Farmers Buy Autos
That the wheat farmers of Eastern Oregon do not spend all their coin in the purchase of more land to grow more wheat is indicated by figures supplied by the automobile dealers in that section. Within the past six years 40,000 have been furnished to Umatilla County alone and the other wheat counties have taken nearly as many. The wheat growers with large acreage find the automobile a necessary and they purchase them as a regular part of their business equipment.

Any Cobwebs In Your Brain?

THE newspaper's Sir, they are the most villainous, abominable, infernal... Not that I ever read them! No; I make it a rule never to look into a newspaper!
That's from "The Critic" one of Richard Brinsley Sheridan's satirical comedies back in the eighteenth century.
This said, but true, that a few such wonderful "critics" still exist today. Thus they read of newspaper advertisements: "The advertisements, Sir, they are the most villainous, abominable, infernal! Not that I ever read them! No; I make it a rule never to look at the advertisements!"
Honestly, folks, isn't it too bad that the fool killer germ hasn't been invented yet?
You certainly know that this is the age of PUBLICITY.
You certainly know that your careful and successful merchants spend thousands of dollars each month in JUDICIOUS ADVERTISING.
You certainly know that it is a PART OF THEIR BUSINESS: that it PAYS THEM. PAYS US. PAYS YOU
Surely there are no cobwebs in your brain.
Please laugh at foolish "critics" if you happen to stumble across any.
This newspaper prints only what it believes to be HONEST ADVERTISEMENTS, accepted in GOOD FAITH from TRUSTWORTHY SOURCES.
