Dexter Amick and family have moved to their home on the lake front for the summer.

Walter Fleming spends his Sundays in Oregon now as the climate and scenery appeals to him up here.

Harry Heryford moved his family Sunday down in California. He expects to work for Wade Williams this summer.

A power pop corn popper was received at the Wendt Candy Kitchen and our citizens are enjoying fresh popped buttered pop corn.

Among those who made trips to Lakeview this week we noticed N. E. Guyot, J. H. Miller, Geo. Wendt, Dr. J. L. Carver and F. M. Green.

Hon. G. W. Wise of Fairport, was shaking hands with his old friends in town one day last week. We are always glad to see our old friend, Governor.

Miss Cora Berry accompanied her father, D. C. Berry over to their ranch on the west side of the lake. She is keeping house and cooking while he is putting in the spring crop.

The management of the Picture Show will put on four shows a week commencing May 1, 1914. They will

show the following nights: Saturday, Sunday, Tuesday and Thursday, with an entire change of program each night.

Tuesday night, March 10th was the first time that the N.-C.-O. train has been in on time for the last several weeks. They had on board N. E. Guyot and H. M. Fleming, who were returning from a business and pleasure trip to San Francisco.

The management of the Wendt's Candy Kitchen is making preparations for a good summer run. Several ice cream makers from 1 quart to 5 gallons have been ordered and as they freeze ice cream by gasoline engine they will be prepared to furnish the product in any quantity on short notice.

The "Thursday Club" met at the home of Mrs. D. W. Thomas last week, from 2 to 4 p. m., and a pleasant afternoon was spent. Three new members were taken in, Mrs. J. C. Freeman, Mrs. Lillian Reed and Miss Nita Reed. Refreshments consisting of ice cream and cake were served and Mrs. Freeman and Mrs. Gentry proved themselves equal to the occasion in the contest. The afternoon was too soon over and adjournment came. Every one is anxious for the next meeting in 2 weeks.

Board signs have been placed at the corner of each street this week, giving the name of the streets over our city. The Ladies Improvement Club is having a large sign painted to be stretched from Fleming Bros. Store to J. U. Gentry's Barber shop across the Oregon and California State Line which will read: "Oregon

Charles A. Johns, Endorsed TO WHOM IT MAY CONCERN:

Charles A. Johns was a continuous resident of Baker City for twenty-four years, during which time he served four terms as Mayor and eighteen consecutive years as School Director.

As Mayor he gave the city an honest, efficient administration, and its financial affairs were conducted on a close, safe, economical basis and at the very lowest expense to the taxpayers.

As School Director he always worked for the best of results and for economy in administration, without impairing the high standard of Baker City schools.

In our judgment as Governor, he could and would do the same thing for the State.

and California State Line." Mrs. L. C. Vinyard, president of the Club informed the writer a few days ago that the Club has decided to give an entertainment some time in May and that they will give the entire proceeds toward paying for the water fountain that will be installed on the State Line under the large California and Oregon sign. The Ladies started to plant shade trees last Wednesday morning. They expect to plant trees on each side of the State Line from F. M. Green's to G. H. Hammersley's place. Good sized trees have been offered to the ladies by F. M. Green, Ebb Follett, G. H. Aldridge and others.

Dr. E. D. Everett this morning went to Alturas to attend the organization of a Modoc-Lake County Medical Association.

Lower Rates on Livestock

(Continued from First Page)

This action on the part of the Southern Pacific is indicative that it appreciates the business of Goose Lake Valley and is willing to grant concessions in rates where such reduction is possible.

H. F. Swingle for Commissioner

Northern Lake County has for the past month or two been looked over and combed thoroughly for some man who is willing and at the same time the right man to run for County Commissioner, says the Fort Rock Times. A man well fitted for the position has at last been found and talked to, coaxed and threatened, but now he is roped, branded and slated to run. This is H. F. Swingle of Cougar Valley. Vote for him. He will run on the Republican ticket.

Moving on Land

While in Lakeview Tuesday, C. E. Shaffer informed the Examiner that W. T. Bennett and family of Sioux Falls, Idaho, would this week move on their 80 acres of land on the West Side northwest of the Hanson place, which he recently purchased from the Fairport Town & Land Company. Their furniture and effects will be taken across the lake by boat from Fairport.

Will Settle Hunter Lands

(Continued from First Page)

A big boat is to be built at Fairport this season which will be used for transportation purposes of both passengers and freight across the lake.

The settling up of the West Side means much for the progress of Lakeview, as its future greatly depends upon the development of that section, inasmuch as practically three-fourths of the entire farming area of the valley from which Lakeview draws is situated on the west side of Goose Lake.

STOMACH HEALTH-- OR NO COST TO YOU

Very likely others have advised you to use Rexall Dyspepsia Tablets, because scores of people in this community believe them to be the best remedy ever made for Dyspepsia and Indigestion. That is what we think, too, because we know what they have done for others and what they are made of. We have so much faith in them that we urge you to try them at our risk. If they don't help you they won't cost you a cent if they don't do all that you want them to do--if they don't restore your stomach to health and make your digestion easy--just tell us and we will give back your money without a word or question.
