COLORED PEOPLE AND AMERICA

Marcus Garvey who writes from his cell in the Atlanta penitentiary, and some of his disciples say that the colored race can never come into its own in America, and that its only salvation is to go to Africa, there to build up a great and powerful empire.

This progress, we hold answers Garvey's charge that the colored race can never come into its own in this country. It is coming into its own, but steadily into its own. That Africa offers golden opportunities for those who go there, is doubtless true, and as knowledge of this grows among our group, venturous youth may seek its fortune there. It cannot be doubted that there will ever be the evacuation of America by some colored people. While it is possible for many to go it is not very probable.

A LITTLE CHILD SHALL LEAD THEM

A few days ago we chanced to pass one of our public schools during a recess period and noted with pleasure the children both white and black playing several games with great zest, as becomes any normal group of children but without any apparent thought of race or creed to disturb their play.

PORTERS REFUSED PERMIT

The City Council refused Wednesday, to grant a permit for the Pullman Porters Social Club, 328 1/2 Williams Avenue. The objection made by Police Captain Circle, was that the club is up stairs and would be hard to inspect.

However, if the Superintendent of the Pullman Company would approve, he would OK the permit.

WONDERING

Do you suppose a minister wonders as much over why he didn't get elected as you do? Do you wonder why he wasn't called, when the families had been lifelong friends?

Bob LaFollette Jr., in his race for the United States Senator, to fill the place made vacant by the death of his militant father, brought home the Bacon in the Election in Wisconsin last Tuesday.

Bert Haney has won already the Democratic nomination for United States Senator from Oregon if he wants it. Besides, a lot of Republicans are saying some mighty good things about him.

RACE PROBLEM SOLVERS

If character and sincerity of purpose were coupled with the education and the loud and vociferous protest against segregation and discrimination that is being made by some of the would-be leaders, parading as race problem solvers, a great good would result from their preaching.

Billy Sunday, the noted evangelist, who is holding a seven weeks meeting here, has done at least one thing. He has put Mayor Baker on the job of closing up gambling clubs.

THE BROAD-AX

During our twenty two years in the newspaper game, we have seen hundreds of special editions of Race news papers, but none of them so far has measured up to the one put out recently by the Chicago Broad-Ax.

Germany has decided to set aside a sum, estimated at twelve million marks, to pay the wages of native African troops, owing to them for the past seven years.

CHECK THE WHITE PRESS

With increasing frequency the metropolitan press of the country proceeds to saddle crimes upon members of our race which crimes, subsequent developments have proved, were committed by whites.

Only a few months ago the North York press tried to fasten the brutal murder of the Kane girl on a Negro. A number of Colored men were arrested and held on charges of suspicion, for investigation. No evidence however, has as yet been uncovered to indicate that any of these men were guilty.

Walter F. White, Assistant Secretary of the National Association for the Advancement of Colored People, urges members of the race to protest to newspapers against the policy of playing up alleged Negro crime, and if such papers insist on exploiting the Negro, to boycott them.

HOTEL NOTES

William West former clerk at The Portland, for the past ten years a citizen of California, was here this week to the funeral of his mother.

Mr. Edward Boyce, President of the Portland Hotel Company, has returned from a business trip to several towns in Washington.

The Steamer Admiral Evans, which made its maiden trip to Portland Sunday, has a crew of jolly, fine looking waters and they are setting a mighty hot pace for the Portland boys.

United States Senator, Robert N. Stanford, was a Portland visitor last Sunday.

DOINGS OF THE ELKS

E. W. Morton Grand organizer of Elks, takes the cake when it comes to visiting the sick brothers.

O. S. Thomas, the Dixie Tavern proprietor and a member of Rose City Lodge of Elks, is on the sick list.

George Randall, Pullman porter and one of Rose City Lodge's "Bills" is reported ill at his home on Union Ave.

ORTHODOX JEWS ARE AMAZED AT BLACK RABBIS

Congregation Of Several Hundred Worship Judaism In Chicago; Claim They Are The Only Real Jews

Chicago, Ill., Sept. 30. — (By P. N. S.)—According to a report circulated here last week some Orthodox Jews chanced to attend the services held in the Temple of the Gospel of the Kingdom at 1850 West Lake Street there and were amazed to hear the Negro Rabbis declare to the congregation, of several hundred, that they alone were the real Jews.

A few weeks ago this congregation came into public attention when Mrs. Elizabeth Miller was brought to trial accused of soliciting funds under false pretenses. It is said that at the time Rabbi David Lazarus and Rabbi Camio Stifom appeared in court in defense of the woman and their cause.

It is reported that in New York City, there is a congregation of several hundred members. The work in Chicago began four months ago and approximately four hundred persons have been converted.

It is said that at night the temple is filled with men on one side and women on the other. After the singing of several hymns, the two rabbis who are said to be very eloquent and able speakers deliver sermons laying down the truth to their hearers, and stressing the point that Negroes are the original Jews.

It is also reported that a large number of gentle whites endeavor to attend the meetings out of curiosity. Some have even blackened their faces in order to attend the services.
