Coolidge Will Be Elected

From present indications, the Republican party will be successful at the election on November 4. President Coolidge will be the main factor of this success. He will be the savior of the party. In him the people have confidence and feel that as an executive he is safe and sane. The popularity of La Follette is surprising, so much so that he is supplanting Davis, the Democratic party nominee, who will only be able to carry the South. Thus far there is but slight enthusiasm in this campaign. There is more prosperity in the country now than any period since the reaction of the last war. For this reason, the voters are reconciled and willing to let well enough alone.

The decent people of Portland want no man for mayor who will protect gambling clubs, bootlegging joints and houses of prostitution. Therefore, every candidate for that office is asked to lay his cards upon the table so that the people can judge the sort of hand that he intends to play.

Save for Old Age

One of the hardest things in the world to obtain, says the Black Dispatch, is "self control". Every man who has ever got ahead by saving anything will tell you this: the hard work is the self-denial necessary to make a start. Once you have got your start, the rest is easy. The first hundred dollars, the first thousand dollars come very hard; after that it is plain sailing. But if you fail to show will power in your youth, if you fail now to make necessary efforts to gain independence, later

on you will find when it is too late that life is heavy and rather dreary. When you combine old age with poverty, a tired mind with dependence, and the necessity of obeying someone else's orders, it is not consoling. Just think of the thousands of men who have missed their chances in life because they failed to save something for their old age during their youth and days of prosperity; and now at the threshold of the grave, they find themselves pitiful objects of charity. The advice of a wise sage is "deny yourself now", make the effort of will that is necessary and save yourself suffering and humiliation when old age and disease overtakes you.

Too many church members join and worship the preacher instead of the church.

Watch The Advocate's selection of candidates for election on November 4th. Of course, Coolidge and Dawes will head the ticket.

The offices of city commissioners are very important, therefore, it is the duty of every voter, before casting their vote, to find out all they can about the fitness and qualifications of the men.

May be John Lowe's wife's automobile incident will help a certain candidate's chances for election as mayor. At least, he must think so, the way it is being played up.

Many thought Richard Deich was satisfied with his district judgeship, but it seems that Mr. Deich is not, as he has come out for the office of city commissioner.

The colored voters are going to vote in large numbers on November 4th, if one is to judge by the number registered.

Men Wanted

Diogenes, a Greek philosopher, was seen going through the streets of Athens in the daytime with a lighted lantern in his hand. When asked the reason, "I am looking for a man," said he. Jeremiah, one of the prophets, says, "Run ye to and fro through the streets of Jerusalem, and seek in the broad places thereof, if ye can find a man." The object for which these men were searching seems to have been scarce, and it is not too numerous today. The world needs men; the government needs men; the church needs men; the fraternal bodies need men; real men are needed in every avenue of life. The world is looking for men of character; men who are not for sale; men who are true to a principle; men who defend the right and denounce the wrong, regardless of the consequences. Men of that stamp are few and far between.

And then they say the colored man is a rapist. What about that white father of 11 children? Just another one of many like him in his race. Is that white supremacy?

HOTEL NOTES

The bell boys at the Portland, friends of Ralph Holmes, the noted athlete who died a few days ago, honored his memory with a beautiful floral offering.

Ed Washington, the well known and experienced waiter, has been selected as one of the captains in the Oregon dining room, soon to be opened.

A list of the waiters who will hold forth in the Oregon dining room, which is scheduled to open about November 1, will be published in our next issue.

Colored waiters are again winning favor with local hotels, to judge by the action of the Oregon, which turned a deaf ear to the pleading of the white waiters, in favor of the colored waiters. With one or two hotels employing colored waiters in the city, things will be better in hotel circles for all concerned.

Aubrey Blackman, a waiter on the steamer Boston, en route to New York, on October 7 stabbed to death Warren Blackman, another waiter. The trouble originated over a game of cards.

Some of the waiters at The Portland have asked that the cut of the waiter at the head of the Hotel notes in The Advocate be stripped of its apron, since aprons have been discarded by them at The Portland.

The boys at The Portland were favored this week by a visit from two pioneer waiters, Henry Gibson and Charles Redd.

DOINGS OF THE ELKS

An invitation has been extended to Rose City Lodge, I. B. P. O. E. of W. from the Puget Sound lodge of Seattle to attend its fourth annual Halloween dance and frolic, which will be given Monday evening, October 27th. That Seattle bunch of Bills is certainly made up of some mighty live members.

Bill Botts, the live spot in the Porters Benefit Association, has been a might busy man for the two weeks getting out a Porter's Magazine, which will be issued twice a month.

Franklin High School Pays Tribute to the Memory of Ralph Holmes.

(By Geraldine Turner)

Last Monday morning the fifteen hundred students of Franklin High School paused in general assembly to pay tribute to the memory of the late Ralph Holmes.

After a few brief remarks expressing his sympathy, Principal Ball introduced Mr. Meeks, the Franklin athletic coach. Mr. Meeks gave a sketch of the deceased's life and dwelled upon the honors he had won for his school. As Mr. Meeks spoke of their close association in athletics his voice faltered with emotion.

At the conclusion of his remarks the quartet from the Boys Glee Club sang the song, "I Shall See Him Face to Face," and another student read an original poem as a tribute to Ralph's memory.

A motion for appropriate resolutions to be read at the funeral services was unanimously adopted and the students contributed liberally for a floral piece to be sent in the name of Franklin High School.

RALPH HOLMES DIES

Ralph Holmes, 21, noted colored athlete, son of W. B. Holmes of Portland, died Friday in the Tuberculosis hospital at Troutdale, after an illness contracted while on a trip to South Africa. He attended the Couch grammar school, and later Milwaukie grammar school, after which he was graduated from Franklin high of Portland.

While a student at Franklin he gained much athletic fame for his institution, and for two years he was selected on the all-city interscholastic football team as a halfback and fullback. He also made his monogram in wrestling and track and field sports.

He took a nine months' trip to South Africa, arriving home last spring after a strenuous voyage. It was while on this journey that he first felt the symptoms of tuberculosis, but it was not until July that he was forced to take to a hospital. He was doing forest ranger work on the south side of Mount Hood this summer, and he was taken ill on the mountainside.

He is survived by his father and by three brothers—Guy Holmes, Roy Holmes and Eugene Holmes, all of Portland. He was born in Oklahoma in 1903 and came to Portland when he was 2 years of age.

He was one of the best developed athletes in the Portland Public High School league, but his last illness tore down his powerful physique to a mere shell of his former self.

The funeral services were held Monday from the East Side funeral chapel. Members of Franklin high school, former school mates of the deceased, were pallbearers. The funeral was largely attended and the floral offerings were numerous and beautiful. The interment was held at Multnomah cemetery.
