AVERAGE NEGRO ELEMENTARY TEACHER'S SALARY \$548

Louisville, Ky. Aug. 17- (A.N.P.)-The National Advisory Committee on the Education of Negroes met in Louisville, Ky., last week in connection with the convention of the National Association of Teachers in Colored "I LOVE THAT MAN" AT LIBERTY Schools. This was the fifth meeting since the organization of the Commit-tee in 1930, fts function has been to advise with Dr. Ambroso Caliver, Specialist in the Education of Negroes, U. cialist in the Education of Negroes, U. S. Office of Education, with reference to the special surveys of secondary education among Negroes and the education among Negroes and the education starting at the Liber-

cation of Negro teachers, as well as problems arising in connection with the regular work of the specialist.

The particular feature of this meaning was a report by Dr. Caliver of the findings and conclusions of the Survey of the Education of Negro Teachers that here here in progress due to the categories and the education starting at the Libertant for the construction starting at the construction starting at the Libertant for the construction chers, that has been in progress du dence" man who engages in every ring the past three years and which known "skin-game" to best the public

ring the past three years and which is now completed.

Although variations exist between different states, the following are a few of the findings and conclusions reported: (1) In general, the preparation of Negro elementary teachers in 1930-31 was far below standard; (2) about 22 per cent had not progressed beyond the fourth year of high school. (3) 56 per cent ranged between high school education and the accepted minum of two years of college (nearly half had not reached that standard); bats extraoridinary, formerly on RKO (4) only 22 per cent had more than circuit. The Keene Twins and Vic altwo years of college; (5) in two states more than 50 per cent of the Negro but a different variety, while Hale, Hilton and Lewis contribute a fast-movement of the same states; (6) the median and Lewis contribute a fast-movement of the same states; (6) the median and Lewis contribute a fast-movement of the same states; (6) the median and Lewis contribute a fast-movement of the same states; (6) the median and Lewis contribute a fast-movement of the same states; (6) the median and the same states; (6) the median and the same states and vic alternation of the same states. in the same states; (6) the median an- Louise who are known as the "Hoko nual salary of Negro elementary tea- Maniacs' chers was only \$548, and ranged as | Matt Howard and his Music will be low as \$394 in onestate.

Some recommendations based on rangement. other findings of the survey were: (1) Teacher-preparing institutions for Negroes should raise their entrance BROADWAY — "Her FiFrst Mate." requirements; (2) they should inaugurate definite programs of student personnel research and administration; nie."

(3) less variation should exist in the MUSIC BOX — "A Bed of Roses". curricula policies and practices of Negro institutions; (4) special attention ORIENTAL — "Professional Sweet-should be given to the selection and heart." preparation of rural teachers; (5) ru-ral teaching should be made more attractive to Negro teachers with high qualifications; (6) the dual certifications; (6) the dual certifications." on system for white and colored tea chers should be discontinued and Ne- CAPITOL - "Jungle Bride," and vaugro teachers should be certified and allowed to teach only those subjects for which they have had special preparation; and (7) high school facili-ties should be extended and improved ALDER — "Me and My Gal." in order to provide better prepared applicants to the teacher- preparing CIRCLE - "Private Jones."

ment was made concerning the follo-wing three studies, which have also been completed and are soon to be released by the U.S. Office of Educa tion: A study of rural elementary edu cation among Negroes under Jeanes supervisors; A background study of Negro college students; and A survey of secondary education among Ne-

> Talking of politics and political par-City, was a visitor at the shop while ties: they change with the times just I was there. He said the entire credit as wearing apparel changes in style for the success of their business be- with the times. The major political longed to his wife.
>
> parties of today are just as far removed from the traditions of former years as the style and cut of dress is. Do you think for one instant that Andrew Jackson would recognize the pre-sent administration, or that Grover Cleveland would believe that it is the same Democratic party that he headed. Do you believe that Abraham Lincoln would have condoned the principles espoused by the administration of the government as conducted by the one preceding the present? Times change policies of a nation and the real party of humanity is that one who strives for the benefit and welfare of all. In fact party lines, except for the purpose of designation, are but imaginary ones. The majority of the electorate are PROGRESSIVE. The dyed in the wool partisan is dying out

> > WHAT IS WANTED FROM THIS ADMINISTRATION IS: A fair proper tion of the jobs to be given on the public works projects to Negroes. An equitable slice in the home loan where deserved. No discrimination in the apportionment of work, whether state, municipal, or national. We are not so eager after seeing about the white collar jobs of the few as we are about the overall jobs of family bread winners. We have the confidence that a just and equitable consideration will be given to the impartial apportionment of the work. But we must not walt for it to be handed to us on a siver platter. We must go after it.
