COX WILL BE N.-C.-O. HEAD

DUNAWAY RESIGNS AND SUCCESSOR TO BE IN RENO JUNE 1

CHANGES IN BOARD MADE

H. V. McNamara, Col. Hamilton and Charles Moran Elected Directors—To Abolish Will Dunaway's Office

T. F. Dunaway's connection with the Nevada-California-Oregon Railroad was severed last Friday at the conclusion of a second day's session of the board of directors of the road at Reno, Nevada.

Col. Charles Hamilton of Waco, Texas, succeeded him as director and vice-president of the company, but his successor as general manager will be Ramsey H. Cox, of Waco, Tex., superintendent of the Texas

Central when the control of the line was vested in Moran Brothers of New York, owners of the Nevada-California-Oregon line.

Mr. Cox was assistant general manager of the Texas Central under the Missouri, Kansas & Texas regime until a year or two ago when he resigned to give personal attention to extensive farm and livestock interests. He was trained in railroading under Colonel Hamilton and had many years' practical experience in operating a standard gauge line. Mr. Cox is expected in Reno about June 1 to assume the reins from Col. Hamilton.

W. H. O'Neill resigned as a director of the company. He was succeeded by H. V. McNamara, traffic manager of the railroad.

A third change in the directorate occurred when the resignation of D. Comyn Moran, of New York was announced and Charles Moran, his nephew was elected to his place.

R. P. Dunbar, of Reno, auditor of the company, remains as director. In addition to the changes in the directorate it is announced by Col. Hamilton that the office of superintendent, now held by Will Dunaway, will be abolished June 1.

T. F. Dunaway, W. C. Dunaway and W. H. O'Neill have also resigned as directors of the Sierra-Mohawk branch line from Plumas Junction to Ohio and Ramsay H. Cox, R. P. Dunbar and H. V. McNamara were

BIG AREA IN CULTIVATION

NEWSPAPER SECURES REPORT ON LAND BEING FARMED THIS YEAR

NORTHERN LAKE DEVELOPS

Estimates that Only One-Third of Land Actually Cultivated is Reported—Some Large Individual Tracts

In order to give an idea of what is being done in the way of farming in the northern part of the county, the following from the Fort Rock Times will be of considerable interest:

Nearly two months ago the Times management mailed blanks to all postoffices in Northern Lake County for the purpose of getting an estimate of the amount and kind of seeding done in this part of the county. With the exception of those blanks mailed to Sisk, Cliff and Viewpoint, all papers have now been returned. It is doubtful if any of the many places mentioned in the table below have more than one-third of their entire seeding on the list. The majority of the blanks were posted in conspicuous places but several neglected to fill them in. The writer wishes to thank the many postmasters and others, as well as the individual signers for their kind help. But for the assistance of the postmasters what has been accomplished could not have been done.

Special mention is made of a number of people, each having a large acreage, this includes the following Fremont people: W. E. McCallum with a total seeding of 192 acres, including six kinds of grain besides root crops; J. B. Fox with 399 acres, including six kinds of grain, 120 acres in roots and over 100 acres in wheat; Beeler Bros. with a total of 305 acres, including 108 acres of wheat; H. A. Chapman has a total of 110 acres seeded, Owen Berlin 130 acres, L. D. Bell, 163 acres, J. S. Potter 125 acres and S. Olmstead 129 acres.

At Silver Lake W. Lane has a total of 140 acres seeded, W. C. Bulck, 139 and B. P. Lane, Jr. has 125 acres, 55 acres of the latter seeding is in oats. A. B. Schroder has 240 acres, all in rye.

The largest acreage of barley given in was by S. A. Lester of Silver Lake with 50 acres and J. B. Fox of Fremont, also 50 acres.

Cook brothers of Loma Vista have a total of 140 acres seeded, Julian and son of Fleetwood and Sunset have a total of 102 acres. Sam Finley of Fort Rock has the largest acreage in alfalfa, having 60 acres. In the neighborhoods of Lake and Buffalo there are quite a number

FRIGHTFUL ACCIDENT

THOMAS HILLIS MET DEATH IN SAWMILL NEAR PAISLEY

Both Legs Were Severed by a Saw—Remains Taken to Fort Rock For Interment

That which proved a most frightful accident occurred at the C. R. Pott's sawmill near Paisley last Thursday when Thomas H. Hillis, a young man about 23 years of age was seriously mangled by the saw causing injuries which resulted in his death about an hour after the accident. He was working at the carriage when he fell on the huge saw. Both legs were severed, diagonally, one at the knee joint and the other between the knee and thigh.

