MYERS INDORSES FRED W. WILSON

Editors of the Chronicle:—

Permit me to have space in your columns to say a word in behalf of Hon. F. W. Wilson, republican candidate for district attorney. Mr. Wilson is a young man of exceptional ability and legal knowledge and received the republican nomination by a very large majority, which shows the popularity and esteem in which he is held by those who know him. He has pledged himself to a rigid enforcement of all the laws upon the statute books or which may be placed thereon. He is endorsed by the Chairman of the Law and Order league of Wasco county and should receive the solid republican vote in the district. I am supporting Mr. Wilson for this office and will esteem it a favor to me for all my friends, who supported me in the primaries, to support Mr. Wilson with equal zeal, not only in the election but in the faithful discharge of his duties when elected.

Very truly,
W. P. Myers,
Laidlaw, Oregon.

VOTE FOR WILSON FOR DIST. ATT'Y

Fred W. Wilson, the Republican nominee for District Attorney, needs no introduction to the people of Wasco and Crook counties and the voters of all parties will be glad of the opportunity of voting for Mr. Wilson for this office. He has lived in Wasco county from his boyhood days till manhood's estate and has endeared himself with all who have come to know him. In the practice of law he has been singularly successful and has taken part in the most important litigation of recent years in this district and will bring to the District Attorney's office a training which eminently qualifies him for this duty. As Deputy District Attorney he has participated in all the momentous criminal cases which have attracted wide attention in our county and has performed his part in a way that has brought him the confidence and respect of the people. This is the first time Mr. Wilson has ever been a candidate for office and the Chronicle is satisfied the voters will rally to his support in a generous manner on election day. There will be no mistake made in his election.

DESCHUTES VALLEY LAND AND INVESTMENT COMPANY

We handle irrigated lands,
improved or unimproved.
Timber lands. Town prop-
erty. Business chances and
all kinds of investments.

Our business extends throughout
the entire DESCHUTES VALLEY

WE CAN HANDLE YOUR PROPOSITION,
NO MATTER WHERE LOCATED.

We advertise each and every piece of property
listed with us and will get you quick results.

List your land, town property or business with
us and we will do the rest.

If you want to buy, make known your wants
to us and we will find what you want.

The Deschutes Valley has over 400,000 acres of irrigable land, 410,000 acres of yellow pine timber, estimated at 6,000,000,000 feet; 6 thriving villages; unlimited water power for manufacturing plants; good climate and the finest scenery in the Pacific Northwest. Our streams are teeming with trout, our mountains with deer and bear while during the winter and spring months the ducks and geese are frequent visitors on our lakes and rivers.

Cyclones and severe storms, such as visit the East and Middle West are here unknown.

Two lines of rail road are now surveyed through the valley and a prospect of early construction is very good.

To the homeseeker and the investor we have splendid opportunities to offer and we shall be pleased to have you call upon us or address your inquiries to us.

McCormick Wins Case.

John McCormick has just received the decision of the General Land Office, reversing the decision of the Register and Receiver at the Dalles, and in favor of McCormick. McCormick had made application to purchase a tract of land and his application was rejected. The decision of the Commissioner gives the land to McCormick. W. P. Myers appealed the case for McCormick.

Let's Beautify Our City

Appropos the talk of substituting a substantial bridge for the barrel bridge which now connects the middle Picket Isle with the mainland comes rumor of a series of rustic bridges making a continuous promenade of the four islands in the Deschutes opposite Laidlaw. A more attractive site would be hard to find for a park than these beautiful isles and since nature has done so much for them by way of adornment, but little expenditure would be necessary on the part of man, except for benches, bridges and walks to make it a valuable acquisition to the city.
