GOOD ROADS MOVEMENT

The road bonding proposition was beaten in Crook County last week, owing to various causes. In the first place the manner in which the question was placed upon the ballot was illegal, a fact which was known before the day of election, and hence had the bonding proposition carried it would have been of no avail. In the second place, the route selected originally was by no means satisfactory to a large part of the County, while more or less antagonism was aroused over various phases of the question. Madras seems to have been the banner precinct in voting against the proposition, and had its vote been otherwise it would have been much of a surprise to anyone having passed through the place and unacquainted with it. It is a place where one would suppose that the residents considered that what was good enough for their forefathers is plenty good enough for them, although this may not be the case. The vote by no means indicated the feeling of the people generally in regard to permanent highways, but rather shows the pitfalls and errors that must be avoided in the preliminary work of securing good roads through a bonding issue. It is scarcely to be supposed that a highway through Lake County that did not touch Lakeview would be very strongly boosted hereabouts, and the same is true, no doubt, of Paisley, Silver Lake and New Pine Creek.

Under existing conditions, we are all heartily in favor of permanent highways, and when the route is selected it will no doubt be satisfactory to a very large majority of the voters of the County, owing largely to the fact that there is practically but one route to be selected. In some circles there seems to be a mistaken idea that the purpose of a highway is simply to afford a passage through the country, regardless of all other things, and to that end a direct route with easy grades should be selected. The Examiner is of the opinion that the highway should be built for the benefit of the residents and taxpayers who are putting up the money, rather than to afford a means of quick transit for tourists and others passing through the country. If the latter is to be the case, then a route through Warner, connecting with a road from Surprise Valley, out by Warren Laird's and onto the desert should be selected. Even under existing conditions it is possible to "turn her loose" at any speed desired in traversing much of that portion of the State, and the expense of building and maintaining an all-the-year road over that route would be but a trifle as compared with other routes. But it is not to be presumed that should such a route be selected that a bonding issue would carry in Lake County.

An exchange says it has word from Paris that "dress skirts will be fuller this season." Judging from outside observation they seem pretty well filed as they are now.

Frank S. Fields, ex-County Clerk of Multnomah County was acquitted last week by a jury in the Circuit Court of a charge of larceny of public funds. Mr. Fields was charged sup-

posedly with failing to turn over to John B. Coffey his successor in office, \$18,051.96, alleged to have been public money entrusted to him. His attorneys defended him on the grounds that the money was lost through the failure on December 16, 1911, of the American Bank & Trust Company, in which part of the county funds were deposited.

D. O. H. Entertain

One of the nicest lodge dances of the present season was given on Thursday evening last at the Masonic Hall under the auspices of the Degree of Honor. About 75 people were present for the occasion, mostly of the younger set, and the evening was devoted to the dancing of two-steps, barn dances, square numbers, waltzes and three-steps.

At midnight a supper was served in the Banquet Room, the menu consisting of various kinds of sandwiches, cakes, coffee, salad, fruits, etc. The tables had been tastefully arranged and decorated with pine boughs and holly.

Misses Emma Arzner and Ollie Thruston, who were on the committee in charge of the affair, deserve great credit for the time and trouble spent in making the dance the success it turned out to be. They were assisted by Mesdames John Arzner, N. Snyder, Joe Arzner, W. McCulley and X. Arzner.

W. P. Electric Line

According to the numerous rumored railroad activities that are afloat of late it would seem that Oregon and California is to come in for their share of development in the near future. In connection with the tentative announcement of the extension of the Hill line into California comes the statement that Benjamin F. Bush, president of the Gould line, has admitted that the Western Pacific railway intends to open negotiations for the purchase of the Oakland, Antioch & Eastern, the new electric line from Oakland to Sacramento, and its subsidiary, the Nevada County Narrow Gauge, if certain New York financiers will furnish money for the deal. Just what such a move would signify other than strengthening the Western Pacific's hold on California territory is problematical, but there are prophecies that it has some bearing on the rumored Hill invasion of California.

