## SON PRAYS TO MOTHER IN N.Y. COURT

NEW YORK CITY.—When Walter O'Brien got down on his knees in court and begged his mother's forgiveness for hitting her with a black-jack, the voices in the court room were silent; you could even hear a pin fall on the floor.

Mrs. Grace O'Brien hesitated a few minutes, then she reached out and kissed Walter in the court room. Walter and his wife live with his mother. He has been out of work for three years. His mother takes care of him and his wife.

Mrs. O'Brien said that her son never looked for a job and his wife goes out with other men. Just last week, Mrs. O'Brien said that Walter brought a white girl into her house, and when she told him about it, he struck her.

Walter was arrested two weeks ago on the same charge. The court freed him, and told him that if it ever happened again he would be given ten years in jail. Walter and mother left the court room hand in hand.

## WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or "peevy gum" and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas builds up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. See at all stores. © 1931 C. M. Co.

gomery, white, British commander of the English, about to be killed by Jordan Freeman in the battle of Croton Heights during the Revolutionary War.

Freeman himself was killed before the battle ended.

William Jordan, a descendant of the black Revolutionary War fighter, represented his ancestor on the float during the recent celebration of the one hundred and fiftieth anniversary of the battle.

Another descendant of the hero, Maurice Jordan, a boy scout, was introduced by Governor Cross and given an ovation by the crowd.

## COMFORT for COLICKY BABIES

with Castoria's gentle regulation

"The best way to cure colic," says a famous doctor, "is to prevent it." And the best way to prevent it is to avoid gas in stomach and bowels by

keeping the entire intestinal tract open, free from waste.

But there's one thing to remember here. A tiny baby's tender organs cannot stand harsh treatment. They must be gently urged.

This is just the place Castoria comes to a mother's aid. Castoria, you know, is made specially for the delicate needs of babies and children. It is a pure vegetable preparation which is absolutely harmless. It contains no harsh drugs, no narcotics.

Children never fight Castoria. They like its taste and the relaxed comfort its gentle regulation brings.

For many years it has helped mothers through trying ordeals with colicky babies, with children suffering from digestive upsets, colds and other little ailments. Keep it on hand for your children. You can always tell genuine Castoria by the name Chas. H. Fletcher.