He was given all care available but was unable to endure the terrible suffering. Coroner Wallace of this place was summoned and he with George Hankins made the trip to the mill. The young man had a homestead at Conley in the northern part of the county and the remains were taken to the Fort Rock cemetery for burial. It is stated that he had no relatives west of the Rocky Mountains, but that two brothers of Columbus, Ohio are left to survive him.

UNDERWOOD-BLAIR

LOCAL CONTRACTOR AND MRS. ANNA BLAIR MARRIED

Have Taken up Their Residence in Handsome New Home on Center Street

Mr. J. A. Underwood of this city and Mrs. Anna Blair of Paisley were married in Lakeview, Monday evening, June 1, 1914. The ceremony was performed by Rev. H. Smith of the Baptist Church at his home in this city.

While many local friends of the groom have been anticipating this event, its suddenness was somewhat of a surprise. Andy has a way of doing things without letting the other fellow in on it and his launching into matrimony was no exception. Monday he made a trip to Paisley after his bride and returning the same day the marriage was performed here that evening.

The bride is one of Paisley's most prominent lady citizens and she has made numerous friends in Lakeview during her visits here. She will be welcomed as a permanent resident of our community.

Mr. Underwood is the leading member of the Underwood Lumber Company of this place and is a contractor and builder of wide reputation. He has been a resident of Lakeview the past three or four years during which time he supervised the construction of some of the most important buildings of the town, including the Lakeview High

SENIOR CLASS PLAY

STUDENTS OF HIGH SCHOOL GIVE PERFORMANCE

"As It Is" Depicts Scenes From School Life in Interesting Manner—Clever Talent Shown

The play "As It Is," given by the Senior Class of the High School in the Auditorium last Friday evening was highly appreciated by a large audience. The scenes were taken from actual school life and cleverly woven into an interesting program by Miss Marie McComb, daughter of Mr. and Mrs. A. G. McComb of this city, and one of the members of the 1914 Senior Class.

The boys and girls rendering the program are deserving of the highest praise for their performance, and received unstinted applause by all in attendance. Of course no one expected to witness the acting of professionals, but in the first scene the work of Taylor Spencer, who in every day life is Carl Pendleton, would put the ordinary comedian artist in the shade. His acting, make-up and pose was thoroughly fitting to the part, that of an ambitious country boy. In fact the work of all was exceedingly good, the young people acquitting themselves in a very creditable manner.

Such public appearances are of much benefit to students and the results obtained therefrom go well toward fitting them for experiences to encounter in the life following their school career.

The evening's entertainment was greatly strengthened by several selections by Darnell's Band. The cast of characters follows: Taylor Spencer.....Carl Pendleton Evelyn Carr.....Ellen Bernard Rozelle Davis.....Ruth Bernard Billy Bates.....Rose Trant Caryl Alden.....Elihu O'Shea Bruce Burton.....Roland Bartling Clim Carson.....Lucile Bailey Mike O'Casey.....John O'Shea Rie Worthington.....Marie McComb Professor Barton.....Edgar Clark

The other honor guests each received a souvenir spoon from the Ladies Aid as a memory and appreciation of their services in the choir.

After the program delicious refreshments were served.

School and the large Herford Bros. building. He has just completed a handsome residence on Center street in which they have already established their residence.

That the future holds a bountiful store of happiness, pleasure and prosperity for Mr. and Mrs. Underwood is the hope of the Examiner.

KLAMATH ELKS VISIT

TEN CAR LOADS MAKE TRIP TO LAKEVIEW

Visitors Were Entertained Here Saturday Evening, All Returning Home the Next Day

About forty of the Klamath Falls Elks joined in the trip to Lakeview Saturday last. Two cars arrived here Friday and eight out of the ten cars leaving Klamath Falls at six o'clock Saturday morning arrived about 1:30 in the afternoon. Two autos, those of Dr. Rambo and Ed Dunham met with an accident near Bly and were unable to make the trip. A car sent from here Saturday evening brought in the party in Dr. Rambo's machine, and it is said that those in the other car remained at Bly. DOCTORS HOLD MEET

LAKE AND MODOC COUNTIES ORGANIZATION HOLDS SESSION

Benefit From Association Bound to Result—Only One Member Here From Modoc

Dr. W. E. Coppedge of Alturas came in on Monday night's train to attend the second quarterly meeting of the Modoc County, Calif., and Lake County, Oregon Medical Association, which was organized at Alturas last year.

