Floy Rice were married during the Fourth of July week at Susanville, Cal. They are both well known in Lakeview where they formerly resided. Mr. Rice being director of the local band. They were divorced here about three years ago.

Burns News: An inspiring spectacle was to see the caterpillar engine walking off through raw sod with a dozen 14 inch plows, and many went out to view it. They were plowing furrows two miles long through sections 8 and 9, seven miles east of Burns.

The Senate has confirmed the nomination of Milt Miller as Collector of Internal revenue for Oregon. It is expected that John Montague will be made United States Marshall for this state, as he was recommended at the time the whole Oregon state was submitted, and no objection has been made to his name.

Twelve persons were killed and 50 injured at Los Angeles last Sunday when a Pacific Electric interurban train ran into another one in the outskirts of the city. The two trains were inbound from Venice, an ocean beach town, and the accident was attributed to some boys who were playing with the whistle.

The Western Pacific Railway has instructed its engineers to report fires along the right-of-way where it traverses the Plumas national forest, California. The location of fires is indicated on a card dropped by the engineer or fireman at the next section crew met after the fire is discovered. It is then the duty of part of the section crew to go back on handcars or speeders and put out the blaze.

Oregon is the first state in the Union to adopt as an official text book for public school use the new "Principles of Bookkeeping" farm accounting for young folks by Dean J. A. Rexell of the Oregon Agricultural College. The state thus maintains its reputation for progressive action recognizing the necessity of promoting better business methods on the farm, and the fact that the logical place for such instruction is the rural school.

For Sale—1000 ewes from 5 to 8 years old, at \$3.50 per head. Holbrook Bros. Jy 17-1t

Mrs. Jennie Ford, and son, Frank Ford, arrived here the first of the week from Susanville.

Dr. E. D. Everett reports the birth of a baby boy to Mr. and Mrs. R. Andrews. The newly arrival made his appearance Thursday, July 10. Mr. Andrews is a relative of the Holbrook family of this city.

The new office counter and fixtures have been added in the Hotel Lakeview, and H. O. Kuhl has just completed graining the woodwork in the lobby and everything is being arranged in a classy shape about the hotel.

J. H. Booth and family and Chauffeur Leo Devaney of Roseburg, Oregon, this week passed through Lakeview on their way to Prineville where Mr. Booth has a brother. He was formerly Register of the land office at Roseburg.

Mrs. E. B. Werigert of Enid, Okla. who has been visiting her daughter, Mrs. Frank B. Whittaker of Clover Flat, this week returned to her home after spending nearly a year in Oregon. She expects to visit in California on her way home, especially in Los Angeles.

Curtis & Utley, local real estate dealers, last week purchased the Studebaker car belonging to Harry Cannon. Their business has increased to such proportions that they have found it necessary to have an auto for the purpose of showing properties to intending buyers.

The Board of Supervisors allowed claims for squirrel tails this week to the amount of \$4,090. This is quite a sum, but when we take into consideration the terrible destructiveness of the pests, it must be regarded as money well spent, says the Alturas Plaindealer.

C. N. Miller, publicity agent of the N.-C.-O. Ry. expects to soon launch a new boat on Goose Lake. He has chosen the name of "Naidas" for the vessel and it is stated that it will be one of the most handsome little boats in Oregon. It will be equipped to carry twenty passengers and driven by a 14-horse power engine.

A Hilldale, Oregon man writes that he has the proper rabbit exterminator, and states that anyone wishing to put the kibosh on the pests should write to him. He says the scheme will do the work, provided that someone will assure him that he will be properly remunerated. He signs himself as Amos Kenworthy.

The haying season is now on in full blast over the valley and all available men are being employed to assist in putting up the crops. The yield in some places is said to be lighter than last year, but on a general average will be about up to the standard. The decrease in the yield is attributed to the lack of irrigation on the higher points of the land.

The Presbyterian church has just received a new \$350 Starck Piano for their services in Masonic Hall. This will be a valuable addition to their equipment. A large symphony orchestra has been organized. They have been rehearsing for several weeks and will make their opening appearance in the near future. The new piano will be a splendid contribution to their orchestra, and a desirable piece of furniture for the new church building which will be commenced soon.

Position wanted by experienced lady as cook on ranch or hay camp. Inquire at this office.

Cottonwood Lumber Co. High grade, yellow pine lumber. All kinds of dressed lumber on hand. J12-3m

Edson L. Foulke and family, Edson Foulke, Jr., and Miss Mitchell of Berkeley, arrived on yesterday evening's train. Mr. Foulke is a stock buyer of Gazelle, Calif., and is here looking over the field for beef.

Joe Ambrose, the well known West Side farmer and proprietor of the Mulkey shearing corral, was a business visitor in the city Tuesday. He has an optimistic view concerning conditions in general in his section.

The Klamath Northwestern states that last Thursday Mrs. Anna Babel of Lakeview and William Lubke of that place were married. P. P. Kern, pastor of the local St. Patrick's church who was also in Klamath Falls, performed the ceremony.

O. T. McKendree, the wool buyer for Tryon of San Francisco, returned here Tuesday evening after a short business trip to the Bay City. He will remain here several days settling up for the wool already bought and probably make other purchases.

Wm. Carter, a tiller of the soil was in town Tuesday from his West Side ranch. He has 90 acres sown to grain this year and reports that it as well as all grain in his section looks very good. He took out some material preparatory to beginning the haying and heading work.

James H. Perishing, president of the Goose Lake Valley Irrigation Co., and Thomas Peeble, secretary and manager of the same company, and wife, arrived yesterday evening and will spend several days here in looking over the project on the West Side which is nearing completion.

Senator Pittman of Nevada has introduced a bill in congress to enable the homesteading of lands that have no available water supply except from subterranean sources. By the bill homesteaders will be enabled to live elsewhere and earn a living while he is sinking wells to develop such water supply. It effects all western states.

Cedarville Record: A couple of railroad men, interested in the new road to be built from here to the Western Pacific, were here last Saturday, looking over conditions. While they are not giving out any extra information, there is no doubt but what all arrangements will shortly be completed for the building of the road and work of construction commenced. So, don't be surprised to hear of the dirt flying down about the Western Pacific in the near future.

The current session of the Oregon Agricultural summer school at Corvallis emphasizes the remarkable growth made within the last decade by the industrial features of education. Ten years ago it would have seemed absurd for a teacher to study such things as bread-making, sewing, basket-weaving and similar useful arts, but at the present session, according to E. D. Reader, head of the Industrial Education department, practically every teacher is taking industrial courses, either in whole or in part.
