A Complete Record

We have made an entire transcript of all Records in Lake County which In any way, affect Real Property in the county.
We have a complete Record of every Mortgage and transfer ever made in Lake County, and ever Deed given.

Errors Found in Titles

In transcribing the records we have found numerous mortgages recorded in the Deed record and indexed; and many deeds are recorded in the Mortgage record and other books. Hundreds of mortgages and deeds are not indexed at all, and most difficult to trace up from the records.

We have notations of all these Errors.

Others annot find them. We have put nundreds of dollars bunting up these errors, and we can fully guarantee our work.

Reasons for Being Poor The following is going the rounds

of the press:

A western farmer wondering why to many of the farmers were so poor, paused by the wayside one day and reasoned it out this way:

The average farmer gets up early of a morning with the alarm of a Conneticut Clock, buttons his Chicago suspenders to his Detroit overalls, puts on a pair of cow, hide hoots made in Cleveland, washes in a Pittsburg basin, uses Cincinnati soap, and dries on a cotton towel made in New Hampshire, sits down to a Grand Rapid table, eats breakfast ford from Battle Creek, hot biscuits made from Minnesota flour; Kansas City bacon and Indiana grits fried in Omaha
