From the oldest, finest woolled Oregon bred flock, Thirty head of

MERINO RAMS

One to four years old; medium sized, short jointed. Bred for crossing with leggy, loose-wooled ewes. Best gleaners of orchard, hop-yard or field; and most self-helpful of wool and mutton sheep. Care taken to fill orders by mail.

Minto & Waln,
Salem, - - Oregon

NOTICE FOR PUBLICATION.

Department of the Interior.
Land Office at Roseburg, Oregon, Sept. 28, 1903.
Notice is hereby given that the following named settler has filed notice of his intention to make final proof in support of his claim, and that said proof will be made before Silas J. Day, U. S. Commissioner, at Jacksonville, Oregon, on November 14, 1903, viz: H. E. No. 1182, William M. Swartzfager, for the SW¹/₄, NW¹/₄, NW¹/₄, SW¹/₄ Section 18, Tp 40 S, R 1 W.

He names the following witnesses to prove his continuous residence upon and cultivation of said land, viz: George C. Culy of Steamboat, Jackson county, Oregon; Jacob C. Knutzen of Steamboat, Jackson county, Oregon; Charles S. Swartzfager of Steamboat, Jackson county, Oregon; Albert W. Shearer of Steamboat, Jackson county, Oregon. J. T. BRIDGES, Register.

If you want to rent a farm or have land to rent see T. C. Norris, Jacksonville.

John Mills a farmer residing on Griffin creek is seriously ill with pneumonia, but a turn has taken place in his case and his recovery is now quite certain.

Mrs. Max Muller arrived from Oakland, California, Thursday in Medford and is stopping with her daughter, Mrs. Joseph Murphy of that place. Mrs. Muller came over Sunday to spend a short time with friends in Jacksonville. She will remain in Oregon about a month while looking after her property interests here, she having considerable property in Jacksonville. As yet she has made no disposition of her fine dwelling house on East California street. She has had several applicants to rent it but has refused them, though later on she may rent or sell the place.

A New Club Organization.

The Gold Ray Rod and Gun Club, the temporary organization of which was made last Sunday week, is to give a grand ball at the Club's new headquarters in Gold Ray on Saturday evening, October 10th. The best orchestra in Southern Oregon will be employed and the best prompter and the best floor manager, and a fine oyster supper is to be served altogether making the evening's amusement such as will be sure to please all who attend. The lumber for the club house is being furnished by the Iowa Lumber Company and teams are delivering it, hauling it by way of Gold Hill to the Club's grounds on the east side of the river and about 40 rods above the dam. The building is to be 40x80 two story high. For the present the building will not be finished fully but that will be done in the near future.

A meeting of the Club will be held this Sunday at which time permanent organization will be effected. Of the temporary organization A. E. Reames of this place is chairman and J. L. Hamersly of Gold Hill, secretary. The capital stock of the Club is \$5000 in shares of \$25 each. The committee on membership is John S. Orth, Jacksonville, Court Hall Medford, and A. S. Hammond, Grants Pass, to whom persons wishing to join should apply.

Dr. C. R. Ray, for the Conder Power and Water Company, has donated the lease to the Club of the fishing privileges of the pond formed by the dam across Rogue river, which is more than a mile long and in places nearly a quarter of a mile wide, the water having overflowed much of the bottom land, and also the hunting privileges of the Company's lands which embrace several thousand acres along Rogue river. The Club will stock the pond and upper Rogue river with all kinds of fish and import game birds to add to those now in the Valley. The Club will also see to it that the state fish and game laws are strictly enforced.

Don't forget next Monday, one day only, Oct. 5, Dr. Lowe, the well known oculo-optician, will be in Jacksonville at Mrs. Taylor's. Don't fail to have him test your's and your children's eyes.

John Huffer Sr. for 51 years one of the prospectors of Southern Oregon and who has made many a rich find of gold in the hills about Jacksonville, has now become imbued with the fruit fever as the result of a find that he lately made in a canyon up Jackson creek while on a recent prospecting trip. In an open space in the timber he found an apple tree apparently about eight years old that was loaded with apples that were of very fine appearance and large size. As it is a late ripening apple he could not learn its quality but he will visit the tree from time to time and when the fruit is ripe he will harvest the crop and submit samples of the apples to fruit experts for their opinion as to the value of the apples. The tree is a seedling from seed dropped by a bird more than likely that had been foraging in the near-by orchards of Mr. Linn or Mr. Reed and it is very thrifty and handsome appearing with broad leaves and a shapely top. Mr. Huffer thinks that it may prove to be an apple of value and become one of the leading varieties of Rogue River. The Bennett Seedling, now coming to the front as the first native apple to gain a standing among Rogue River fruitmen and which bids fair to be one of the best market apples grown in the Valley, was found growing in a fence corner on the farm of J. L. Scott on Evans creek and it is quite within the range of possibility that the Huffer apple may become one of the noted Rogue River apples that will add to the prestige of this Valley as the best apple district of the Pacific Coast.

Advertised Letters.

The following is a list of letters remaining uncalled for in the Jacksonville post-office August 31, 1903.

Brown, Eld A. Johnston, Josie

JOHN F. MILLER, P. M.

Saves Two From Death.

"Our little daughter had an almost fatal attack of whooping cough and bronchitis," writes Mrs. W. K. Haviland, of Armonk, N. Y. "but, when all other remedies failed, we saved her life with Dr. King's New Discovery. Our niece, who had Consumption in an advanced stage, also used this wonderful medicine and to-day she is perfectly well." Desperate throat and lung diseases yield to Dr. King's New Discovery as to no other medicine on earth. Infallible for Coughs and Colds. 50c and \$1.00 bottles guaranteed by City Drug Store. Trial bottle free.
