★ WORDS OF PRAISE FROM WOMEN WHO REALLY KNOW ★

**"No Bleaching Cream Can Equal Black and White"**

Says Mrs. Daisy Lampkin, prominent Club Woman and Active in Republican Party.

*"I have made a study of bleaching creams but none I have ever tested lightens and whitens the skin so quickly as Genuine Black and White Bleaching Cream (double strength). This cream is made scientifically. That's why it brings such amazing results."*

★  
**Here's the RIGHT CREAM  
To WHITEN YOUR Skin  
It's RIGHT Because it's DOUBLE STRENGTH**

"The Double-Strength does it," say thousands of satisfied users from one end of the country to the other. And they know because they have tried it! YOU will have the same pleasant experience because Genuine Black and White Bleaching Cream is different from ordinary bleaching Creams. It is made DOUBLE STRENGTH to penetrate down into the fourth layer of your skin because that is where your skin coloring is regulated. That's why Black and White has this exclusive Double Strength feature, why it will lighten and brighten your skin to amazing fairness in record-breaking time . . . why it will fade out darkness and sallowness safely, quickly, surely and clears up bumps and pimples.

Ask your druggist for Genuine Black and White Bleaching Cream in the large pretty opal jar at 50c. Accept no substitute . . . there's nothing just as good because there is no other bleaching cream with the exclusive DOUBLE STRENGTH feature. To get best results, always cleanse your skin first with genuine Black and White Skin Soap (large bar 25c) before applying genuine Black and White Bleaching Cream (double strength).
