LET SOMEONE ACT

If the citizens of Lakeview and the Goose Lake Valley desire to share the benefit of attracting settlers to this section during the Western Homeseekers period by working in conjunction with the N.-C.-O. Railway, mention of which was made in last week's Examiner, they will have to subscribe \$200 for the purpose.

As was previously stated it is estimated that it will cost \$1000 to maintain two immigration agents, one each on the Western Pacific and Southern Pacific during the six weeks period, which goes into effect September 25. Of this amount the N.-C.-O. has pledged one half, and Modoc County last week appropriated \$300, leaving \$200 for Lake County.

In addition to this it will require literature descriptive of this section which would be distributed among the homeseekers on the trains. The Examiner will compile and print 10,000 folders, giving a brief and conservative description of Lake County to use for this purpose. These we will donate absolutely free. This work is worth \$75. Will the remainder of the business men of the town raise the \$200?

The 25th of the month will soon be here and there is no time to be lost. Let someone act!

Olcott Suit Dismissed

Judge Galloway dismissed the suit against Secretary of State Olcott to enjoin him from placing on the ballot at the special election in November for the reference of measure, the title to the workmen's compensation act. It is stated that the case would be appealed. An important point decided by the court is that Secretary Olcott, being a ministerial officer, has no right to strike any names from petitions for referring and initiating measures. The Secretary of State struck 610 names from the petition for the reference of the workmen's act on the ground that they were irregular in his judgment.

Bank Deposits Decrease

Deposits in banks in the state between September, 1912, and the close of business on August 9, 1913, decreased \$682,158.30, according to a report made on their condition by State Superintendent of Banks Wright. The report is as follows:

Capital, August 1913, \$18,568,169.55; capital September 4, 1912, \$17,533,250; increase, \$1,034,919.55. Deposits, August 9, 1913, \$124,337,528.40; deposits, September 4, 1912, \$125,019,686.70; decrease, \$682,158.30. Loans and discounts, September 4, 1912, \$32,712,626; increase, \$4,156,211.18.

Arrow Has League

Fort Rock Times: The Inland Development League of Arrow is doing a lot of good towards developing their section of the valley. About their first act after organizing was to get the Portland Commercial Club to help them towards getting the land in their district opened for filing, which is probably only a matter of a few months time. On September 15, the League intends to begin building a hall 24 feet wide and 48 feet long. The officers are Anney Darling, President, Elmer Pederson, Vice-president and Leslie V. Dancer, Secretary and Treasurer.

Thaw's Trial Set

Harry Thaw will be produced before the full court of king's bench, appeal side, at Montreal, September 15, two of his counsel having obtained a double writ of habeas corpus, after which Thaw was taken to Coaticook, Quebec, to await trial. Prosecutor Jerome, Thaw's nemesis, will likewise stand trial today for playing a little "peny ante" with some parties in the streets of Coaticook. Jerome was out on \$500 bonds to appear for trial Saturday but his attorney was the only one who showed up. After giving the New York attorney a thorough grilling for non-appearance the Judge reluctantly postponed the hearing until today.

Thaw's attorneys allege that it will be impossible to deport their client from Canada by the means that have been employed by the York state attorneys.

Party at Fairport

The Fairport Inn on the shores of our beautiful Lake was the scene of an enjoyable party last Saturday evening. Mr. and Mrs. Fuller, the present managers of the Inn, opened their doors to those who went and received them royally. The dining room was used for the dancing, which many enjoyed. The spacious lobby was decorated in wild cherry branches, which were loaded with fruit, and wild rose branches filled with the scarlet berries. Several tables of cards were played by different guests; while some enjoyed the benches on the veranda overlooking the Lake. The Darnell Orchestra furnished excellent music during the evening and at midnight the hostess and her assistants served the guests a delicious lunch consisting of combination salad, sandwiches, pickles, peaches, ice cream, cake and coffee.

Following is a list of the guests present—Those from Lakeview were Messrs and Mesdames—Russell, Fisk, R. A. Clark, Chas. Dunlap, M. Southstone, Harry Bailey, D. C. Schminck, Wm. Harvey, J. Paisley Pick-ups

(Chewaucan Press)

Mrs. Eph Miller who has been away visiting for several weeks past, returned to her home in Paisley last Tuesday.

Z. G. Harris and family were in Lakeview this week where they went to make arrangements for entering their daughters in the High School there.

We have on exhibition at this office an ordinary table beet which measures twenty one and a quarter inches around and is a perfect specimen. It was raised on the Ed Lamb ranch by Jim Hutchinson.

Their many friends in Paisley will be glad to hear of the birth of an eight pound baby boy to Mr. and Mrs. J. E. Hanan on August 29th at their home at Warm Spring, Oregon. Word was received to this effect from Mrs. Bell Sult who is visiting there at the present time.

An interesting sight is the barge and dredge of the Chewaucan Land and Cattle Company, which is being built at the head of the ZX canal east of town. The barge is now ready for the dredger and has been floated. The dredger itself is being placed and the cut will be ready for operation some time in the near future.

GOOD REASON FOR HIS ENTHUSIASM

When a man has suffered for several days with colic, diarrhoea or other form of bowel complaint and is then cured sound and well by one or two doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy, as is often the case, it is but natural that he should be enthusiastic in his praise of the remedy, and especially is this the case of a severe attack when life is threatened. Try it when in need of such a remedy. It never fails. Sold by all dealers.