The organization of this society should be of great benefit to the two counties. In communities such as ours, widely removed by lack of transportation facilities from the centers of population, it is exceedingly difficult for members of the medical profession to affiliate themselves with other organizations and it is a decided advance for the general health of the communities for our physicians to get together in the dissemination of information for the prevention of disease, in mutual interchange of ideas and experience for the relief and cure of the ailing; in eliminating friction from the dealings of the doctors, one with another and in upholding the highest ideals of honor and square dealing with each other as well as the public at large.

The organization and maintenance of local Medical Associations is of vast importance to the profession inasmuch as the American Medical Association is composed of members and delegates from the smaller organizations.

It is regrettable that no other physicians from Modoc were able to attend the meeting as it was hoped that all the physicians from the two counties could participate. The entire attendance was: Doctors Russell, Fox, Smith and Everett of Lakeview, and Coppedge of Alturas. The next meeting will be held at Cedarville, Modoc County on September 7th.

Moran Returns Home

Reno Journal: Charles Moran who has been in Reno two weeks as a representative of the owners of the Nevada-California-Oregon railroad, his father and his uncle will leave for New York to-night.

With the work of reorganizing the railroad management and force practically accomplished through the retirement of T. F. Dunaway and the appointment of Col. Charles Hamilton as vice-president and Ramsay M. Cox, of Waco, Texas, as general manager to succeed Dunaway, Moran's work here has been finished. He is not certain when he will return. He says it is likely with important affairs which called him west satisfactorily arranged, his father, A. D. Moran, of Mo., may decide not to come west at this time.

Col. Hamilton will remain in Reno to direct the affairs of the company until Mr. Cox takes charge.

LINDSAY GETS AWAY

ACCUSED HORSE RUSTLER ESCAPES FROM DEPUTY

Jumped From Train as it Was Nearing Klamath Falls—Is Still At Large

Bert Lindsay, for whom Sheriff Snider was offering a reward of \$150 for his arrest for horse stealing, was captured last week at Albany where he went overland from Plush, this county. He started with ten head of horses and mules, all stolen property, but it is reported that he sold three head of the band enroute to Albany.

Immediately upon receipt of the information of his arrest Sheriff Snider, who was then involved in a law suit in the Circuit Court, sent Deputy Sheriff C. W. Dent to get the prisoner and Jack Callaghan accompanied him to bring back the horses.

Word was received here Monday from Klamath Falls that the prisoner escaped from the train Sunday evening as they were nearing Klamath Falls. It is said that when the train was about half way between Midland and Klamath Falls Sunday evening Lindsay asked Dent permission to go into the lavatory and the (Continued on page eight)

JUDGE BENSON AWAY

CIRCUIT COURT HAS ADJOURNED UNTIL NEXT WEEK

Judge Kelley of Albany Coming to Hold Court for Judge Benson Who Was Called Away

Owing to urgent private business which suddenly called him to Salem, Judge Benson adjourned the present term of Circuit Court last Monday morning and departed for that place. Court will be reconvened next Tuesday morning, June 9th with Judge Kelley of Albany presiding. The first case set for trial on that date is that of the State of Oregon vs. J. L. Freeman. Upon the adjournment Monday some of the jurors residing in the more remote districts of the county were excused for the term.

After remaining out about twenty-four hours, the jury in the damage action of O. C. Hale vs. Sheriff W. B. Snider returned a verdict granting the plaintiff \$28.00 damages, and the defendant was thereby granted judgment for costs and disbursements in the case amounting to \$126.40. The suit grew out of alleged damages to a well drilling machine belonging to the plaintiff by Snider as an official when he attempted to remove it from one place to another. The plaintiff was represented by Attorneys Lewis H. Irving of Madras and Chas. H. Combs of Lakeview, while Attorney L. F. (Continued on page eight)
