Mrs. M. E. Houser, late of Butte, Montana, and who has been in Jacksonville for some time a guest of Mrs. A. Elmer, left Monday for Napa, California, where she will spend several weeks with a brother who resides there.

Joseph A. Bish, principal of the Phoenix school has been granted a state diploma by the state board of education. Mr. Bish is one of the progressive, and most successful teachers of Jackson county and the raising of the grade of his certificate is an honor that he has won by hard study and diligent application to his vocation.

Mrs. A. Elmer has received word that her son Alfred, who went to California last month, is now employed on a street car line in Oakland. He could have secured a position in San Francisco but he was under the age limit of the car companies of that city. Mrs. Elmer's other son Ernest, who has been in San Francisco for over a year is working at the painters trade and earning good wages.

W. R. Dickinson, who has a fine farm and orchard at Table Rock was in Jacksonville Thursday. Mr. Dickinson is heartily in favor of farmers institutes and expressed his appreciation of the efforts of the Jacksonville board of trade in securing the splendid array of talent for the institute to be held in Jacksonville on Saturday of next week. Mr. Dickinson stated that he should attend the institute and was certain that many of his neighbors would also attend.

Toilet Cases, smoking sets, glove boxes, handkerchief cases, traveling cases. Medford Book Store.

Eugene R. Armstrong received a notice Tuesday from Postmaster Bancroft of Portland stating that he had been placed on the list of letter carriers for Portland. Mr. Armstrong left Thursday for Portland and he expects to take up his new work next week. He took the examination last spring and passed successfully but he had to await his turn for a position. Mr. Armstrong was formerly a carrier in the Portland postoffice service but resigned on account of ill health and as he made an average of 97 per cent in his examination he will go into the first class and will receive a salary of \$1000 per year.

The Sentinel office has been made bright this week by a large bouquet of choice chrysanthemums embracing more than thirty varieties a compliment from Mrs. S. P. Jones. Mrs. Jones has some of the finest chrysanthemums in all Southern Oregon she having nearly 50 varieties many of them being rare, imported kinds, bearing flowers of the most delicate tints and as lustrous as silk. Chrysanthemums being a semi-tropical plant it takes much care to grow them to perfection even in the mild climate of Southern Oregon, but Mrs. Jones has given such attention to her plants that the flowers are as large and perfect as though grown in the most favored localities.

J. P. True, who reside on Griffin creek where he and his sons have a fine farm was in Jacksonville Thursday morning on business at the court house. Mr. True though 71 years old walked the five miles from his place to Jacksonville, arriving here as fresh as a man of 30, for he is one of the many old persons in Jackson county who at 70 are yet in their prime, the wild climate of Rogue River Valley precluding pneumonia and those other diseases so fatal to aged people in the Eastern states. Mr. True preferred to walk rather than stop one of his teams from the farm work. Mr. True is another one of the many farmers of Jackson county who see the benefit farmers institutes are to the farmers and he and his sons will attend the institute to be held in Jacksonville on Saturday of next week. Mrs. True is in rather poor health this winter, but an early restoration of her health is anticipated by her family.

"I was much afflicted with sciatica," writes Ed C. Nud, Iowaville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment I ever used; have recommended it to a number of persons; all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of light labor on the farm." 25c, 50c, \$1.00. Sold by City Drug Store.

Cornelius J. Armstrong moved Monday with his family to a farm he owns in Josephine county near Wilderville. Mr. Armstrong and his brother Eugene have had charge of Laurelash farm, belonging to their brother, Prof. A. P. Armstrong, of Portland, for the past year, but he decided that it was more profitable to him to care for his own farm than to rent it, so he gave up his position here. For the present Laur-lash farm will be in charge of Chas. Carpenter, assisted by Robert Oglesby.
