SUMMONS.

In the Circuit Court of the State of Oregon, for the County of Jackson.

Ida L. Wilson, plaintiff vs. Charles F. Wilson, defendant.

To Charles F. Wilson, defendant.

In the Name of the State of Oregon: You are hereby required to appear and answer the complaint filed against you in the above entitled Suit within ten days from the date of the service of this Summons upon you, if served within this County, or if served within any other County of this State, then within twenty days from the date of the service of this Summons upon you; and if by publication, then on or before the expiration of six weeks from the commencement of such publication and if you fail so to answer for want thereof, the plaintiff will take a default against you, and will apply to the Court for the relief prayed for in her complaint, viz: For the dissolution of the marriage contract now existing between the plaintiff and defendant, and for the award to plaintiff of the care and custody of the minor child of said parties, and such further relief as to the Court may seem equitable.

This Summons is published pursuant to an order made by Hon. H. K. Hanna, Circuit Judge of the First Judicial District at Chambers in Jacksonville, Oregon, on the 21st day of August, 1903, which order requires that this summons be published in the Jacksonville Sentinel, a newspaper of general circulation published in Jacksonville, Oregon, for a period of six weeks.

The date of the first publication of this summons is August 21, 1903.

LOCAL NOTES.

Prof. T. A. Hayes of Ashland left Tuesday for Albany to assume his duties as superintendent of the public schools of that city, to which position he was recently elected. Mrs. Hayes and children will join him in a few days.

H. Vonder Hellen, postmaster, school director and general helper when occasion arises, was in Jacksonville Tuesday greeting his many friends, doing some trading and transacting some business at the court house.

Miss Emma Armstrong went to Ashland Tuesday to remain until Saturday a guest of Mrs. J. C. Whipp. During Miss Armstrong's absence, her sister, Mrs. A. F. Carpenter of Willow Springs is staying with their mother, Mrs. M. J. Armstrong.

Miss Louise Garrett, who for the past two weeks has been a guest at St. Mary's Academy, where she was a guest of her sister, Sister Mary Mark, left Tuesday for her home in Detroit, Michigan. The two sisters had not met for 23 years since Miss Garrett was a little girl and their meeting was a very happy one.

H. O. Childreth has resigned his position with the Iowa Lumber Company after having worked at that Company's saw mill for a year and Tuesday he left for Medford where he has accepted a position as teamster on Mr. Gore's fruit farm. Mr. Childreth is a steady, reliable young man not of the class that is always looking for a better job and better wages and at the end of the year find themselves no richer than at the beginning.

Miller at the Postoffice hardware store carries all kinds of miners tools and supplies and his supplies and prices are right.

R. Vinton Beall, who conducts the Wayside photograph gallery at Central Point, was in Jacksonville, Monday accompanied by his mother, who was here to attend the funeral of the late John E. Harvey. Mr. Beall, who holds the reputation of being one of the best photographers in Southern Oregon, has not been well much of the time this Summer, but he is in good health and he is getting out his photographic work on time now and he is having a fine patronage.

D. A. Hanna, Pacific Coast representative for The Packer, of Chicago, the leading trade paper in the United States for growers and dealers, was in Jacksonville last Friday accompanied by B. J. Trowbridge, the wellknown real estate dealer of Medford. Mr. Hanna is visiting all the apple districts of the Pacific Coast looking at the apple outlook and soliciting business for his paper. He paid the Rogue River Valley the compliment of having orchards for, size and perfect conditions, equalled by few on this coast and as for the quality of its apples this valley was at the head, its Newtons having no superior.

Rev. T. L. Crandall, pastor of the Baptist church in Medford, has resigned his pastorate and accepted a call to the Baptist church in Loyalton, a town of 5,000 people, in Sierra county, California, where he is to get a salary of \$1200 a year, which is double that paid him in Medford. Rev. and Mrs. Crandall will leave this month for their new home. Rev. Crandall leaves the Medford church in good condition, it being the strongest church organization in that town, and his leaving is a matter of sincere regret to his congregation and his many friends in Medford and vicinity. Both Rev. and Mrs. Crandall are personally popular with the Medford people, but Rev. Crandall's change was purely a business expediency as he is well along in years and like most ministers he has given more than was his share of his time and his means to his work and now he must provide against the day when he can no longer hold a position.

What Is Life.

In the last analysis nobody knows, but we do know that it is under strict law. Abuse that law even slightly, pain results. Irregular living means derangement of the organs, resulting in Constipation, Headache or Liver trouble. Dr. King's New Life Pills quickly readjusts this. It's gentle, yet thorough. Only 25c at City Drug Store.
