THE SCOPE AND PURPOSE OF THE PRESIDENT'S RE-EMPLOYMENT EMERGENCY CAMPAIGN

MUNICIPAL PAVING PLANT

(Continued from page two)

While, as has been stated, it is desired that liberal use of the insignia be made by employer and consumers, it is to be remembered that the official NRA emblem is the pro-perty of the United States Government and may not be used or reproduced without authority of the National Recovery Administration

The lists of all employers who sign the President's Agreement are displayed in local postoffices and it is urged that all employers who have not yet signed the agreement do so immediately and deliver them to their local postmaster.

With some minor exceptions, the terms of the President's Agreement with employers with some minor exceptions, the transformer of a factory or mechanical worker or artisan must is briefly, as follows: Any mployer of a factory or mechanical worker or artisan must not pay less than 40 cents an hour or work him more than 35 hours a week, except that if the employer were paying less than 40 cents for that kind of work on July 15 the employer can pay that rate now, but not less than 30 cents an hour. As to all employees-those on a weekly rate—the employer will pay not less than \$15 a week in a city of over 500.000 population; or \$14.50 a week in cities of between 250,000 and 500,000; or \$14 a week in cities between 2,500 and 250,000 population; or \$12 a week in cities of less than 2,500 population, and the employer agrees not to work this class of workers more than 40 hours a week. As to employes who were getting a higher wage, the employer must not reduce their wages because of a reduction in their hours and he should generally keep the usual pay differences as between the lower and the higher paid employ's. And after August 31, he must not work children under 16 years of age. There are, of course, some other rules which apply to special cases, but the terms of the agreement as here outlined cover the large bult of cases.
