**FOR FALL SOWING**

"TURKEY RED" "GOLD COIN"

The Nevada-California-Oregon Railway has arranged to purchase Seed Wheat for Fall Sowing, which will be disposed of at Lakeview, Fairport or any town along the line of the road, AT COST.

IF PARTIES ARE NOT IN A POSITION TO PAY CASH, WE WILL TAKE NOTES OF RESPONSIBLE ONES.

Can furnish "Turkey Red" or "Gold Coin." The latter wheat is raised in Idaho, Wyoming and Utah and it is claimed it will withstand the late frosts as well as the "Turkey Red," and will not run out as quickly as the other.

All orders for this wheat should be placed with Agent Class, of Lakeview, and that vicinity, and all other orders with "Fred Shaffer, Land Commissioner, N. C. O. Ry., Fairport, California." Orders should be in so that shipment can be made during July.

The purpose of the road in this is to assist those who do not possess the ready cash and, also, to encourage the sowing of standard seed—especially Fall varieties.

TAKE PLENTY OF TIME TO EAT  
There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.
