# OFFICIAL DIRECTORY **COMMISSION FIXES** TAXES FOR STATE

Lake County This Year Will Pay Nearly \$10,000

To State.

According to an official statement just insued by the State Tax Commis-sion, the total tax levied for all pur-poses for the year 1913 is just \$1,111,-Dairy and Food Com. \$18,136,438.28, and that for 1912 was \$19,248,244,07.

The state tax paid by the counties is \$1,941,601.27 less this year than last, the tax for this year being \$1,122,214.-49, and that for last year was \$3,063,-815.75. The valuation for last year was \$860,644,164.55, and that for this year is \$905,011,679.

The reason the levy is so much lower for this year is that the levy of 1912 included the appropriations made by the legislative session of 1911. The levy for this year was made prior to the meeting of the legislature and does levy will then be considerably higher than this year.

In the table prepared by the commission showing the valuation for the levy of this year, shows Lake County as follows: Total value taxable property, \$87,369,82: amount of taxes levied, \$93,722.35: amount state tax paid by the county, \$9,268.50.