Birthday Party

A very enjoyable party was held last Monday afternoon at the home of Dr. and Mrs. E. D. Everett, in honor of their son, Ernest Gaitner, who celebrated his fourth birthday. The little ones had a most pleasant time, and the guests were served with delicious refreshments. Each guest received an appropriate favor, and the young host was the recipient of numerous presents.

The list of guests included: Teddy Conn, Harold Yount, Dies and Ruth Auten, Lillian Utley, Evelyn Fetach, Ruth Kooser, Sam Jr., and Lynton Mushen, Milton Nolte, Alice Elizabeth Welch, Elizabeth Jane Venator, Mary and Grace Johnson, Alice Lair and Donald Hobbs Thompson, Adrian Utley, Roland Vandervoort, Rollin McDonald, Everett Boorse, Lina and Nathan Jr. Wilcox, Frank Light Harrow, Edith Brown, Bob Clerk, Genevieve Rinehart, Gail Reynolds, Maxine and Garrett McKeenoree and Ernest Gaitner Everett.

Rev. Simmons Located

Klamath Northwestern, Nov. 9: The Rev. A. F. Simmons, for a number of years stationed at Lakeview, will preach his first sermon this morning at the local Baptist Church, corner of Eighth and Canal streets. The Rev. Mr. Simmons has been called to take the local pulpit permanently and comes to this city highly recommended by his friends in Lakeview. He takes the place in the local church held for many years, except at intervals, by Rev. J. R. Griffith. The latter owns and operates a ranch near the Gap, on Lost River, and his farming interests have been so pressing he could not give the time to the church he desired.

The Oregon Apple

The Examiner has been favored with a copy of an attractive and interesting little brochure entitled, "Fifty-five ways to serve the apple." The publisher is C. C. Hutchins, of White Salmon, Wash. It is issued for free distribution by the Spokane, Portland and Seattle-Oregon Electric Railways, and is a valuable medium in-

tended to encourage the use of the apple—the king of fruits—for daily consumption. There is a good old saying that an "apple a day keeps the doctor away". When one considers the superior excellence of the apples grown in Washington and Oregon and especially along the valley of Goose Lake and the Willamette it is rather surprising that more uses of this healthful fruit are not suggested in daily menus. However, that consumption is on the increase is evident and it is due to the ingenuity of the good housewife whose culinary art is at its best in the preparation of apple dishes.

Thanksgiving Menu

Manager Light has been unable to complete the menu for the New England dinner to be given at Hotel Lakeview on Thanksgiving Day, but he has delected on a number of the more important dishes. Proceedings will be commenced with clam soup, which will lead up to the stuffed turkey with regulation trimmings, including cranberry sauce. Regular old-fashioned pumpkin pie will also have a place on the menu, and the dinner will doubtless be a popular one, inasmuch as numerous reservations have already been made.

Diaz in Trouble

General Felix Diaz of Mexico was stabbed last week by a Mexican while the General was in Havana. He was wounded twice but not fatally. General Diaz was in the Cuban city in company with another Mexican fugitive when the attack was made, and it resulted from an unpleasant remark which it is said he was to have made about the followers of Carranza.

During the affray a pistol was discharged, the bullet seriously wounding a Mexican. General Diaz was arrested on a charge of firing the shot but was liberated on bail.

Paisley Pick-ups

The Chewaucan Hotel changed hands last week, Mr. and Mrs. W. A. Currier assuming control. "Bud" has lately been filled with an over-powering desire to get "back to the farm" and hence the change. The present managers are not at all new to the business and therefore are certain of a constantly increasing patronage.

The election Tuesday was a very quiet affair in this precinct as only about one third of the voters used their franchise. Every measure carried here. Both the university bills and the Compensation act with good margins, the Sterilization act with one vote and the County attorney bill almost unanimous. Only 49 voted.

