S. is that it is the only blood remedy on the market which does not contain a mineral ingredient of some kind to derange or damage the system. It is the one medicine that can be taken with absolute safety by the youngest child or the oldest member of the family, and persons who have allowed their systems to get in such condition that most medicines are repulsive to the stomach will find that S. uncontaminated we are fortified against disease, and health is assured; but any impurity, humor or poison acts injuriously on the system and affects the general health. Pustular eruptions, pimples, rashes and the different skin affections show that the blood is in a feverish and diseased condition as a result of too much acid or the presence of

some irritating humor. Sores and Ulcers are the result of morbid, unhealthy matter in the

blood disorders that continue to grow worse as long as the poison remains. But all blood diseases are not acquired; some persons are born with an hereditary taint in the blood and we see this great affliction manifested in many ways. The skin has a waxy, pallid appearance, the eyes are often weak, glands of the neck enlarged, and as the

taint has been in the blood since birth the entire health is usually affected. In all blood troubles S. S. S. has proved itself a perfect remedy and has well earned the title of "KING OF BLOOD PURIFIERS." It goes down into the circulation and removes

As a tonic this great medicine has no equal, and it will be found especially bracing to weak, anaemic persons.

Diseases, Scrofula, Contagious Blood Poison and all other blood troubles are cured permanently by S. S. To Get More Strength from Your Food

OTS of people are starving with a full stomach.

You know, it's not how much we Eat, but how we Digest that makes us Strong, or Brainy, or Successful. When the Bowels are filled with undigested food we may be a great deal worse off than if we were half starved for want of Food.

Because, foed that stays too long in the Bowels decays there, just as if it stayed too long in the open air.

Well, when food decays in the Bowels, through delayed and overdue action, what

happens? The millions of little Suction Pumps that line the Bowels and Intestines then draw Poison from the decayed Food, instead of the Nourishment they were

intended to draw. This Poison gets into the blood and. in time, spreads all over the body, unless the Cause of Constipation is promptly removed.

That Cause of Constipation is Weak, or Lazy, Bowel Muscles.

When your Bowel-Muscles grow flabby they need Exercise to strengthen them not "Physic" to pamper them. There's only one kind of Artificial

Exercise for the Bowel-Muscles.

Its name is "CASCARETS," and its price is Ten Cents a box. Cascarets act like Exercise on the Muscles of the Bowels, and make them tablet stamped "CCC." stronger every time they force these

Muscles to act naturally. The stronger these Muscles propel the food, the stronger does the friction of the food act on the flow of Digestive Juices. The more of these Juices that act on food, the more Nutriment does that food turn into, and the richer nourishment do the little Suction Pumps of the Intestines

It needs only one Cascaret at a time to stimulate all the Bowel-Muscles enough, without purging, discomfort or loss of

nutrition. So, if you want the same natural action that a six-mile walk in the country would give you, (without the weariness) take one Cascaret at a time, with intervals between, till you reach the exact condition you desire.

One Cascaret at a time will properly cleanse a foul Breath, or Coated Tongue, thus proving clearly its ready, steady, sure, but mild and effective action.

A coming Headache can be warded off, in short order, by a single Cascaret, and the cause removed.

Heartburn, Gas-belching, Acid-risings in the throat, and Colicky feeling are sure signs of Bowel trouble from food poisons, and should be dealt with promptly.

One Cascaret will stop the coming trouble, move on the Bowel load, and free the Digestive Juices, if that one Cascaret is taken as soon as the first signs are noticed.

Don't fail to carry the Vest Pocket Cascaret Box with you constantly.

All Druggists sell them-over ten million boxes a year, for six years past. Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every
