Imperfect Digestion

Means less nutrition and in consequence
less vitality. When the liver fails to se-
crete bile, the blood becomes loaded with
bilious properties, the digestion becomes
impaired and the bowels constipated.
Herbine will rectify this; it gives tone to
the stomach, liver and kidneys, strength-
ens the appetite, clears and improves the
complexion, infuses new life and vigor to
the whole system. 50 cents a bottle. Sold
by City Drug Store.

Calcutta wheat bags, barley or oat bags,
Shawsheen linen bag twine, in lots to suit.
Nunan-Taylor Co.

Watkins Items.

P. J. Sullivan has moved into his new
house.

The rain of Saturday night raised the
river past fording.

Louden brothers are feeding 140 head of
cattle for Mr. Ashpole.

School opened again Monday after the
usual holiday vacation.

Mr. Harr went to Talent one day last
week, where he purchased a fine year-
ling colt.

The prospect is that we will not need
to cross the river much longer, as the
new road is nearly completed.

Carroll Byrne, son of the late Terry
Byrne, returned home Friday. He was
too late to be present at his father's
funeral.

Mr. Ezra Arnold, who made a trip to
Elliott creek with the hope of bringing
home a bear, was obliged to return with-
out the bear on account of the rain.

Mr. and Mrs. E. O'Brien of Lower
Applegate were called here by the death
of Mrs. O'Brien's father.

Mr. O'Brien returned home Friday,
but Mrs. O'Brien will remain with her
mother for a time.

According to the noise that is heard
here, we would judge that the mining
men are doing a "driving business" over
at Steamboat. They are working day
and night and are putting in blasts that
can be heard for miles around.

This community was made sad the past
week by the death of Mr. Byrne. He
passed quietly away Tuesday at 12:20
o'clock after an illness of more than a
year. The sorrowing family have the
sympathy of all in this, their hour of af-
liction.

Beagle Items.

Robt. Godfrey is very low with lung
trouble.

E. D. Wilhite and son Clyde were in
Gold Hill Monday.

Several cases of la grippe have been re-
ported in the past week.

Mr. and Mrs. George Stacy are both
quite ill with pneumonia. Dr. Chisholm
is the attending physician.

A. McDonald has purchased a lot in
Medford and will probably build upon it
and move there in the spring.

Miss Gertrude Richardson, who has
been teaching in Klamath county for
some time, is expected home soon.

The directors of Antioch district are
considering the matter of closing the
school for the remainder of the term,
owing to sickness, bad weather and scar-
city of funds.

Judge H. K. Hanna went to Grants
Pass Sunday, where he convened Monday
the January term of circuit court for
Josephine County. The docket includes
several big cases that will take up con-
siderable time for their disposal and it is
likely that the court will be in session at
least three weeks.

Wedding stationery, the latest out, at
the Sentinel office.

Henry Ries arrived back Saturday from
the Bohemia mining district where he
has been working since last summer as a
mechanic on a 30 stamp mill that the
Hammond Manufacturing Company
erected for the Oregon Security Com-
pany at a mine that Company has lately
opened up in that district. Mr. Ries
began work Monday at the Opp mine
where he is employed in the quartz mill.
Mr. Ries states that M. A. Gilmer will
probably return to Jacksonville within a
month or two.

County Surveyor Carl T. Jones was in
Jacksonville Wednesday taking field
notes from the county records of two
roads near Ashland which he is to re-
locate by order of the county court. One
of these roads is from Ashland, up Ash-
land creek to Messenger's mill and the
other is a section of the stage road run-
ning south east from Ashland, both of
which are being encroached on by adja-
cent land owners who have put their fences
out beyond their lines.

R. H. Allen accompanied by his sister
Miss Clara Allen, of Lincoln, Nebraska
arrived in Jacksonville Saturday and are
guests at the home of their uncle and
aunt, Rev. and Mrs. Sanford Snyder.
Mr. Allen is a carpenter by trade and
will probably take up his residence in
Southern Oregon. The rigorous climate
of Nebraska has been trying on Miss
Allen's health and if she regains her
health here she will not return East, but
will take up her residence here and her
parents will also come to Jacksonville.
