First Mrs. Garvey Sues Marcus For Divorce

New York, Oct. 27.—Marcus Garvey, president general, Universal Negro Improvement Association, will not discuss the suit for divorce brought by the first Mrs. Amy Garvey, alleging that the president of the U. N. I. A. had, at all, secured a divorce from her by fraud, and therefore was still her legal husband.

A letter written by Mrs. Amy Garvey, his first wife, to a Jamaica newspaper, asserts that she has started legal proceedings for a divorce. On this point in her letter, Mrs. Garvey says: "Many of my friends and admirers have written to ask me to explain just what is meant by my taking divorce proceedings against Mr. Garvey when he is alleged to be married. I should like to say that the time in 1920 Mr. Garvey brought an action against me for divorce in the city of New York. After several months he placed a motion before the supreme courts asking for leave to discontinue (after he had himself impeached the witnesses in his own case by placing some of them under arrest). I strenuously opposed his motion but some time in the spring of 1921 Mr. Justice Finch granted him leave to discontinue. Shortly after this I sailed for Europe and some time in 1921 I received an unsigned cable from America, reading thus: 'Mrs. Amy Garvey, judgment of divorce was obtained against you over a month ago, you are now free. Garvey is married.'"

"I instructed the Western Union to trace and inform me as to its sender. Within twenty-four hours I received the following letter:

"Dear Madam, we are advised that the sender of your cable is one Mr. Marcus Garvey, of New York City, of 56 W. 135th street."

"I then got in touch with my solicitors and they informed me that the state did not recognize Mr. Garvey's second marriage, and advised that I take divorce proceedings. I retained a firm of solicitors in London, who are commissioners for New York to represent me, and they instructed my attorneys in America through the American consul general's notary, hence my intended trip to New York."

Good Work Done

At 314 Macleay building, where Miss Helen Logan and Mrs. E. D. Cannady conducted an intensive campaign for the past six weeks for the election of Coolidge and Dawes, much pleasure is being experienced over the wonderful success of their candidates. This headquarters, which was a part of the Republican state central committee, served as a clearing house for information during the political campaign. Literature, buttons, stickers for automobiles were distributed in large portions to interested voters. Never before in the history of colored people in the state was there so much interest in a political campaign, and so successful was the conducting of this office that in the future it is hoped such an office will become permanent.

Among pleasant callers at the Advocate this week were: Messrs. Bel-tazar, Hutchinson and Venable of Oakland, California.

Shaw Quartet Will Sing

On Friday evening, November 14th, at the Patton Methodist Episcopal church, Alberta and Michigan Ave., Miss Freita Shaw and her quartet will give a concert.

Roland W. Hayes Makes Big Hit At Columbus

(Preston News Service)
Columbus, Ohio, Nov. 6.—Possibly no greater musical treat has come to the citizens of Columbus than the appearance of Roland W. Hayes, the internationally known negro tenor who sang here Friday night at the new auditorium at Central high school.

Mrs. Margaret Perry Haist, head of the voice department of the Morey School of Music, said: "When I heard Roland W. Hayes, the distinguished negro tenor, sing in Paris at the Salle Gaveau, during the summer of 1923, I classified him in the art of exquisite finished concert singing with such artists as Graveure, Ponselle, Brullau, Williams and Galli-Curci. He is the one outstanding figure in the world of art today and a model for every young American singer to emulate. Roland Hayes does not talk music—he really sings it. I find his voice no less charming than when I first heard him in Paris."

We were pleased to have a call Wednesday from the Honorable Mrs. Bettie Knox.

A Card Party

Dahlia Temple will give a card party Tuesday, November 18th, at the Stag Club, 381 1/2 E. Morrison St. There will be two first prizes for man and woman, and two booby prizes. A great time is planned and the public is invited.

Will Enter Float

Responding to an invitation from the Armistice day parade committee, Dahlia Temple will enter a decorated automobile in the parade on Tuesday, November 11th, at 11 A. M.

Cal Jackson, the machinist, is here from his new home in Los Angeles, where he and his brother Bob are conducting an auto repair shop.

Baron D. Wilkins' Slayer Guilty

Julius Miller, or "Yellow" Charleston" as he is best known, who shot and killed Baron D. Wilkins, noted sporting man of Harlem, New York, on May 24th, was tried last week by a jury and found guilty of murder in the first degree.

This is Maurice E. Crumpacker, who will represent us in Congress.

Mrs. Wm. Buford, 700 First Street, announces the engagement of her friend, Miss Birdie Giveens, to Cecil MacCally. The wedding will be solemnized in January, date announced later.

Society Minstrels Entertained

On last Monday night at Stag Auditorium the Hard Time Club of the Household Ruth entertained at a party for the pleasure of those who participated in the Society Minstrels a few weeks ago at the Portland Woman's Club, 448 Taylor St. Old fashioned dances, including the quadrille which was called by Mrs. Lillian Morrow, were engaged in. Miss Blanche Ross pleased with her toe dancing and each member of the minstrels gave a special dance all their own. Mrs. Esther Atkins, the Dixie Strollers and Ralph Flowers furnished the music for the occasion, for which the entire party was very thankful. Refreshments were dispensed by Mesdames Louise Thomas and Ida Collins, assisted by other ladies of the organization. A right jolly time was had.

J. A. Mercer, a local business man, has engaged a suite of offices in the Panama building, Third and Alder Sts., where those who wish may call to see him.

