The Why Of It

Why do we guarantee the Behning Piano for Ten Years when other standard makes limit the time to one year only?

ANSWER

Most Players are built of materials easily destroyed by moths. The Behning player action is practically moth proof. Ask us for seventeen other reasons.

SEED WHEAT!

= AT COST = FOR FALL SOWING

"TURKEY RED"

"GOLD COIN"

The Nevada-California-Oregon Railway has arranged to purchase Seed Wheat for Fall Sowing, which will be disposed of at Lakeview. Fairport or any town along the line of the road, AT COST. IF PARTIES ARE NOT IN A POSITION TO PAY CASH, WE WILL TAKE NOTES OF RESPONSIBLE ONES.

Can furnish "Turkey Red" or "Gold Coin." The latter wheat is raised in Idaho, Wyoming and Utah and it is claimed it will withstand the late frosts as well as the "Turkey Red," and will not run out as quickly as the other.

All orders for this wheat should be placed with Agent Class, of Lakeview, and that vicinity, and all other orders with "Fred Shaffer, Land Commissioner, N. C. O. Ry., Fairport, California." Orders should be in so that shipment can be made during July.

The purpose of the road in this is to assist those who do not possess the ready cash and, also, to encourage the sowing of standard seed-especially Fall varieties.
