it is no charity to ask CHRONICLE subscribers to keep paid up at \$1.50 a

cross be marked it is warning that paper will be discontinued if subscription

SATURDAY, JULY 11, 1908.

SOCIALISM, AN INEVITABLE AND GROWING POWER.

THERE are 1,000 Socialists in Crook county, and 5,000 in the
central portion of Oregon; there are 25,000 Socialists in Ore-
gon, and, to put it mildly, 1,000,000 in the United States. They
are multiplying daily, as the world reads and learns.

Although politically in the minority as yet, the Socialists are a
growing power. Almost unknown; aye, despised; 10 or 15 years
ago, in the past 5 years they have made their influence felt in ev-
ery nook and corner of this great nation. Five years hence, unless
conditions improve—and they cannot under the present form of
government—the Socialists will be a dominant factor in the polit-
ical economy of America. No one can ignore this fact, pressing
persistently, shall one say relentlessly, to the top. At anyrate, the
tenets of Socialism are worth investigating.

To facilitate this end, and to give the Socialists of this part of
the country an official organ and press champion through which to
vent their thought and action, John Alden Seabury, editor of the
Laidlaw (Oregon) Chronicle, will commence the publication on
August 1 of the INTER-MOUNTAIN SOCIALIST, the subscription price
of which will be (for a short time) 50 cents a year, \$2.00 for five
years, or 5 cents the copy. It will be published monthly at first
and weekly as soon as the business warrants it. Socialists are very
patriotic, both to the nation, each other and their press; hence, the
INTER-MOUNTAIN SOCIALIST assuredly WILL be published weekly
and soon!

To insure its success from the start, and its entry as second
class mail matter, let EVERY Socialist who reads these lines take
IMMEDIATE action as follows:—

1. Subscribe yourself, for one year or five years!
2. Get ALL your friends and EVERY Socialist you know to do
likewise.
3. Send the editor the names and addresses of persons in any
part of the 46 States whom you know to be interested in Socialism