Stanley Gray and J. E. Harper returned from Bend last Friday with two new cars which they will use for passenger work in connection with their Garage here. Harper purchased a Case from R. P. Scheurer and Gray a Cadillac from Wenandy and Fox. They are both excellent machines.

Silver Lake Items

The new fire hose ordered by the city some time ago has arrived—600 feet in all.

Word was received Wednesday evening of the death of Grandma Martin, of Summer Lake, which occurred Wednesday morning.

Miss Alma Martin is now postmistress, having taken possession the first of the month. J. S. Martin, her uncle, will act as assistant.

Mrs. J. H. DeLacey arrived Sunday evening from Portland where she had been for the past three months. J. H. met her at Bend and accompanied her home.

Mr. and Mrs. A. E. Imbler and family left Tuesday morning for Whittier, California, where they will remain during the winter. In their removal Silver Lake loses a good family and we heartily recommend them to the people of this city.

Pete Gruber left for Lakeview Wednesday morning with a load of passengers, among them being M. F. Geiger of Fort Rock, who went down with the election returns from that place. Wm. LaSater took the Silver Lake vote down going on horseback.

School Notes

Basket ball practice has been started for the year by both boy and girls teams.

A new adventure has been planned by the High School. It is the publishing of a High School paper to appear quarterly. The following officers have been elected: Editor-in-Chief, Roland Bartling; Assistant Editor, Maurice Drenkel; Business Manager, Edgar Clark. The students are very enthusiastic and the first issue is expected about Thanksgiving.

A musical recital will be given in the Assembly Hall Friday night, Nov. 14 beginning at 8 o'clock. The work will be given by P. Burton Arant assisted by C. A. White. This will be the first recital by these teachers and while it is given under some disadvantage it will be a program of pleasure and real musical treat to all who attend. This recital is free to the

public and we bespeak for the instructors a full house. Don't forget the time and place.

It appears that there are a few boys and girls in Lakeview of school age not in school and who so far, have furnished no legal excuse. Our district working with State has provided a good school. The people have been taxed to erect buildings and provide teachers, in fact they have done all that is possible to furnish free schools for the people, and now to ignore the efforts of the people by remaining out of school is not giving justice to the State, the district, the school nor the pupil. Oregon has a compulsory Education law which is rather strict with both teacher and parent but it is much better for pupils to attend school voluntarily and not necessitate the action of the law.

The exhibit given in the sewing room last week was a success from every point of view. About 85 articles were brought in, ranging from 25 years to 124 years in age. Each sewing class found something especially helpful to them, and by the appreciation expressed by visitors, the time was not lost to them. Among the articles were hand woven sheets, bed spreads and counterpane; hand made caps, of lace and embroidery samples, dresses, quilts, crocheted and knit articles, even the rabbit skin cape of 50 years ago. We desire to thank every one who so kindly loaned us the articles for the occasion, and feel sure that the pride they have in them was to a large degree reciprocated by the school.

Northern Lake News

(Fort Rock Times)

55 votes were cast at the election Tuesday. Mary E. Lozier was the first lady to cast a vote in this precinct.

Last Saturday seven men worked in the Penrose Blacksmith Shop at one time, five of whom worked all day. How's that for a country blacksmith shop?

A U. S. Government land agent spent several days in these parts looking over land interests. He will recommend a large number of claims as forfeited, the parties who made filings not having returned to their claims. All this land will again be subject to entry.

There is much talk here of sweet clover, quite a number are making preparations to sow some. Others will follow the advice of the State agricultural professors who were here lately and plant field peas. A determined effort is being made to find the best foliage plant for this section of Oregon.

County Commissioner F. E. Anderson refuses to again be a candidate for this office. He has made such an excellent officer that it is to be regretted that he will no longer serve. This leaves northern Lake County without a representative at the County seat unless we find another good man. This neighborhood has, several, anyone of whom would get all that our section is entitled too. There are the old standbys F. A. Remington and A. W. Long, either one would make an excellent County Commissioner and look after the interests of Northern Lake County.
