FRIDAY, MARCH 18, 1905.

In this day and age there are friends and friends, some are friends indeed and some are friends for revenue only. If one ever has need of a friend they will find out which is which. The revelation is sometimes startling but nevertheless quite true and the knowledge thus gained is most valuable.

And now that it is a settled fact that the old land office officials at Roseburg are to be replaced by new men the applications are swarming in from all portions of the state of men who are willing and even anxious to serve their country in that capacity. The patriotism (?) of some of the American people in case of emergencies like this is something wonderful indeed.

Today, (Friday) is St. Patrick's day and the "Wearing of the Green" is in evidence on the streets of Jacksonville. The hills and fields in this vicinity, too, are wearing a beautiful mantle of green such as people coming here from the east have never seen at this season of the year. Hillsides, fields, meadows and mountains in Southern Oregon are as green as the "Emerald Isle" itself at this season of the year and while the shamrock may not bloom in the meadows nor in the gardens yet many other varieties of tame and wild flowers are in bloom on this St. Patrick's day.

THE JOURNAL

MONEY FOR BOYS

Boys—of every age in every town, large or small, in our Oregon country—can earn money, and earn it easily, selling THE DAILY and SUNDAY JOURNAL. No money is required to make the start, and only the ability to hustle is needed. To any boy who will try the plan we will send 10 copies of THE SUNDAY JOURNAL, to be sold at 8 cents each. After that all papers that are required will be delivered to him by mail or express at wholesale prices, and he becomes a "full fledged newspaper dealer." You can earn any time, and if successful handling THE SUNDAY JOURNAL, then orders can be sent in for THE DAILY JOURNAL.

THE SUNDAY JOURNAL contains ALL THE NEWS, and many special features of interest to men and women, and, besides, has all the children's comic pages carried by the big Sunday papers of the east.

JOURNAL boys are making as much as \$5 to \$8 a week in small towns in the northwest. Don't you want to try it?

\$35 IN CASH

As extra prizes will be devised monthly, in addition to the regular profits, among those JOURNAL boys who do the best work—who increase their orders the largest percentage. In this way the boys in the smaller places will have as much chance to earn this extra money as those in the larger towns. Get in THE JOURNAL procession: THE JOURNAL is a winner!

Address, THE JOURNAL, Portland, Or.

Lewis and Clark Centennial.

International scope is assured to the Lewis and Clark Centennial Exposition to be held at Portland, Oregon, from June 1st to October 15, 1905, by President Roosevelt's approval of the act of Congress making an appropriation for the Exposition, and his invitation to foreign countries to participate. Portland's Exposition will represent a total outlay of over \$5,000,000. Though covering 405 acres of land and natural lake, it will be compact in form, and the average person will be able to see and comprehend it all in a few days at moderate cost. The cream of the foreign and domestic exhibits to be made at St. Louis this year will be transferred to Portland at the close of the Louisiana Purchase Exposition. The United States exhibit will be moved entire to Portland and installed in building to be specially erected. This exhibit will be worth \$800,000. In addition Portland will have many features which will not be seen at St. Louis, such as exhibit demonstrating the life, customs and industries of China, Japan, Hawaii, Siberia, Russia, Alaska, Australia, New Zealand, the Philippines and India.

The Lewis and Clark Centennial will be the first international exposition under Government patronage ever held on the Pacific Coast. It will be in every way a Western exposition. The railroads will make low rates from Missouri and Mississippi river points to Portland, and exceptionally low rates will be in effect between Portland and the Rocky Mountain region.
