"SICK HEADACHE?"

It is not necessary to give-in to headaches. It is just a bit old-fashioned! The modern woman who feels a headache coming on at any time, takes some tablets of Bayer Aspirin and heads it off.

Keep Bayer Aspirin handy, and keep your engagements. Headaches, systemic pains, come at inconvenient times. So do colds. You can end them before they're fairly started if you'll only remember this handy, harmless form of relief. Carry it in your purse and insure your comfort while shopping; your evening's pleasure at the theatre. Those little nagging aches that bring a case of "nerves" by day are ended in a jiffy. Pains that once kept people home are forgotten half an hour after taking Bayer Aspirin! You'll find these tablets always help. If

you get real aspirin, you'll get real relief. In every package of genuine Bayer tablets are proven directions which cover headaches, colds, sore throat, toothache, neuralgia, neuritis, sciatica, rheumatism, etc.

The tablets stamped Bayer won't fail you, and can't harm you. They don't depress the heart. They don't upset the stomach. So take them whenever you need them, and take enough to end the pain.
