NON-PARTIZAN CONFAB

(Continued from page one)

The Negro in the South is the only element of our population that labors under the disability of disfranchisement. This does not apply equally in all Southern States. In Delaware, Maryland, West Virginia. Kentucky

Eligible Negro Voters in The South There are thousands of eligible Ne-There are thousands of eligible Negro voters in every Southern State under existing limitations. They should be encouraged to qualify and vote under these restrictions until such time that they can be removed. They that they can be removed. They should not permit themselves to be should not permit themselves to be too easily intimidated. No man is circumspect in their conduct so as to street Wednesday night. contend for them. It ought not require any extraordinary courage for a an eligible Negro in Mississippi or Geor-gia to demand of local authorities that they live up to the law, which they themelves have made.

Vote For Best Southern Whites We endorse the advice of Congress man DePriest to Southern Negroes, to vote for the fairer minded men in several communities. The eligible Negro voters are in the hopeless minority and this is the only method by which they can hope to make their franchise effective. As the case now tands, it would appear that if the Southern Negro ever hopes to regain the use of the ballot, it will not be by national compulsion, but by local pro-National Association for the Advance-

ment of Colored People The thanks of the entire race are due to the National Association for the Advancement of Colored People President, Howard University, and R. for prosecuting the franchise rights of R.
