Dennis H. Stovall, the well known mining writer of Grants Pass, has been engaged to write up the mining resources of Southern and Eastern Oregon for the Denver Daily Mining Record, and he is now making a tour of the mining districts to secure the necessary data for his articles. Mr Stovall's work will do much to bring Oregon's mineral wealth to the notice of capitalists.

If you want to rent a farm or have land to rent see T. C. Norris, Jacksonville.

The death took place at the home of her son, George Wild at his place one mile north of Phoenix on Wednesday of last week of Mrs. Sarah Wild. The funeral services were held Friday at 2 p. m. in the Presbyterian church in Phoenix Rev. F. G. Strange officiating, the interment being in the Phoenix cemetery. Word has been received from W. V. Lippincott, who recently resigned the position of agent for the Southern Pacific at Medford in order to take up his residence in Southern California, that he is stopping for the present at Los Angeles, until such time as he is assigned to a position as agent for the Southern Pacific at some Southern California town. Mr. Lippincott will return to Medford next week for a short stay to attend to some personal business matters. Mr. Lippincott is succeeded at Medford by F. M. Wilcox, former Southern Pacific agent at Woodburn. Mr. Wilcox comes well spoken of by those having his acquaintance, as a man of broad business attainments and a courteous official, who, while ever alert to his company's interests is equally as considerate and attentive to the patrons of his office.

Honors are coming to the Jacksonville postoffice thick and fast. But recently the office was elevated to the dignity of a presidential office and Postmaster John F. Miller had hardly become accustomed to his new honor, when another honor came to him in the person of a bouncing baby boy whom the mythical stork left at his home Tuesday morning. As this is the first born to Mr. and Mrs. Miller there is a just cause for our postmaster to feel proud of his new deputy. Mrs. Miller is recovering from her accouchement very satisfactorily.

To get perfect rest use one of those silk floss or cotton felt mattresses. They are the best. C. W. Conklin.

W. M. Scheble, who has a fine farm on Griffin Creek, where he is making money in raising alfalfa, cows and hogs, was in Jacksonville Thursday. Mr. Scheble is an active worker for good roads, holding that the present bad roads are a source of great loss to the farmers. He stated that the Griffin Creek-Jacksonville road was in such bad condition that it precluded farmers of that section from coming to Jacksonville, thus losing to this town the trade that formerly came here. Mr. Scheble is confident that if Jacksonville would undertake to have this road improved that the farmers of his section would contribute liberally toward the work.

Croup.

Begins with the symptoms of a common cold; there is chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and impeded respiration. Give frequent small doses of Ballard's Horehound Syrup, (the child will cry for it) and at the first sign of a croupy cough, apply frequently Ballard's Snow Liniment to the throat.

Mrs. A. Vliet, New Castle, Colo., writes, March 19th, 1904: "I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant." 25c, 50c and \$1.00. Sold by City Drug Store.

The young people of the Presbyterian Y. P. C. E. S. of Phoenix gave a social at the Woodmen hall in that place last Friday evening that was one of the most enjoyable gatherings ever held in that place. In the early part of the evening a pleasing program of vocal and instrumental selections was rendered and after which a fine lunch was served, the evening closing with a social hour of conversation and games.

Storts Bros, expect to have their saw-mill which they are building on the east fork of Williams creek running in about three weeks. They have a fine body of sugar pine and fir that will afford them timber for a run of several years.

The Jacksonville High School girls have organized a basket ball team and expect to have a team that will be able to successfully play against any ladies team of Southern Oregon. The membership of the team is made up of Helen Lyden, Lota Fleury, Mervyna Kenney, Mildred Kitto, Minnie Thompson, Mary Peter, Emma Margreiter, Lena Hooks, Gertrude Dunnington and Elizabeth Margreiter. The officers of the team are Helen Lyden, president; Lota Fleury, secretary and Mervyna Kenney, treasurer. Miss Annie Lyden will be the coach and she will be assisted by Miss Mildred Kitto, who also has had experience in a basket ball team. The girls plan to have a pretty uniform and to raise the funds to purchase this necessary adjunct to the handsome team that Jacksonville is now to have, the girls will give an entertainment in the near future. They have not secured a drill room yet, but expect to secure one of the public halls for their use.

These young men will give a dance this Friday evening at the home of Mr. Silva's father, Manuel Silva, which promises to be an enjoyable affair as are all the balls given by those young men.

Charles Rossart, of Everett, Wash., is in Jacksonville on a visit to his daughter, Mrs. C. P. Briggs. The wet climate of the Sound county has somewhat impaired Mr. Rossart's health and he expects to remain some time in Jacksonville in the hopes that this climate will be a benefit to him.
