Colored people in Porland own many automobiles. Why can't they get their heads together and make over their heads together and make open ings at service stations for the em ployment of some of their men? station or two on Broadway, between Union and the river would be a good location for Negro service station at tendants as practically all of the Ne gro activity is central near this lo-cation. Combined support of such a station or stationarby the Negro drivers of cars would certainly pay the owners of such station for such employment or recognition of the colored patronage.

Reduces COLDS 66% and relieves SORE THROAT

Now, science has studied ordinary people leading normal lives and has proved that those gargling with Listerine twice a day had 66% fewer colds than those who did not use it. This is because full-strength Listerine kills the common cold germs-almost instantly! And consequently, when germs have made your throat sore, you can kill the germs and relieve your throat by gargling Listerine. Lambert Pharmacal Co., St. Louis, Mo.