The Associate Editor of The Advocate sang at the Patton Methodist church Sunday night to a full house. She sang a group of spirituals which were well received. Raymond Cagle accompanied her. Dr. Miller, editor of the Pacific Christian Advocate, delivered the principle address. The occasion was Woman's Home Missionary day.

Hallowe'en Party Success

October 31, at Stag Auditorium, Wanauma chapter, O. E. S., gave one of the most brilliant masquerade dances ever held in Portland. The auditorium was a picture of beauty, having been dressed up for the occasion in the conventional colors, gold and black, streamers and grotesque figures of black cats and spooks of all kinds. A mob of people attended and the entire affair was reported a huge success.

Electronic Demonstration

Thursday evening, November 6th, at 7220 St. Dr. Chester F. Easter demonstrated the electronic method of diagnosing and treating diseases, in connection with a lecture on cause and cure of diseases. An interested group enjoyed the illuminating entertainment.

Commits Suicide

James A. Garfield, editor of the Washington, D. C. Tribune, committed suicide in Cincinnati, Ohio, last week by jumping in the Ohio River. The cause of his rash act, it is thought, was his failure to make his paper go. It is also said that he was in very poor health.

Motor to Salem

Rev. and Mrs. Runyon of Bethel church, Mesdames L. K. Weeks and E. L. Jamison and Dr. Lee motored to Salem Wednesday and spent the day as the guests of Mr. and Mrs. Charles Maxwell. Dr. Lee entered the school of divinity in Salem. The party reports a pleasant trip.

DOINGS OF THE ELKS

Elks Head Very Ill
J. Finley Wilson, Grand Exalted Ruler of Elks and editor of the Washington Eagle, has been very ill at his home in Washington suffering from an attack of high blood pressure.

Bill George F. Sanders is on the sick list and has been for some time. Being a strong-willed Elk he refused to take to his bed.
The biggest talk among the Bills at present is about the coming election of officers which will take place on the first meeting night of December. Rumor has it that several "dark horses" are grooming themselves to make the race for the office of Exalted Ruler.

Bill Grice, a true blue Elk who is now in Galveston, Texas, writes to some of his brothers that he is now a full-fledged stevedore on the Galveston Bay wharf.
Sad to say we notice that charges are being made in a number of lodges and printed in some of the papers that the Antler herd in some parts of the country, the East in particular, that some of the brothers are trying their darndest to commercialize the influence of the lodges in divers ways. This should not be and the brothers who are found guilty of such low down thievery should be dealt with severely. But the reason the crooks are not brought to the bar of justice is the lack of real manhood in many of the lodges, the lack of men who will speak

Colored Citizens, You Are Needed

On next Monday evening, Nov. 10th, at Bethel A. M. E. church the National Association for the Advancement of Colored People will hold its regular election of officers for the ensuing year. In connection with the election there will be a splendid program of music and speeches. The chaplain, J. W. Tillman, will offer the invocation. Tom's Dixie Tavern Orchestra will render several selections. Edgar Williams will give an interesting account of the work of the organization, a vocal solo will be sung by ——— and J. A. Ewing, president of the association, will preside. Every one is cordially invited to attend.

Mrs. Dollie Paries returned home last Sunday morning from an extended trip South and East. While in California, Mrs. Paries gave five song recitals which were successful.

Let us introduce you to our president, Calvin Coolidge.

Charles McNary, who was re-elected by a big majority in the U. S. Senate

out against graft and attempt to commercialize the influence of the lodge.

G. N. White, a substantial big hearted Bill, is reported to be somewhat indisposed and is taking a layoff from his job at the custom house.

J. W. Ingersoll, the tailor, and a worthy member of Rose lodge of Elks, is doing duty as a jurymen for the month of November on the circuit court panel.

Uncle Sam As A Business Partner

Pittsburgh, Pa.—How Uncle Sam becomes the actual partner, and the hardest and most efficient worker in most of the private industries of the country, was the note most strongly emphasized by the leading speakers at the convention of the Direct Mail Advertisers Association here yesterday.

But the most concrete and epigrammatic presentation of this fact was that made by E. D. Gibbs, advertising director of The National Cash Register Company of Dayton, Ohio, who pointed out that Uncle Sam using every known means of transport, by rail, steamship, airplane; snowshoe and sled in the far north; horseback and bicycle in the rural districts, regardless of expense or danger, transports the messages of business all over the world at the cost of a postage stamp.

And then Mr. Gibbs let the postage stamp speak for itself thus:
I am LICKED before I start out, yet I always deliver the goods. I am STAMPED on at the beginning but never at the finish. I always get in a CORNER and I start in by getting in a BOX but I find my way out. I sometimes look like TWO CENTS but that doesn't lessen my importance. I always have a HEAD on me but I keep it to myself. I've got to be STUCK on something before I can do any work. I'm just a little piece of paper with the seal of UNCLE SAM. But the business world without me isn't worth a tinker's damn.

The Guilty Should Be Punished

Last Sunday morning a mob of colored people broke into the home of Luther Thornton and beat him into insensibility. It is reported that Thornton had been accused of molesting two white women.

Colored people suffer more from mob violence than any other group in America, we have cried out loud against mob violence, consequently every effort should be made to keep our skirts clear. The sheriff and police department should find those who participated in the crime and punish them to the limit of the law.

We do not condone the crimes of our people whether committed against white or black people. A great deal of our effort is spent defending numbers of our race charged with crimes. It is made necessary because of the inability to secure justice in some of our courts.—The Bystander, Des Moines, Iowa.
