Burial Certificates BY MILLER & TRACEY

Offered Absolutely WITHOUT COST

Why Pay \$60

Certificates entitle you to purchase Funeral Goods, not including cemetery, mausoleum nor cremation, at cost plus 10 per cent.

When an undertaker sells a burial certificate, your money is invested by him at the rate of 6 or 7 per cent, which would earn a fortune for him even if he never was called to conduct a funeral. One fortune is made on the certificates, and a profit is made on the funerals—hence we make no charge for a certificate as we consider this unjust.

\$60.00 INVESTED FOR 25 YEARS AT 6% COMPOUNDED YEARLY AMOUNTS TO \$257.51. WE ADVISE: INVEST YOUR OWN MONEY.

Our attention has been called to untrue statements having been made concerning our firm by certificate salesmen. We will offer \$100.00 reward to anyone furnishing any information that will assist us in convicting such person or persons. Call MILLER & TRACEY any time, DAY or NIGHT.

Beware of the agent just outside your door who likely receives a commission of about \$10.00 for every certificate he or she sells.

Many funerals have been donated by Miller & Tracey to worthy poor without cost. Hundreds of funerals have been furnished at less than 10% above cost.

Our Certificates Will Cost You Nothing But Will Save You Much When Most Needed—Write, Phone or Call
